Dear Mr Farina,

Application for Trading Halt-Dulhunty Power Ltd (DUL)

DUL requests that ASX Limited grant an immediate trading halt for the ordinary shares (ASX:DUL) of Dulhunty Power Ltd.

The reason for the requested trading halt is to allow consideration of an unsolicited and highly conditional offer received by the company for substantial assets of the company.

DUL requests the trading halt to continue until the earlier of the commencement of normal trading on Monday 11th October and when DUL makes an announcement to the market and requests the trading halt be lifted.

DUL is not aware of any reason why the trading halt should not be granted.

DUL proposes to make an announcement regarding the proposal received by Monday 11th October.

Please contact the writer should you require any further information to support this application.

Yours Sincerely,

Anthony Wingrove
Managing Director
Dulhunty Power Ltd.
