

ASX ANNOUNCEMENT

13th October, 2004

EGL WINS A THIRD ORDER FOR NEW TECHNOLOGY

The Environmental Group Limited (EGL) has been awarded a contract to supply and install two stripping systems for the Visy Pulp & Paper pulp mill at Tumut for a total value in excess of \$250,000.

Using Turboscrubber™ fluid bed technology, the contract is due for completion by January 2005. EGL has the exclusive license for Turboscrubber™ 's which have been rapidly gaining acceptance. It is the third sale of its type this year and there are a number of other applications currently being evaluated.

For further information, please contact Mr. Howard Johnson on (02) 8858 3499.
