

DEXUS Property Group (ASX: DXS)

ASX release

6 January 2014

Further developments relating to DEXUS Offer for CPA

DEXUS Funds Management Limited, in its capacity as Trustee of the DEXUS Office Trust Australia ("DEXUS") refers to the Bidder's Statement lodged by DEXUS Property Group ("DXS") and Canada Pension Plan Investment Board ("CPPIB") (together the "Consortium") on 19 December 2013 in relation to an off-market takeover bid for all of the Units in the Commonwealth Property Office Fund ("CPA") ("DEXUS Offer").

DEXUS Offer open for acceptance and provides greater choice

As advised earlier today, the DEXUS Offer is now open for acceptance.

There is no minimum acceptance condition and the DEXUS Offer is scheduled to close on 7 February 2014, unless extended.

As a result of developments set out below, the Consortium is now able to offer CPA Unitholders an additional choice of cash/crip consideration mix.

CMIL independent directors unanimously reject GPT Offer

The Consortium also notes the release of CPA's target statement in relation to the GPT Offer on 24 December 2013 in which the independent directors of Commonwealth Managed Investments Limited ("CMIL") unanimously recommend that CPA Unitholders DO NOT ACCEPT the GPT Offer because, amongst other things, the DEXUS Offer is superior to the GPT Offer.

Proposed asset sales to GPT Wholesale Office Fund ("GWOF")

In section 7.2 of the Bidder's Statement, the Consortium detailed its intention, in circumstances where it acquired a relevant interest of 90% or more of CPA Units, to offer to the responsible entity of GWOF the opportunity to acquire, on market terms, certain CPA assets, being CPA's:

- 100% interest in 750 Collins Street, Melbourne; and
- 50% interest in 2 Southbank Boulevard, Melbourne (subject to compliance with applicable pre-emptive provisions).

The Consortium has today entered into a Memorandum of Understanding ("MOU") with GPT Funds Management Limited ("GPT FM") in its capacity as responsible entity of GWOF, in relation to the sale of the CPA assets referenced in section 7.2 of the Bidder's Statement.

In addition, the parties have agreed that GPT FM will also have the opportunity to acquire a further two CPA assets, being CPA's:

- 100% interest in 655 Collins Street, Melbourne; and
- 50% interest in 10 Shelley Street, Sydney (subject to compliance with applicable pre-emptive provisions).

The aggregate value ascribed to these CPA assets is \$679 million with GWOF having the ability to acquire all or any of the assets. The CPA assets are offered for sale on an 'as is, where is' basis.

The MOU does not in any way limit or restrict the actions that either the Consortium or The GPT Group might take in respect of their respective takeover bids for CPA.

The MOU sets out a process under which the parties will negotiate and enter into formal option deeds attaching contracts of sale. The option deeds will contain a call option (in favour of GWOF) and a put option (in favour of the Consortium) over each of the CPA assets mentioned above.

The call option will not be exercisable unless the Consortium acquires 90% of CPA Units under the terms of the DEXUS Offer and becomes entitled to proceed to compulsory acquisition. Once that occurs, GPT FM may only exercise the option by the period ending on the latter of:

- the final day of the DEXUS Offer; and
- 5 business days after the Consortium notifies GPT FM that it is entitled to proceed to compulsory acquisition.

DEXUS Property Group (ASX: DXS)

ASX release

If GPT FM does not exercise the call option, the put option may be exercised for a period of 5 business days after the period for exercising the call option expires.

The option deed in respect of a property will be terminable by either party if an option is not exercised by 30 September 2014. It will also automatically terminate, and a key condition will not be satisfied, if GPT FM has not obtained a statement of no objections in relation to the acquisition of the relevant property under the *Foreign Acquisitions and Takeovers Act 1975 (Cwlth)* by 30 June 2014 (“FIRB Approval”).

The sales contracts, which will come into effect automatically if the put or call options are validly exercised, will be subject to usual conditions for similar contracts (including a 5% deposit payable on exercise of the option) and the following additional conditions:

- consent of the relevant counterparty or compliance with relevant pre-emptive provisions under applicable asset-level documents that apply to the property or an owner of the property (such as those arising under the co-owner arrangements at 10 Shelley Street and 2 Southbank Boulevard);
- satisfaction of all conditions precedent under any applicable asset-level document; and
- the Consortium procuring all consents, waivers and documentation that are required under any applicable law or regulation or document to complete the sale of a property without breaching any applicable law, regulation, document or duty (including as a fiduciary).

Completion will occur 10 business days after the latter of exercise of the option or satisfaction of conditions precedent.

