NOTICE OF ANNUAL GENERAL MEETING

OTHER BUSINESS

To deal with any other business which may be brought forward in accordance with the Constitution and the Corporations Act.

Details of the definitions and abbreviations used in this Notice are set out in the Glossary to the Explanatory Statement.

GENERAL NOTES

1. With respect to Agenda Item 2, the vote on this item is advisory only and does not bind the Directors of the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.
2. **Voting by Proxy:** Sections 250BB and 250BC of the Corporations Act came into effect on 1 July 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Annual General Meeting. Broadly, the changes mean that:
 - if proxy holders vote, they must cast all directed proxies as directed; and
 - if a poll is demanded for a particular resolution, any directed proxies which are not voted (where the appointed proxy is not the chair of the meeting) will automatically default to the Chair, who must vote the proxies as directed.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and

- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

3. The Explanatory Statement to Shareholders attached to this Notice of Annual General Meeting is hereby incorporated into and forms part of this Notice of General Meeting.
4. The Directors have determined in accordance with Regulation 7.11.37 of the Corporations Regulations that, for the purposes of voting at the meeting, shares will be taken to be held by the registered holders at 5.00pm (WST) on 28 November 2018.

EXPLANATORY STATEMENT

The purpose of the Explanatory Statement is to provide shareholders with information concerning all of the Agenda Items in the Notice of Annual General Meeting.

Certain abbreviations and other defined terms are used throughout this Explanatory Statement. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Statement.

1. Discussion of Financial Statements & Reports

The Company's financial reports for the financial year ended 30 June 2018, together with the Directors' reports and the auditor's report are placed before the Annual General Meeting thereby giving shareholders the opportunity to discuss those documents and to ask questions. The auditor will be attending the Annual General Meeting and will be available to answer any questions relevant to:

- the conduct of the audit;
- the preparation and content of the independent audit report;
- the accounting policies adopted by the Company in relation to the preparation of accounts; and
- the independence of the auditor in relation to the conduct of the audit.

Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

2. Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires the Company to present to its Shareholders the Remuneration Report, as disclosed in the Company's Annual Report.

The Resolution is advisory only and does not bind the Directors or the Company. The Annual Report (together with the Remuneration Report) is available on the Company's website (www.enrl.com.au).

Under the Corporations Act, if at least 25% of the votes cast on the resolution to Agenda Item 2 are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at the Company's next Annual General Meeting, the Company will be required to put to Shareholders a resolution proposing the calling of a general meeting to consider the appointment of directors of the Company (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the general meeting (**Spill Meeting**) within 90 days of the Company's Annual General Meeting. All of the Directors who were in office when the Company's Directors' report was approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

The proportion of votes cast against the adoption of the 2017 Remuneration Report was less than 25% of the total votes cast. Accordingly the Spill Resolution is not relevant for this Annual General Meeting.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to the Directors and sets out the Company's remuneration arrangements for each of the Directors and senior management of the Company for the financial year ended 30 June 2018. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2018.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

The Board considers that its current practices of setting executive and non-executive remuneration are within normal industry expectations, and provides an effective balance between the need to attract and retain the services of the highly skilled key management personnel that the Company requires. As such the directors recommend that shareholders vote in favour of the resolution to Agenda Item 2.

EXPLANATORY STATEMENT

2. Adoption of Remuneration Report (Continued)

Voting

Note that a voting exclusion applies to Agenda Item 2 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters may not vote on this Resolution and may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise your proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

By appointing the Chair as proxy, and not providing voting directions, you are considered to have expressly authorised the Chair to exercise your proxy, even though the resolution may be connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chair will use any such proxies to vote in favour of the Resolution.

Shareholders are urged to carefully read the proxy form and provide a direction to the proxy on how to vote on this Resolution.

3. Re-Election of Director – Dr Jon Hronsky (*BAppSci, PhD, MAusImMM, FSEG*) as an Ordinary Resolution

Experience

Dr. Hronsky has more than twenty five years of experience in the mineral exploration industry, primarily focused on project generation, technical innovation and exploration strategy development. Dr. Hronsky has particular expertise in targeting for nickel sulfide deposits, but has worked across a diverse range of commodities. His work led to the discovery of the West Musgrave nickel sulfide province in Western Australia. Dr. Hronsky was Manager-Strategy & Generative Services for BHP Billiton Mineral Exploration. Prior to that, he was Global Geoscience Leader for WMC Resources Ltd. He is currently a Director of exploration consulting group Western Mining Services and Chairman of the board of management of the Centre for Exploration Targeting at the University of Western Australia.

Term of Office

Dr Hronsky was appointed as Director of Company on 10 May 2007.

Independence

The Board of Encounter Resources Limited considers Dr Hronsky to be an Independent Director.

