### **CAPITAL RAISING**

The Directors of Fusia Limited announced on 19 August 2005 that the Company had entered into a Share Subscription Agreement with Rexi Marketing Pty Limited ("Rexi") to provide an additional \$500,000 in capital by 30 September 2005.

The Company has to date received \$200,000 of those monies and has been advised by Rexi that the balance will be forthcoming within 28 days.

The Directors expect that the remainder of the funds will be received and do not anticipate that the delayed receipt of the funds will negatively impact on the programme to roll out the products of its subsidiary company, MobiData Group Pty Limited, as previously announced.