Neither the exercise of the options nor completion of the sale of any one property is dependent on exercise or completion in respect of the other properties.

A copy of the MOU is attached to this release.

MOU in relation to Northland

The Consortium also notes that CPPIB has entered into a MOU with GPT FM, as responsible entity of the GPT Wholesale Shopping Centre Fund No. 1 (“GWSCF”).

Under that MOU, CPPIB has agreed to a sales process for its 50% interest in the Northland Shopping Centre, Victoria (“Northland”) and the conditions and timing of the sale are similar to the conditions and timing of the CPA asset sales described above.

The MOU for the CPA assets and the MOU for Northland are not interdependent.

DEXUS Offer consideration composition - change to cash and scrip mix

As a consequence of the intended additional asset sales, the Consortium has determined to vary the DEXUS Offer to give CPA Unitholders the opportunity to elect to receive an alternative cash/scrip mix comprised of a larger proportion of cash (per CPA Unit) as set out below:

- \$0.8496 cash; and
- 0.3801 DEXUS Securities.

A formal variation notice will be sent to CPA Unitholders shortly.

Under the DEXUS Offer, CPA Unitholders will still be able to choose the existing cash/scrip mix (of \$0.7745 and 0.4516 DEXUS Securities per CPA Unit).

DEXUS Property Group (ASX: DXS)

ASX release

The table below sets out the two DEXUS cash/scrip mix alternatives available to CPA Unitholders based on the last trading price for DEXUS securities as at 3 January 2014.

Dear Sir

Commonwealth Property Office Fund (CPA) – DEXUS, CPPIB, BID TRUST AND GWOFF MOU

1. Background

- (a) DEXUS and CPPIB, through the Bid Trust, have made the Bid.
- (b) The Properties are owned by CPA or sub trusts that are owned and controlled by CPA.
- (c) The relevant Vendor's interest in certain of the Properties is the subject of pre-emptive rights in favour of third parties.
- (d) Subject to the terms of this MOU, Bid Trust, DEXUS and CPPIB have agreed to procure the responsible entity of CPA (or the trustee of the relevant sub trust, as applicable) to sell each Property to GWOFF on an 'as is, where is' basis for its respective Price. The Parties intend this MOU to be binding and enforceable.
- (e) In this MOU capitalised terms will have the meaning given to them in Annexure A unless otherwise expressly provided.

2. Parties' Commitments

DEXUS, Bid Trust, CPPIB and GWOFF agree that:

- (a) this MOU constitutes a binding agreement and is executed and operates as a deed;
- (b) without affecting the binding nature of this MOU:

- (i) the terms set out in Annexure B will be restated in a more complete and precise manner in each Option Deed and the terms set out in Annexure C will be restated in a more complete and precise manner in each Contract for Sale;
 - (ii) the Parties must use their best endeavours and act in good faith to procure the successful negotiation and execution of an Option Deed and Contract for Sale for each Property within 1 month of the date of this MOU;
 - (iii) Bid Trust must procure its lawyers to prepare and submit to GWOFF, the Option Deeds and Contracts for Sale for each Property within 2 weeks of the date of the MOU;
 - (iv) subject to the terms of this MOU, each Property is to be sold on an 'as is, where is' basis, with all faults and defects which exist at Completion and subject to all Asset Documents existing at Completion; and
 - (v) none of DEXUS, CPPIB or Bid Trust make any representation or give any warranties in relation to any of the Properties, CPA or any sub trust that owns a Property;
- (c) notwithstanding clause 2(b)(i), where a Property is co-owned and owned by a sub trust, GWOFF, CPA, DEXUS, CPPIB and Bid Trust (each acting in good faith and reasonably with regard to the risks for each Party) may agree to structure the sale of that Property by way of a sale and purchase of all of the interests in the relevant sub trust. If the Parties cannot agree on such structure the sale must proceed as a real property sale pursuant to the Option Deed and Contract for Sale. If agreement between the Parties to structure the sale of a Property by way of a sale and purchase of the interests in a relevant sub trust occurs:
- (i) the terms set out in Annexure B and Annexure C will instead be restated (with necessary amendments to reflect the structure of the sale) in a more complete and precise manner in an option deed and unit sale and purchase agreement for the interests in the relevant sub trust;
 - (ii) the principles set out in paragraphs 2(b)(iv) and (v) above will be maintained and reflected in the option deed and unit sale and purchase agreement; and
 - (iii) paragraph 2(b)(ii) above will apply in relation to the negotiation and execution of the option deed and unit sale and purchase agreement; and
- (d) subject to clause 16, nothing in this MOU limits or restricts the actions of DEXUS, CPPIB or Bid Trust or the GPT Group in relation to their respective takeover bids for CPA.