Special Responsibilities

Dr Hronsky is Chair of the Company's Audit Committee.

Directors' Recommendation

The Board (excluding Dr Hronsky) supports the proposed re-election and recommends that Shareholders vote in favour of the re-election of Dr Hronsky as a Director.

4. Approval of Additional 10% Placement Capacity as a Special Resolution

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital over a 12 month period after the Annual General Meeting at which a resolution for the purposes of Listing Rule 7.1A is passed by special resolution (**Additional 10% Placement Capacity**). The Additional 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity will be eligible to seek approval under Listing Rule 7.1A if: (a) the entity has a market capitalisation of \$300 million or less; and (b) the entity that is not included in the S&P ASX 300 Index. The Company's market capitalisation as at 12 October 2018 was \$11.5m and therefore the Board considers that it is an eligible entity for the purposes of Listing Rule 7.1A.

EXPLANATORY STATEMENT

4. Approval of Additional 10% Placement Capacity (Continued)

The number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula set out in Listing Rule 7.1A.2.

$(A \times B) - E$

Where,

A = Has the same meaning as in Listing Rule 7.1

B = 10%

E = The number of equity securities issued or agreed to be issued under Listing Rule 7.1A2 in the 12 months before the issue date or date of agreement to issue that are not issued with the approval of holders of ordinary securities under Listing Rule 7.1 or 7.4.

The Company is putting Agenda Item 4 to Shareholders to seek approval to issue additional Equity Securities under the Additional 10% Placement Capacity.

This Resolution does not mean that the Company will necessarily utilise the 10% Additional Placement Capacity. Rather, capital markets have recently been in a state of fluctuation and the Directors acknowledge that they may need to act quickly to raise funds when favourable markets emerge. The Company's failure to raise capital, if and when needed, could delay or suspend the Company's business strategy and could have a material adverse effect on the Company's activities. Under these circumstances, the Additional 10% Placement Capacity will provide flexibility for the Company to issue additional securities, in the event that the Directors determine that the issue of the additional securities is in the interests of the Shareholders and the Company in achieving its objectives.

Listing Rule 7.1A

The effect of Agenda Item 4 will be to permit the Company to issue the Equity Securities under Listing Rule 7.1A during the Additional Placement Period (as defined below) without using the Company's 15% placement capacity under Listing Rule 7.1.

Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company. As at the date of this Notice the Company has quoted securities in the form of Shares on issue.

As at the date of this Notice, the Company has 238,375,092 Shares on issue and therefore, subject to Shareholder approval being sought under Agenda Item 4, up to 23,837,509 Equity Securities will be permitted to be issued in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Additional 10% Placement Capacity is a moving calculation and will be based on the formula set out in Listing Rule 7.1A at the time of issue of the Equity Securities. The table on the page below demonstrates various examples as to the number of Equity Securities that may be issued under the Additional 10% Placement Capacity.

The resolution the subject of Agenda Item 4 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

Specific information required by Listing Rule 7.3A

The following information in relation to the Shares to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

4. Approval of Additional 10% Placement Capacity (Continued)

Specific information required by Listing Rule 7.3A (Continued)

(b) If the resolution the subject of Agenda Item 4 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Capacity, the existing Shareholders' economic and voting interests in the Company will be diluted. There is also a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date of the Equity Securities.

The table below shows the dilution of existing Shareholders of the issue of the maximum number of Equity Securities under the Additional 10% Placement Capacity using different variables for the number of ordinary securities for variable "A" (as defined in Listing Rule 7.1A) and the market price of Shares. It is noted that variable "A" is based on the number of ordinary securities the Company has on issue at the time of the proposed issue of Equity Securities.

The table shows:

- (i) examples of where variable "A" is at its current level, and where variable "A" has increased by 50% and by 100%;
- (ii) examples of where the issue price of ordinary securities is the current market price as at close of trade on 12 October 2018 (current market price), where the issue price is halved, and where it is doubled; and
- (iii) the dilutionary effect will always be 10% if the maximum number of Equity Securities that may be issued under the Additional 10% Placement Capacity are issued.

4. Approval of Additional 10% Placement Capacity (Continued)

- (iii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholders holding at the date of the Annual General Meeting;
 - (iv) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (c) Approval of the Additional 10% Placement Capacity will be valid from the date of the Annual General Meeting and will expire on the earlier of:
 - (i) the date that is 12 months after the date of the Annual General Meeting; and
 - (ii) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),
(Additional Placement Period).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
 - (i) cash consideration. If Equity Securities are issued for cash consideration, the Company intends to use the funds to advance its exploration programs and general working capital purposes; or
 - (ii) non-cash consideration for the acquisition of new assets or any other consideration other than cash. If Equity Securities are issued for non-cash consideration, the Company will comply with the minimum issue price limitation under Listing Rule 7.1A.3 in relation to such issue and will release the valuation of the non-cash consideration to the market.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy for the issue of Equity Securities under the Additional 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s). Securities allotted pursuant to the allocation policy will be determined following consideration of a number of factors including, but not limited to, the following matters:
 - (i) the ability of the Company to raise funds at the time of the proposed issue of Equity Securities;
 - (ii) the dilutionary effect of the proposed of the issue of the Equity Securities on existing Shareholders at the time of proposed issued of Equity Securities;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).

