EXPLANATORY STATEMENT

Purpose of this Explanatory Statement

This Explanatory Statement is provided to Shareholders to explain the Resolutions to be put to Shareholders at the Annual General Meeting to be held at Suite 68, 283 Given Terrace, Paddington Qld 4064 on 17 November 2017 at 10.00 am AEST.

The Directors recommend Shareholders read the accompanying Notice of Meeting and this Explanatory Statement in full before making any decision in relation to the Resolutions.

Receive and Consider the Financial Statements

The *Corporations Act* requires the Financial Report which includes the Financial Statements, Directors' Declaration, Directors' Report and the Auditor's Report to be laid before the Annual General Meeting. There is no requirement either in the *Corporations Act* or in the Constitution of the Company for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Accordingly, the Company's Financial Report is placed before the Shareholders for discussion and no voting is required for this item of business.

Shareholders will have a reasonable opportunity at the Meeting to ask questions and make comments on these reports and on the business and operations of the Company.

Resolution 1: Adoption of Remuneration Report

The Remuneration Report of the Company for the period ended 30 June 2017 is set out in the Directors' Report section of the Company's 2017 Annual Report to Shareholders (**Remuneration Report**).

The Remuneration Report sets out the Company's remuneration arrangements for the executive and non-executive Directors. A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting. In addition, section 250R(2) of the *Corporations Act* requires that Resolution 1 be put to a vote. However, the vote on this Resolution is only advisory and does not bind the Company or its Directors.

For proxies without voting instructions that are exercisable by the Chairman, the Chairman intends to vote undirected proxies in favour of each Resolution. If you wish to appoint the Chairman as your proxy with a direction to vote against, or to abstain from voting on an item of business, you should specify this by completing the appropriate 'Against' or 'Abstain' box on the proxy appointment form. The Chairman is deemed to be appointed where a signed proxy form is returned which does not contain the name of the proxy or where the person appointed on the form is absent.

In addition, the *Corporations Act* provides for a "two strikes" rule in relation to the adoption of the Remuneration Report, meaning that if 25% or more of votes cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (referred to as a "spill resolution") to determine whether another meeting should be held (within 90 days) at which all of the Directors (other than the Managing Director) must go up for re-election. No strike was recorded at the Company's previous annual general meeting. On this basis, while the vote on the Remuneration Report at this Meeting may potentially be counted towards two strikes in the future, no board spill can occur this year.

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

Resolution 2 – Re-Election of Mr James Brown as a Director

In accordance with Director rotational retirement provisions of the Company's Constitution and ASX Listing Rules 14.5, Mr James Brown is due to retire at this Meeting and being eligible, offers himself for re-election at this Meeting.

Mr Brown is a mining engineer with more than 30 years' experience in the coal mining industry in Australia and Indonesia, including 22 years at New Hope Corporation. He was appointed as Managing Director of Altura in September, 2010 and was previously Altura's Group General Manager since December 2008. His coal development and operations experience includes the New Acland and Jeebropilly mines in South East Queensland, the Adaro and Multi Harapan Utama operations in Indonesia and Blair Athol in the Bowen Basin in Central Queensland.

The Board (with Mr Brown abstaining) supports the re-election of Mr Brown.

Resolutions 3 and 4 – Ratification of placements of Shares to Richard Faucher Consulting Inc and Kiwi Financial Corporation

Background to Resolutions 3 and 4:

The Company's corporate strategy is focused on sourcing and developing the raw materials required to construct lithium-ion batteries for use in the rapidly growing new and green technology sectors. To this end, the Company has assembled a portfolio of exploration and development assets. As part of this process, the Company engages third parties from time to time to assist in identifying appropriate assets for consideration by the Company. Richard Faucher Consulting Inc. (**Faucher**) and Kiwi Financial Corporation (**Kiwi**) were engaged to identify suitable projects in Quebec, Canada and their services led to the Company's announcement on 3 May 2016 of the proposed acquisition of the Authier Lithium Project in Quebec, Canada.