3. FIRB

- (a) The Parties acknowledge that the acquisition of each Property by GWOFF is subject to GWOFF obtaining FIRB Approval in relation to it, and accordingly each Contract for Sale will be conditional on FIRB Approval or the Treasurer ceasing to be

empowered to make an order or decision about the purchase of that Property by GWOFF.

- (b) GWOFF must, to the extent within its control, use its best endeavours to obtain FIRB Approval in relation to the acquisition of each Property as soon as reasonably practicable after the date of this MOU, and must promptly notify each of the other Parties of the Treasurer's response to GWOFF's application for FIRB Approval.

4. Confidentiality

- (a) Confidentiality

Subject to clause 4(b) of this MOU, each Party must not disclose to any person, and must keep confidential, the terms of this MOU and any other information which is disclosed by a Party to another in connection with this MOU.

- (b) Exceptions

A Party may make any disclosures in relation to the matters specified in clause 4(a) of this MOU as, in its absolute discretion, it thinks necessary to:

- (i) its professional advisers, bankers, financial advisers, financiers and insurers for the purpose of giving full effect to this MOU and the transactions contemplated by it, if those persons undertake to keep information disclosed confidential;
- (ii) comply with any applicable law or requirement of any authority (including the listing rules of any applicable stock exchange);
- (iii) any of its employees to whom it is necessary to disclose the information, if that employee undertakes to keep the information confidential; or
- (iv) if, and to the extent, the information is or becomes part of the public domain otherwise than through a breach of confidence owed under this MOU.

- (c) Public announcements

- (i) The Parties agree that following execution of this MOU, each of DEXUS and CPPIB and the GPT Group will issue the Announcements.
- (ii) Except as required by applicable law or the requirements of any authority, all other press releases and other public announcements (but not Supplementary Bidder's Statements) relating to the transactions dealt with by this MOU must be in terms first agreed in writing by the Parties (other than to the extent that any such public announcement repeats terms that have previously been agreed in writing by the Parties).

6.2 Limitation of liability

DEXUS enters into this MOU only in its capacity as trustee of the DEXUS Trust and in no other capacity. A liability of DEXUS arising under or in connection with this MOU can be enforced only to the extent:

- (a) of rights of DEXUS against the assets of the DEXUS Trust; and
- (b) otherwise to which DEXUS is entitled to be and is in fact indemnified for that liability out of the assets of the DEXUS Trust.

DEXUS is not liable in its personal capacity in contract, tort or otherwise for any loss suffered in any way relating to the DEXUS Trust, except to the extent that the Corporations Act or the constitution of the DEXUS Trust impose a liability of that nature.

6.3 No other actions

The other Parties may not sue DEXUS personally or seek the appointment of a liquidator, receiver or similar person to DEXUS or prove in any liquidation, administration or arrangement of or affecting DEXUS.

6.4 Exceptions

The provisions of this clause 6 shall not apply to any obligation or liability of DEXUS to the extent that it is not satisfied out of the assets of the DEXUS Trust, or if there is a reduction in the extent of the Trustee's indemnification out of the assets of the DEXUS Trust, which in either case is a result of the DEXUS' fraud, gross negligence, breach of trust or improper performance of duties.

6.5 Other party acknowledgment

Each other party acknowledges and agrees that:

- (a) DEXUS incurs its obligations under this MOU solely in its capacity as trustee of the DEXUS Trust and that DEXUS will cease to have any obligation under this MOU if DEXUS ceases for any reason to be the trustee of the DEXUS Trust; and

- (b) no attorney, agent or such other person appointed by DEXUS has authority to act on behalf of DEXUS in such manner as to expose DEXUS to any personal liability.

6.6 No obligation

The Parties acknowledge and agree that, despite any other provision of this MOU, DEXUS is not obliged to execute any document, or take or refrain from taking any action under this MOU, or exercise or refrain from exercising any power under this MOU, unless its liability is limited in the manner set out in this clause 6.

7. Limitation of Liability of Bid Trust

7.1 Application of this clause

Subject to clause 7.4, the limitation of the liability of Bid Trust in this clause 7 applies despite any other provision of this MOU and extends to all liabilities and obligations of Bid Trust in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this MOU.

