About ECS Botanics Holdings Ltd

ECS Botanics Holdings Ltd is a vertically integrated medicinal cannabis and industrial hemp business. The company owns farms and medicinal cannabis facilities in Tasmania and Victoria for the cultivation, processing, and manufacturing of medicinal cannabis. ECS manufactures to EU GMP standards and also has the necessary licences to cultivate and manufacture medicinal cannabis for the wholesale extract, final dose and premium dry flower market. ECS cultivates hemp for the wholesale market and its retail food and wellness brand, while having obtained all the necessary licences to grow, supply and manufacture. ECS' core focus is scale and low-cost production, without compromising quality.