Pursuant to the agreements with Faucher and Kiwi, the Company issued 1,500,000 Shares to each on 12 December 2016.

ASX Listing Rules:

The purpose of Resolutions 3 and 4 is for Shareholders to approve, pursuant to Listing Rule 7.4, the previous allotment and issue of Equity Securities, which will otherwise count towards the Company's 15% equity issue capacity under Listing Rule 7.1.

Listing Rule 7.1 provides that (subject to certain exceptions) prior approval of Shareholders is required for an issue of Equity Securities if the Equity Securities will, when aggregated with the Equity Securities issued by the Company during the previous 12 months, exceed 15% of the number of the Shares on issue at the commencement of that 12 month period.

The issue of the Shares to Faucher and Kiwi (set out below) did not exceed the 15% threshold. However, Listing Rule 7.4 provides that where a company subsequently approves an issue of Equity Securities, the issue will be treated as having been made with approval for the purpose of Listing Rule 7.1, thereby replenishing that company's 15% Equity Security issue capacity and enabling it to issue further Shares without Shareholders' approval up to that limit.

Resolutions 3 and 4 proposes the approval of the issue of Equity Securities to Faucher and Kiwi for the purpose of Listing Rule 7.4. The effect of Resolutions 3 and 4, if approved by Shareholders, is that the Shares issued to Faucher and Kiwi on 12 January 2017 will not count towards the Company's 15% issue capacity.

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided with regard to Resolutions 3 and 4:

	Resolution 3	Resolution 4
Name of person to whom Shares securities were issued	Faucher Consulting Inc	Kiwi Financial Corporation
Date of issue	12 January 2017	12 January 2017

Resolutions 5 and 6 – Ratification of Share placement to SMSF Specialists (SA) Pty Ltd and persons introduced by SMSF

Background to Resolutions 5 and 6:

On 12 December 2016, the Company announced on ASX that it had executed an underwriting agreement (**SMSF Agreement**) with SMSF Specialists (SA) Pty Ltd (**SMSF**) in respect of the Company's listed 3 cent options that were to expire on 30 December 2016. Pursuant to the SMSF Agreement, SMSF undertook to subscribe for Shares at 3 cents each (i.e. on the same terms as the underlying listed options) up to an aggregate amount of \$450,000 to the extent that the listed options were not otherwise exercised or placed before 30 December 2016.

In consideration, the Company undertook to issue Shares to SMSF equivalent to 6% of funds raised, at an issue price of 3 cents per Share.

On 12 January 2017, the Company announced on ASX that exercise of the listed options raised a total of \$1,309,810, while an additional \$570,000 was raised by placement of Shares to investors introduced by SMSF, resulting in the issue of 19,000,000 Shares to such investors. This placement increased total proceeds from the listed options to \$1,879,810.

In accordance with the SMSF Agreement, the Company issued an additional 1,710,000 Shares to SMSF on 11 January 2017 in consideration under the SMSF Agreement.

ASX Listing Rules:

Shareholders are directed to the note concerning ASX Listing Rules 7.4 and 7.1 in the discussion concerning Resolutions 3 and 4. Those Listing Rules also apply to Resolutions 5 and 6.

The purpose of Resolutions 5 and 6 is for Shareholders to approve, pursuant to Listing Rule 7.4, the previous allotment and issue of Equity Securities, which will otherwise count towards the Company's 15% equity issue capacity under Listing Rule 7.1.

Resolutions 5 and 6 propose the approval of the issue of securities to SMSF (Resolution 5) and investors introduced by SMSF (Resolution 6), respectively for the purpose of Listing Rule 7.4. The effect of Resolutions 5 and 6, if approved by Shareholders, is that the Shares issued to SMSF (Resolution 5) and investors introduced by SMSF to the Company (Resolution 6) will not count towards the Company's 15% issue capacity.