7.2 Limitation of liability

Bid Trust enters into this MOU only in its capacity as trustee of the DEXUS Office Trust Australia and in no other capacity. A liability of Bid Trust arising under or in connection with this MOU can be enforced only to the extent:

- (a) of rights of Bid Trust against the assets of the DEXUS Office Trust Australia; and
- (b) otherwise to which Bid Trust is entitled to be and is in fact indemnified for that liability out of the assets of the DEXUS Office Trust Australia.

Bid Trust is not liable in its personal capacity in contract, tort or otherwise for any loss suffered in any way relating to the DEXUS Office Trust Australia, except to the extent that the Corporations Act or the constitution of the DEXUS Office Trust Australia impose a liability of that nature.

7.3 No other actions

The other Parties may not sue Bid Trust personally or seek the appointment of a liquidator, receiver or similar person to Bid Trust or prove in any liquidation, administration or arrangement of or affecting Bid Trust.

7.4 Exceptions

The provisions of this clause 7 shall not apply to any obligation or liability of Bid Trust to the extent that it is not satisfied out of the assets of the DEXUS Office Trust Australia, or if there is a reduction in the extent of the Trustee's indemnification out of the assets of the DEXUS Office Trust Australia, which in either case is a result of the Bid Trust's fraud, negligence, breach of trust or improper performance of duties.

7.5 Other party acknowledgment

Each other party acknowledges and agrees that:

- (a) Bid Trust incurs its obligations under this MOU solely in its capacity as trustee of the DEXUS Office Trust Australia and that Bid Trust will cease to have any

obligation under this MOU if Bid Trust ceases for any reason to be the trustee of the DEXUS Office Trust Australia; and

- (b) no attorney, agent or such other person appointed by Bid Trust has authority to act on behalf of Bid Trust in such manner as to expose Bid Trust to any personal liability.

7.6 No obligation

The Parties acknowledge and agree that, despite any other provision of this MOU, Bid Trust is not obliged to execute any document, or take or refrain from taking any action under this MOU, or exercise or refrain from exercising any power under this MOU, unless its liability is limited in the manner set out in this clause 7.

8. Limitation of Liability of GPTFM

8.1 Capacity of GPTFM

GPTFM's liability under this MOU is limited to its capacity as responsible entity/trustee of the GPT Wholesale Office Fund No.1 and GPTFM is not liable in any other capacity.

8.2 Limitation

Subject to clause 8.4, the liability of GPTFM in respect of any cause of action, Claim or loss arising:

- (a) under or in connection with this MOU;
- (b) in connection with any transaction, conduct or any other agreement contemplated by this MOU; or

(each, a **Trust Claim**), is limited to the assets of the GPT Wholesale Office Fund No. 1 (**GWOF Assets**). The right of any party to recover any amount in respect of any (and all) Trust Claims is limited to a right to recover an amount not exceeding the amount which GPTFM is entitled and able to recover from the GWOF Assets (after taking account of the costs of exercising their right of indemnity or exoneration) and if, after exercise of those rights, any such amount remains outstanding, no further Trust Claim may be made against GPTFM personally.

8.3 Acknowledgment of limitations

A party must not, in respect of any Trust Claim:

- (a) subject to clause 8.4, bring proceedings against GPTFM in its personal capacity;
- (b) seek to appoint an administrator or liquidator to GPTFM;
- (c) commence the winding-up, dissolution, official management or administration of GPTFM; or
- (d) appoint a receiver, receiver and manager, administrative receiver or similar official to all or any of the assets of GPTFM,

except to the extent that the steps taken affect any GWOFF Assets or GPTFM's right of recourse against, and indemnity from, the GWOFF Assets and nothing else.

8.4 Exception

If GPTFM acts negligently, with wilful misconduct or in breach of trust with a result that:

- (a) GPTFM's right of indemnity, exoneration or recoupment of the GWOFF Assets; or
- (b) the actual amount recoverable by GPTFM in exercise of those rights,

is reduced in whole or in part or does not exist, then to the extent that such right or the amount so recoverable is reduced or does not exist, GPTFM may be personally liable.

9. Limitation of liability of CPPIB

9.1 Application of this clause

Subject to clause 9.4, the limitation of the liability of CPPIB in this clause 9 applies despite any other provision of this MOU and extends to all liabilities and obligations of CPPIB in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this MOU.

9.2 Limitation of liability

CPPIB enters into this MOU only in its capacity as trustee of the CPPIB Trust and in no other capacity. A liability of CPPIB arising under or in connection with this MOU can be enforced only to the extent:

- (a) of rights of CPPIB against the assets of the CPPIB Trust; and
- (b) otherwise to which CPPIB is entitled to be and is in fact indemnified for that liability out of the assets of the CPPIB Trust.

