EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the Shareholders of Montezuma Mining Company Limited ACN 119 711 929 (**Company**) in connection with the business to be conducted at the General Meeting of the Company to be held at Level 2, 45 Richardson Street, West Perth, Western Australia, on 4 May 2018 commencing at 10:00 am.

This Explanatory Memorandum should be read in conjunction with, and form part of, the accompanying notice.

The Directors recommend that Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

Terms used in this Explanatory Memorandum will, unless the context otherwise requires, have the same meaning given to them in the glossary as contained in this Explanatory Memorandum.

At the GM, Shareholders will be asked to consider the following Resolutions:

- Share placement facility; and
- Change of name of the Company.

Resolution 1 – Share Placement Facility

Resolution 1 seeks the approval of Shareholders for a share placement facility of up to 25,000,000 ordinary fully paid shares, which the directors may utilise to raise additional working capital for the Company.

The Directors believe that it is prudent for the Company to have a share placement facility available so that additional equity funds can be raised if considered necessary. If not utilised, the facility would lapse 3 months after the date of the meeting.

ASX Listing Rule 7.1 provides that a listed company may not issue securities in any 12 month period where the total number of securities to be issued exceeds 15% of the number of fully paid ordinary securities on issue 12 months before the date of issue, except with the prior approval of members of the company in general meeting of the terms and conditions of the proposed issue or where the issue is pro rata to all shareholders in accordance with their existing shareholdings.

For the purposes of Listing Rule 7.3, the following information is provided:

- (a) the maximum number of securities that may be issued under Resolution 1 is 25,000,000 Shares;
- (b) any shares issued in accordance with Resolution 1 will be allotted and issued within 3 months from the date of the general meeting (or such later date as approved by the ASX);
- (c) the shares will be issued at a price which is not less than 80% of the volume weighted average market price of the Company's shares, calculated over the 5 days on which sales in the Company's shares were recorded on the ASX before the day on which the issue is made;
- (d) as at the date of this notice of meeting there has been no decision by the Directors to issue any shares. Accordingly, the names of any allottees or proposed allottees are not known, however any issue will be restricted to sophisticated and professional investors. No shares will be issued to Directors or other related parties;
- (e) any shares issued pursuant to Resolution 1 will rank equally in all respects with existing ordinary fully paid shares on issue in the Company;
- (f) funds raised by the issue of any shares will be used as additional working capital for the Company to continue to advance the Company's Butcherbird Project; and
- (g) it is not known whether any allotments will occur as a single allotment or will occur progressively. However, it would be likely that any issue of shares will be made as a single allotment.

The Directors recommend shareholders vote in favour of Resolution 1 as it will provide the Company with further flexibility should any share issue be considered desirable or advisable in the next 12 months.

Resolution 2 – Change of Name of the Company

Since 2006 the Company's name has been Montezuma Mining Company Ltd, and during that time the Company's principal focus has been mineral exploration in Australia.

More recently the Company has focused its attention on its 100% owned Butcherbird Manganese project.

As a result of the change in focus toward manganese for the Company, the Directors consider that it is appropriate for the Company to adopt a new name which is more reflective of its future direction. It is therefore proposed to change the name of the Company to "Element 25 Limited". The Board has approved this change of name subject to the approval of Shareholders. The change will not affect the legal status of the Company.

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders present and eligible to vote (in person, by proxy, by attorney, or in the case of a Shareholder which is a corporation, by representative) (by the number of shares) must be in favour of the resolution.

If the resolution is passed, the change of name will take effect when ASIC alters the details of the Company's registration. The proposed name has been reserved by the Company and if the resolution is passed, the Company will lodge a copy of that special resolution with ASIC in order to effect the change.

The Company also seeks approval under section 136(2) of the Corporations Act to amend the Company's constitution to reflect the change of name.

The Board recommends that Shareholders vote in favour of Resolution 2.

The Chairman of the General Meeting intends to vote all available proxies in favour of Resolution 2.