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided with regard to Resolution 5:

	Resolution 5	Resolution 6
Name of person to whom Shares securities were issued	Investors identified by SMSF and introduced to the Company.	SMSF Specialists (SA) Pty Ltd
Date of issue	11 January 2017	11 January 2017

Issue price of securities	Shares were issued at \$0.03 per Share	Shares were issued at \$0.03 per Share
Terms of issue	The Shares were issued having the terms set out in the Company's Constitution.	The Shares were issued having the terms set out in the Company's Constitution.
Use of funds	Working capital and development of the Company's Authier project.	Working capital and development of the Company's Authier project.

Resolution 7 – Ratification of Share placement to investors introduced by Patersons Securities Limited

Background to Resolution 7:

On 25 and 26 May 2017, the Company announced on ASX the completion of its Share Purchase Plan (SPP) pursuant to which the Company raised \$1,500,000 by the allotment of 147,371,469 Shares, represented by the allotment of 47,371,469 Shares at an issue price of \$0.017 per Share to subscribers under the SPP, raising \$805,314 and allotment of 40,863,882 Shares at an issue price of \$0.017 per Share to investors introduced by Paterson Securities Limited (**Patersons**) as underwriter of the SPP, raising \$694,686.

ASX Listing Rules:

Shareholders are directed to the note concerning ASX Listing Rules 7.4 and 7.1 in the discussion concerning Resolutions 3 and 4. Those Listing Rules also apply to Resolution 7. Shareholders should note that the issue of Shares by the Company under its SPP does not affect the Company's 15% Equity Security issue capacity under ASX Listing Rule 7.1, because of ASX Listing Rule 7.2 Exception 15.

The purpose of Resolution 7 is for Shareholders to approve, pursuant to Listing Rule 7.4, the previous allotment and issue of Equity Securities, which will otherwise count towards the Company's 15% equity issue capacity under Listing Rule 7.1. Resolution 7 therefore proposes the approval of the issue of Shares to Patersons for the purpose of Listing Rule 7.4.

The effect of Resolution 7, if approved by Shareholders, is that the Shares issued to Patersons in consideration of its underwriting of the SPP will not count towards the Company's 15% issue capacity.

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided with regard to Resolution 7:

Name of person to whom Shares securities were issued	Investors identified by Patersons Securities Limited and introduced to the Company
Date of issue	25 May 2017
Number of securities issued	40,863,882 Shares
Issue price of securities	Shares were issued at \$0.0017 per Share
Terms of issue	The Shares were issued having the terms set out in the Company's Constitution.
Use of funds	Working capital and development of the Company's Authier project.

Resolution 8 – Approval of 10% Placement Facility

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued Share capital through placements over a 12 month period after the AGM (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company is seeking a mandate to issue securities under the additional 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

The Board believes that this Resolution 8 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution 8.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an AGM.

- (iv) less the number of fully paid Shares cancelled in the 12 months.

'D' is 10%;

‘E’ is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

- (i) 146,222,933 Equity Securities under Listing Rule 7.1; and
- (ii) 97,481,955 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section (c) above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the volume weighted average price (VWAP) of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

or such longer period if allowed by ASX (**10% Placement Period**).

Listing Rule 7.1A

The effect of this Resolution 8 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company’s 15% placement capacity under Listing Rule 7.1.

Resolution 8 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company’s Equity Securities over the 15 Trading Days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- (b) If this Resolution 8 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power and economic interest in the Company will be diluted as shown in the below table. There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this document.

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Table 1

Variable "A"		No. of Shares issued under 10% placement capacity	Funds Raised based on:		
			Issue price at 50% decrease to current price	Issue price at current price	Issue price at 50% increase in current price
			\$0.0125	\$0.0250	\$0.0375
Current	801,963,882	80,196,388	\$1,002,455	\$2,004,910	\$3,007,365
150%	1,202,945,823	120,294,582	\$1,503,682	\$3,007,365	\$4,511,047
200%	1,603,927,764	160,392,776	\$2,004,910	\$4,009,819	\$6,014,729

The table has been prepared on the following assumptions:

- (i) The Company raises the maximum number of Equity Securities under the 10% Placement Capacity.
 - (ii) No Options (including any options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issue of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - (vii) The issue price is \$0.011, being the closing price of the Shares on ASX on 4 October 2017.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 8 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) for cash consideration, in which case the Company may use the funds raised towards making (or to securing the right to make) one or more acquisitions and/or to further its existing projects; and/or general working capital; or
 - (ii) non-cash consideration for the acquisition of (or securing the right to make acquisitions of) new projects and investments or to further its existing projects. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
 - (ii) the effect of the issues of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this document but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments.