CPPIB is not liable in its personal capacity in contract, tort or otherwise for any loss suffered in any way relating to the CPPIB Trust, except to the extent that the Corporations Act or the constitution of the CPPIB Trust impose a liability of that nature.

9.3 No other actions

The other Parties may not sue CPPIB personally or seek the appointment of a liquidator, receiver or similar person to CPPIB or prove in any liquidation, administration or arrangement of or affecting CPPIB.

9.4 Exceptions

The provisions of this clause 9 shall not apply to any obligation or liability of CPPIB to the extent that it is not satisfied out of the assets of the CPPIB Trust, or if there is a reduction in the extent of the Trustee's indemnification out of the assets of the CPPIB Trust, which in either case is a result of CPPIB's fraud, gross negligence, breach of trust or improper performance of duties.

9.5 Other party acknowledgment

Each other party acknowledges and agrees that:

- (a) CPPIB incurs its obligations under this MOU solely in its capacity as trustee of the CPPIB Trust and that CPPIB will cease to have any obligation under this MOU if CPPIB ceases for any reason to be the trustee of the CPPIB Trust; and
- (b) no attorney, agent or such other person appointed by CPPIB has authority to act on behalf of CPPIB in such manner as to expose CPPIB to any personal liability.

9.6 No obligation

The Parties acknowledge and agree that, despite any other provision of this MOU, CPPIB is not obliged to execute any document, or take or refrain from taking any action under this MOU, or exercise or refrain from exercising any power under this MOU, unless its liability is limited in the manner set out in this clause 9.

10. Governing Law and Jurisdiction

This MOU is governed by the laws in force in New South Wales, Australia. In relation to it and related non-contractual matters each Party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.

11. Costs

Each Party must bear its own costs in relation to the negotiation, preparation and completion of this MOU, each Option Deed and each Contract for Sale. GWOFF must pay all duty (including fines and penalties) that is payable in respect of this MOU, any Option Deed or Contract for Sale, and any transaction or transfer that occurs under any of them.

12. Counterparts

This MOU may be executed in any number of counterparts, each signed by one or more of the Parties. All counterparts together will be taken to constitute one instrument.

13. Severability of Provisions

Any paragraph or term of this MOU that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining paragraphs or terms of this MOU nor affect the validity or enforceability of that paragraph or term in any other jurisdiction.

14. Further assurances

Each Party must do anything necessary or desirable (including executing agreements and documents, acting in good faith to resolve any disputes) to give full effect to this MOU, the Announcements and the transactions contemplated by both this MOU and the Announcements.

Each of DEXUS and CPPIB agree to do all things within their respective power and control to procure the performance by Bid Trust of its obligations under this MOU.

15. No Merger

The rights and obligations of the Parties will not merge on entry into or the completion of any transaction contemplated by this MOU.

16. Good faith

Without limiting clause 14, the parties acknowledge that they have acted reasonably and in good faith in entering into this MOU and will continue to do so, for the purpose of implementing the transactions contemplated by this MOU.

17. No partnership or agency

Nothing contained or implied in this MOU constitutes a Party the partner, agent, or legal representative of another Party or of CPA for any purpose or creates any partnership, agency or trust, and no Party has any authority to bind another Party or CPA in any way.

18. Obligations several

The obligations of each Party under this MOU bind each of them severally. Failure by a Party to perform its obligations under this MOU does not affect the obligations of any other Party under this MOU. No Party is responsible for the obligations of any other Party under this MOU.

19. Dealing with interests

No Party may assign or otherwise deal with its rights under this MOU or any Option Deed or Contract for Sale, nor allow any interest in any of them to arise or be varied, in each case without the other Parties' prior written consent.

20. No caveats

GWOFF acknowledges and agrees that:

- (a) nothing in this MOU operates to transfer to or vest in GWOFF or any other person any estate or interest in any Property (or any other land or property of a Vendor);
- (b) it does not have a caveatable interest in any Property; and
- (c) it must not lodge (or procure or allow any other person to lodge) a caveat pursuant to or otherwise in connection with this MOU.

21. Recovery of GST

- (a) If GST is payable, or notionally payable, on a supply made under or in connection with this MOU, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**). Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time that the other

consideration for the supply is provided. If a tax invoice is not received prior to the provision of that other consideration, the GST Amount is payable within 10 days of the receipt of a tax invoice.

- (b) Unless the context requires otherwise, words and phrases used in this clause that have a specific meaning in the GST law (as defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) shall have the same meaning in this clause.
