

Anittel Secures \$3.5million of Contracts in Victoria

For Release 25th November 2013

Anittel Group Limited (ASX: 'AYG' – 'Anittel' or the Company'), is pleased to announce that The Company has secured contracts in Victoria valued at \$3.5 million in direct services revenue over 3 years. As part of these agreements, Anittel will provide Managed IT, Telecommunication and Hosted Services to key Victorian based clients through to the end of 2016.

Anittel Victorian General Manager George Fattouche has welcomed the announcement. "Anittel are committed to driving growth in key locations in Australia. Our ability to secure and renew these important agreements with our Victorian clients is a testament to that. We are excited to continue to build on these relationships to leverage and generate future growth," Mr Fattouche said.

A representative from one of the companies summarised that "Anittel's flexibility and ability to deliver the service required, provided us with the confidence to further strengthen the relationship for the long term."

Following these successful contracts, Anittel Managing Director & Executive Chairman, Peter Kazacos has stated that he is, "Pleased that we are able to continue our commitment and support to these companies till 2016," adding that "We are looking forward to expanding Anittel's presence and strategic relationships in Victoria to continue with our organic growth strategy".

With the combination of the contract renewals, the relocation of the Anittel Victorian office to the Melbourne CBD, and with the recent relocation of Anittel's Chief Technology Officer (CTO), Rob Pickering to Melbourne; Anittel's capacity for growth in the Victorian region is expected to strengthen.