- (f) In accordance with Listing Rule 7.3 A.6 the total number of Equity Securities issued in the 12 months preceding the date of this document is 172,949,735 representing 21.6% of the Equity Securities on issue at the commencement of the 12 month period. The Company has issued the following Equity Securities in the 12 months preceding the date of this document:

- (g) A voting exclusion statement is included in this document. At the date of this document, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in this document.
- (h) The Company previously obtained Shareholder approval under Listing Rule 7.1A on 23 November 2016, which approval will expire on 23 November 2017.

In the 12 months preceding the date of this document, the Company has received total cash consideration from issue of Shares under placements and exercise of unlisted options and performance rights of \$3,574,811. The Company has used approximately \$3,220,000 of the cash consideration received to fund working capital.

The Board intends to use the working capital existing at the date of this document (which includes funds raised pursuant to the above placements) to provide working capital and to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

- (i) A voting exclusion statement is included in the Notice. As at the date of the Notice, the Company has not approached any particular existing security holder or an identifiable class of security holder to participate in the issue of Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion on the Notice.

Directors' recommendation

The Directors recommend that Shareholders approve Resolution 8.

Resolution 8 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Resolution 9: Renewal of Executive Incentive Plan (EIP)

Background

In 2015, Board adopted a new EIP in order to assist in the motivation, retention and reward of Directors, senior management and other selected employees of the Company and its subsidiaries. The Board believes a Long Term Incentive Plan will form an important part of a comprehensive remuneration strategy for the Company's employees and Directors, aligning their interests with those of Shareholders by linking their rewards to the long term success of the Company and its financial performance.

Listing Rule 7.1 imposes a limit on the number of equity securities which the Company can issue in a 12 month period without prior Shareholder approval. Exception 9(b) of Listing Rule 7.2 provides that an issue of securities made under an employee incentive scheme (such as the EIP) is not counted for the purposes of Listing Rule 7.1, provided that certain conditions have been met. One of these conditions is that members have, within the last three years, approved the issue of securities under the scheme as an exception to Listing Rule 7.1.

Such shareholder approval is sought under Resolution 9.

The Directors do not presently have any specific intention to issue Shares that would exceed the Company's capacity to issue Shares under Listing Rule 7.1 in the absence of Shareholder approval. Nevertheless, the Directors wish to preserve the flexibility to issue the full 15% for each of the next three years. Approval under this Resolution 9 will provide more scope for the Company to raise additional equity if required. The EIP has been developed to provide the greatest possible flexibility in choice to the Board in implementing the executive incentive schemes. The EIP enables the Company to offer employees and Directors a number of equity related interests, including Performance Rights and Options.

Approval under listing rule 7.2 Exception 9(b) lasts for 3 years.

Summary of the rules of the EIP

Operation

The Board is responsible for administering the EIP in accordance with the EIP Rules. A grant of Performance Rights and/or Options under the EIP will be subject to both the EIP Rules and the terms and conditions of the specific grant.

Eligibility

The EIP is open to employees (including directors) of the Company who are invited by the Board to participate in the EIP. The Board may invite employees to apply for Performance Rights and/or Options under the EIP in its absolute discretion.

Grant

No payment is required on the grant of a Performance Right and no exercise price is payable upon vested Performance Rights being exercised into a Share.

No payment is required on the grant of an Option. The exercise price of an Option will be determined by the Board in its discretion and specified in the participant's invitation letter.

Vesting

The vesting of a Performance Right will be conditional on the satisfaction of any performance conditions attaching to the Performance Right. Performance conditions will be determined by the Board in its discretion and specified in the participant's invitation letter.

