Resolution 1 and 2 Re-Election of Directors Appointed During the Year

As announced on 8 August 2007, the Company is going through a significant growth phase and as a result has appointed two new Independent Non-Executive Directors to the Board.

Resolution 1 seeks the re-election of Mr Rudolf Brunovs.

Mr Rudolf Brunovs is a former audit partner of the International Chartered Accounting firm Ernst & Young and practised in a number of offices in Australia and overseas. For a total period of twelve years he held the position of Managing Partner of the Parramatta NSW and subsequently the Perth office of the firm. He was a member of the Minerals and Energy division within Ernst & Young.

The directors recommend that shareholders vote **in favour** of the re-election of Mr Brunovs.

Resolution 2 seeks the re-election of Mr Tony McDonald.

Mr Tony McDonald is a lawyer and has been in private practice in Queensland for over 20 years. In the last seven years he has focused on the natural resources industry in management and as a legal advisor. Until March 2007 he was an executive director and corporate secretary of Kings Minerals NL, an ASX listed company. He is also Non-Executive Director of ASX listed Planet Gas Limited.

The directors recommend that shareholders vote **in favour** of the re-election of Mr McDonald.

Resolution 3 Re-Election of Director

Ms Gillian Swaby retires from office in accordance with the Constitution. Being eligible she now submits herself for re-election.

The directors recommend that shareholders vote **in favour** of the re-election of Ms Swaby.

SPECIAL BUSINESS

Resolutions 5 and 6 Grant of Options to Directors

Shareholder approval is being sought in Resolutions 5 and 6 to grant a total of 12,500,000 Options to the Executive Directors of the Company (Mr Martin Kavanagh and Dr Leon Pretorius). The options will not vest immediately on grant, 50% of the options will vest with the allottee 12 months from the date of issue and 50% 24 months from the date of issue. The terms and conditions are set out in Annexure A which forms part of this Explanatory Statement.

The grant of Options is designed to encourage the recipients to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through share ownership. These Options do not vest immediately, but vest over the coming 12-24 months. The Board regards this period as critical in the development of the Company and has introduced this term.

Under the Company's current circumstances each of the Directors consider (in respect of the Options to be granted to each other Director) that the incentives to the parties noted above, represented by the issue of these Options, are a cost effective and efficient reward and incentive for the Company, as opposed to alternative forms of incentive, such as the payment of additional cash compensation to meet market expectations.

The number of Options to be granted to each of the Directors has been determined in light of the following considerations:

- The Directors wish to ensure that the remuneration offered is competitive with market standards and where appropriate, based upon share price performance hurdles.
- The exercise price of the Options has been set at 150% of the volume weighted average price of the Company's ordinary shares on the Australian Stock Exchange for the 10 trading days prior to this Annual General Meeting, but in any event not less than \$0.55.
- The Directors believe it is appropriate to provide equity incentives in order to attract and ensure continuity of service of Directors who have appropriate knowledge and expertise in the industry in which the Company operates.
- The Directors consider the proposed number and terms of Options to be issued will ensure that the Directors' overall remuneration is in line with market standards.

In the 12 month period before the date of this Notice of Meeting, the highest price at which the Company's shares traded on the ASX was \$0.7091 on 17 April 2007 and the lowest price was \$0.1366 on 15 October 2006. The volume weighted average price of the Company's shares on the ASX over the 10 trading days prior to the date of this Notice of Meeting was \$0.49. The closing price on the trading day prior to the date of the Notice of Meeting was \$0.485.

In the event the Options are exercised, and the minimum price of \$0.55 is applied, the following amounts will need to be paid to the Company by the Directors.

Director	To be paid
Mr Martin Kavanagh	\$2,750,000
Dr Leon Pretorius	\$4,125,000

Related Party Transactions Generally

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a *related party* of the public company *unless* either:

- the giving of the financial benefit falls within one of the nominated exceptions to the provision; or
- prior shareholder approval is obtained to the giving of the financial benefit.

For the purposes of Chapter 2E, each of the Directors is considered to be a related party of the Company.

