CHINESE NATIONAL POLICE MAKE FIRST ORALINE ORDER

Harrington Group Limited is pleased to advise that the Company has received its first order for 10,000 units of OraLine IV oral fluid illicit drug screening device from the Ministry of Public Security (MPS), the national police agency in China. The initial 10,000 units will be used to undertake an in-field evaluation of OraLine IV by regional police agencies. Following successful completion of the evaluation, it is anticipated that MPS will place a standing order for regular monthly deliveries the volume of which is to be determined following completion of the evaluation.