Where relevant performance conditions are met, then the Performance Rights will vest and be available for exercise into Shares.

The vesting of an Option will be conditional on the satisfaction of any performance conditions attaching to the Option. Performance conditions will be determined by the Board in its discretion and specified in the participant's invitation letter.

Where a participant ceases to be an employee of the Company because of total and permanent disability, death or any other circumstance determined by the Board in its discretion, the Board may determine that any of the Performance Rights and/or Options granted to a participant will vest, whether or not the performance conditions attaching to the Performance Rights and/or Options have been met.

Notwithstanding this and subject to the ASX Listing Rules;

- (i) The Board may vest some or all of a participant's Performance Rights and/or Options even if the performance conditions have not been met, if the Board considers that to do so would be in the interests of the Company; and
- (ii) The vesting of a participant's Performance Rights and/or Options may be made subject to certain conditions as determined by the Board.

Lapse of Performance Rights and Options

All Performance Rights and Options that have not vested on or before the expiry date will automatically lapse.

Performance Rights and Options will also lapse if the applicable performance conditions attaching to them are not met within a prescribed period determined by the Board in its discretion.

If the participant ceases to be an employee of the company (other than in circumstances referred to above in *Vesting*), the participant's Performance Rights and/or Options will lapse automatically on cessation of the participant's employment unless the Board determines otherwise within 30 days of the date of cessation of participant's employment.

Conversion

A participant may at any time request the Board to convert any or all of the participant's unvested Performance Rights to Options, or vice versa, at a rate of conversion determined by the Board in its absolute discretion. Any converted Performance Rights or Options will be subject to the same terms and conditions of the original Performance Rights or Options (as applicable) granted to the participant unless otherwise determined by the Board in its discretion.

Dealing with Performance Rights and Options

Performance rights and Options are not transferable, except on the participant's death, to their legal personal representative.

Shares

Each Performance Right will entitle a participant to one Share upon vesting. Each Option will entitle a participant upon vesting to subscribe for one Share at the exercise price specified by the Board in the participant's invitation letter.

Shares issued as a result of the vesting and exercise of Performance Rights and/or Options will rank equally with the Shares currently on issue.

Maximum number of Performance Rights and Options

The Board may grant such number of Performance Rights and/or Options under the EIP as the Board determines so long as no limit specified, imposed or calculated by any relevant policy or guideline of ASIC, including any regulatory guide, class order or condition for relief, is exceeded.

Takeovers

If the event of a takeover bid (as defined in the *Corporations Act*), a participant's Performance Rights and Options will vest immediately to the extent determined by the Board in its discretion and the remaining Performance Rights and Options will lapse.

Reconstruction of capital

If the Company makes a bonus issue, then a participant will become entitled to a proportionately greater number of Shares on vesting of the Performance Rights and/or Options held, as if the Performance Rights and/or Options had vested before the bonus issue. If there is any other form of capital reconstruction, the number of Performance Rights and/or Options will be adjusted in accordance with the ASX Listing Rules.

A participant is not entitled to participate in any new issue of securities in the Company other than as described above.

Amendment of the incentive plan

Subject to the ASX Listing Rules, the Board may amend the rules of the EIP, but no amendment may materially reduce the rights of participants generally in respect of the Performance Rights and/or Options granted to them, except an amendment made primarily to enable compliance with the law governing or regulating the EIP, to correct the manifest error or mistake, to take into account changes in taxation law or to enable compliance with the *Corporations Act* or the ASX Listing Rules.

Number of securities issued under the EIP since the date of last approval

Since the last approval, the following Equity Securities have been issued under the EIP:

Director	Options
Mr Dennis O'Neill (Managing Director)	5,000,000
Mr Paul Crawford (Executive Director)	5,000,000
Mr Allan Buckler (Non Exec. Director)	5,000,000
Mr James Brown (Non Exec. Director)	5,000,000
Mr Corey Nolan	18,000,000
TOTAL	38,000,000
