

20 March 2026

Upcoming Option Expiry

Evergold Minerals Limited (ASX: EG1) ("Evergold" or "the Company") advises that the following unlisted options are due to expire as noted below:

ASX Unquoted Securities	Number of Options	Exercise Price	Expiry Date
EG1AD	500,000	\$0.40	11 April 2026 ⁽¹⁾

(1) As disclosed in Section 9.2.1 of the Company's Prospectus dated 13 January 2023 (and lodged with ASX on 5 April 2023), these options were issued to Taylor Collison (or its nominees) and expire three years from the Company's admission to the ASX following completion of the IPO, being 11 April 2026.

Any participant wishing to exercise their options must forward a completed option exercise form and payment prior to 5.00pm (AEST) on the expiry date. The Company will despatch an option exercise form to each holder of these options, as requested, should they wish to exercise their options.

This announcement is approved for release by the Board of Evergold Minerals Limited

Competent Persons Statement

The information in this release that relates to Exploration Results or Mineral Resources is based on information compiled by Glenn Grayson who is a Member of the Australian Institute of Mining and Metallurgy (AusIMM). Mr. Grayson has sufficient experience that is relevant to the style of mineralisation and type of deposit under consideration and to the activity being undertaken to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserve'. Mr. Grayson consents to the inclusion in the release of the matters based on his information in the form and context in which it appears. All exploration results reported have previously been released to ASX. The Company confirms it is not aware of any new information that materially affects the information included in the original announcement. The Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the original announcements.

Forward Looking Statements

This announcement may contain certain forward-looking statements and projections. Such forward-looking statements/projections are estimates for discussion purposes only and should not be relied upon. Forward-looking statements/projections are inherently uncertain and may therefore differ materially from results ultimately achieved. Evergold Minerals Limited does not make any representations and provides no warranties concerning the accuracy of the projections and disclaims any obligation to update or revise any forward-looking statements/projects based on new information, future events or otherwise except to the extent required by applicable laws. While the information contained in this report has been prepared in good faith, neither Evergold Minerals Limited or any of its directors, officers, agents, employees or advisors give any representation or warranty, express or implied, as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this announcement.

Listing Rule 5.23.2

In respect of this announcement, where Evergold has referred to, or referenced, prior ASX market announcements, Evergold confirms that it is not aware of any new information or data that materially affects the information included in the relevant market announcement (unless otherwise stated) and, in the case of estimates of mineral resources or ore reserves, that all material assumptions and technical parameters underpinning the