Resolutions 5 and 6 provide for the grant of Options to Executive Directors of the Company, which is a financial benefit requiring shareholder approval.

Notes:

1. 450,000 shares are held by Conway Bay Pty Ltd as trustee for Kavanagh Family Trust of which Mr Kavanagh is a beneficiary.
2. Options shown consist of 5,000,000 options expiring on 31 December 2008 and exercisable as to 3,000,000 options at \$0.211 and 2,000,000 at \$0.311. The balance of 5,000,000 expire on 30 November 2009 and are exercisable by payment of \$0.551.
3. Options shown consist of 5,000,000 options exercisable on or before 30 November 2009 by payment of \$0.551.

INFORMATION REQUIREMENTS – SECTION 219 AND LISTING RULE 10.13

For the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.13 the following information is provided.

The related party to whom the proposed resolution would permit the financial benefit to be given:

Subject to shareholder approval the following maximum number of Options will be granted to the following related parties or their respective nominees:

Name of Related Party	Number of Options
Mr Martin Kavanagh	5,000,000
Dr Leon Pretorius	7,500,000
Total	12,500,000

In respect of the 12,500,000 Options to be granted to the Directors, the exercise price is to be calculated based on a 150% of the volume weighted average price of the Company's ordinary shares on the Australian Stock Exchange for the 10 trading days prior to this Annual General Meeting, but in any event not less than \$0.55.

Each of the Directors is a related party of the Company.

The nature of the financial benefit

The proposed financial benefit to be given is the grant of Options for no consideration to the Directors as noted above. The terms and conditions of the Options to be granted to the Directors are set out in Annexure A to this Explanatory Memorandum.

Directors' recommendation and interest in outcome of resolutions 5 and 6

For the reasons noted above:

- Dr Leon Pretorius, Mr Mervyn Greene, Ms Gillian Swaby, Mr Rudolf Brunovs and Mr Tony McDonald (who have no interest in the outcome of resolution 5) recommend that shareholders vote in favour of resolution 5. Mr Martin Kavanagh declines to make a recommendation about resolution 5 as he has a material personal interest in the outcome of that particular resolution as it relates to the proposed issue of Options to him individually.
- Mr Martin Kavanagh, Mr Mervyn Greene, Ms Gillian Swaby, Mr Rudolf Brunovs and Mr Tony McDonald (who have no interest in the outcome of resolution 6) recommend that shareholders vote in favour of resolution 6. Dr Leon Pretorius declines to make a recommendation about resolution 6 as he has a material personal interest in the outcome of that particular resolution as it relates to the proposed issue of Options to him individually.

Other information that is reasonably required by members to make a decision and that is known to the Company or any of its Directors

The proposed ordinary resolutions 5 and 6 would have the effect of giving power to the Directors to grant up to 12,500,000 Options on the terms and conditions as set out in Annexure A to this Explanatory Memorandum and as otherwise mentioned above. The Company presently has 1,108,726,958 issued shares and 43,500,000 unlisted Options.

If all Options granted as proposed above are exercised, together with the existing unlisted options on issue, the effect would be to dilute the shareholding of existing shareholders by 5.05%. The market price of the Company's shares during the period of the Options will normally determine whether or not Option holders exercise the Options. At the time any Options are exercised and shares are issued pursuant to the exercise of the Options, the Company's ordinary shares may be trading at a price which is higher than the exercise price of the Options.

The Directors' base salaries per annum and the total financial benefit to be received by them in this current period as a result of the grant of Options the subject of resolutions 5 and 6 are as follows:

Director	Base salary p.a. (\$)	Superannuation p.a. (\$)	Value of options to be issued (\$)	Total Financial Benefit (\$)
Mr Martin Kavanagh	222,000	20,000	810,500	1,052,500
Dr Leon Pretorius	275,000	-	1,215,750	1,490,750

Valuation of Options

The Company with the assistance of its advisors have valued the Options to be granted to the Directors using the Cox, Ross and Rubinstein Binomial Tree Pricing Model (**Model**). The acceptance of this model is due to its derivation being grounded in economic theory. The value of an option calculated by the Model is a function of a number of variables. Their assessment of the value of the Options has been prepared using the following assumptions:

Variable	Inputs
Share price	\$0.51
Exercise price	\$0.72
Risk Free Interest Rate	6.25%
Volatility	70%
Time (years) to expiry	3 years

For the purposes of this valuation, the Company has assumed that the issue date of the Options will be on or around 30 November 2007. For the share price, the closing price for the Company's shares on ASX on the day of the valuation (being 10 October 2007) was \$0.51. The VWAP for the ten days prior to the valuation date was \$0.48 based on this price an exercise price of \$0.72 per Option was used together with an assumed volatility level of 70% given the industry in which the Company operates, the Company's financial position and the volatility of listed shares of other companies comparable to Deep Yellow. Based on these assumptions and advice from the Company's advisors, the Company has estimated the value of Options to be issued to the Directors to be \$0.1621 per Option.

Under AASB 2 Share Based Payments, pursuant to the adoption of the Australian International Financial Reporting Standards, the Company is required to recognise the fair value of Options granted to Directors, employees, consultants and other advisors as an expense on a pro-rata basis over the vesting period in the income statement with a corresponding adjustment to equity.

This will result in an amount of \$2,026,250 being booked to the Company's income statements based on the Cox, Ross and Rubinstein Binomial Tree Pricing Model calculated at the date of this notice.

It should be noted that these figures will change based on the parameters applying at the date of grant of these Options.

Timing of Issue

The Company will issue the Options as soon as practicable after the date of the meeting, but in any event no later than 1 month after the date of the meeting.

Listing Rule 7.1

Shareholder approval is sought under Listing Rule 10.11 in connection with resolutions 5 and 6. If such approval is given, separate approval is not required under Listing Rule 7.1. This means that the issue of the Options, if approved, and the issue of ordinary shares on exercise of the Options, will not erode the Company's capacity to issue additional equity securities under Listing Rule 7.1.

Resolution 7 Amendments to Constitution

Resolution 7 seeks approval to amend the Company's Constitution as explained below.

It is proposed to insert a new sub-clause 14.11 into the Constitution. The proposed new clause 14.11 will enable registered shareholders to vote directly, as an alternative to appointing a proxy to vote on their behalf, should the Company wish to provide this facility in the future. Direct voting is similar to voting by postal vote in an election.

This amendment will not affect or diminish the right of shareholders to vote by proxy at shareholder meetings. Beneficial shareholders will continue to have the right to demand a proxy from an intermediary who holds securities of the Company on behalf of the beneficial owner.

The proposed amendments to the Company's Constitution under Resolution 7 are as follows:

Amendment: Insert after sub-clause 14.10 a new sub-clause 14.11 as follows:

14.11 "The directors may determine that at any general meeting or class meeting, a member who is entitled to attend that meeting is entitled to a direct vote. A direct vote' includes a vote delivered to the company by post, fax or other electronic means approved by the directors. The directors may specify the form, method and timing of giving a direct vote at a meeting in order for the vote to be valid".

The Directors recommend that Shareholders vote in **favour** of this resolution.

Resolution 8 Remuneration of Non Executive Directors

Resolution 8 seeks approval to increase the aggregate amount of fees payable to Non Executive Director's as explained below.

Listing Rule 10.17 and clause 10.2 of the Constitution provide that the maximum aggregate amount of the remuneration payable as Directors' fees to Non Executive Directors is to be determined by Shareholders in General Meeting.

The current maximum level of Directors fees payable to Non Executive Directors is \$90,000 including superannuation contributions payable by the Company. This amount has not been increased for many years and is now inadequate given the recent expansion of the Board. The increased amount in aggregate of \$250,000 could be apportioned between the Non Executive Directors as determined by Board resolution.

If approved, the increase will be effective from 1 July 2007.

The Directors recommend that Shareholders vote in **favour** of this resolution. All Directors and their associates are excluded from voting on the resolution.

In particular the Board of Directors may require the proposed new holder of Options to enter into a covenant with the Company pursuant to which the proposed new holder acknowledges and agrees to be bound by the termination provisions contained in this Plan.