At the date of this Notice, the Company has not formed an intention as to whether the securities will be offered to existing security holders, or to any class or group of existing security holders, or whether the securities will be offered exclusively to new investors that have not previously been security holders of the Company. The Company will give consideration before making any placement of securities under Listing Rule 7.1A whether the raising of any funds under such placement could be carried out in whole, or in part, by an entitlement offer to existing security holders.

The allottees under the Additional 10% Placement Capacity have not been determined as at the date of this Notice but will not include related parties (or their associates) of the Company.

- (f) The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its 2017 Annual General Meeting on 30 November 2017 and the Company has issued 19,175,776 securities pursuant to that Listing Rule 7.1A approval.

Directors Recommendation

The Board recommends Shareholders vote in favour of Agenda Item 4.

EXPLANATORY STATEMENT

5. Adoption of the Encounter Resources Limited Employee Share Option Plan
as an Ordinary Resolution

Agenda Item 5 seeks Shareholder approval for the adoption of an Employee Share Option Plan (Plan) in accordance with Exception 9 of ASX Listing Rule 7.2.

The Directors adopted the Encounter Resources Limited Employee Share Option Plan (**Plan**) on 27 September 2012 and was last approved by Shareholders on 27 November 2015.

The Plan is designed to provide incentives to the employees and Directors of the Company and to recognise their contribution to the Company's success. Under the Company's current circumstances the Directors consider that the incentives to employees and Directors are a cost effective and efficient incentive for the Company as opposed to alternative forms of incentives such as cash bonuses or increased remuneration. To enable the Company to secure employees and Directors who can assist the Company in achieving its objectives, it is necessary to provide remuneration and incentives to such personnel. The Plan is designed to achieve this objective, by encouraging continued improvement in performance over time and by encouraging personnel to acquire and retain significant shareholdings in the Company.

The Plan incorporates the facility for Participants to undertake a 'cash less exercise', whereby, in lieu of paying the aggregate exercise price to purchase the Shares, the Board may, in its sole and absolute discretion, permit a Participant to elect to receive a reduced number of Shares, in lieu of payment of cash or other consideration.

The number of Shares received will be determined in accordance with the following formula:

$$A = \frac{B(C - D)}{C}$$

where:

A = the number of Shares (rounded down to the nearest whole number) to be issued to the Participant;

B = the number of Shares otherwise issuable upon the exercise of the Option or portion of the Option being exercised;

C = the Market Value of one Share determined as of the date of delivery to the Company Secretary; and

D = the exercise price.

For example, if a Participant holds 50 Options (which have vested and are therefore capable of exercise), each with an exercise price of \$1.00 and they elect to exercise all of their Options by paying the exercise price, they would pay \$50 and receive 50 Shares. However, if the Participant elects their rights under the cashless exercise facility, and the Market Value of one Share prior to exercise is \$1.50, the Participant will pay no cash and receive 16 Shares (being $50(\$1.50 - \$1.00)/\$1.50 = 16.67$, rounded down to 16 Shares).

Shareholder approval is required if any issue of Options pursuant to the Plan is to fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 on the number of securities which may be issued without Shareholder approval. Accordingly, Shareholder approval is sought for the purposes of Listing Rule 7.2 Exception 9(b) which provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme that has been approved by the holders of ordinary securities within three years of the date of issue.

Prior Shareholder approval will be required before any Director or related party of the Company can participate in the Plan.

Under the Plan, the Board may offer to eligible employees of the Company, the opportunity to subscribe for such number of Options in the Company as the Board may decide and on the terms set out in the rules of the Plan. Options granted under the Plan will be offered to participants in the Plan on the basis of the Board's view of the contribution of the eligible person to the Company.

If Agenda Item 5 is passed, the Company will be able to issue Shares under the Plan without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 3 year period.

6 Approval of the Grant of Options to Directors – Mr Peter Bewick and Dr Jon Hronsky

Agenda items 6 and 7 seek Shareholder approval to allow the Company to issue 3,000,000 Options to Mr Peter Bewick, Executive Director (or his nominee) and 1,000,000 Options to Dr Jon Hronsky, one of the Non-Executive Directors of the Company, (or his nominee).

The number of Incentive Options to be granted to each of the Participating Directors has been determined based upon a consideration of:

- (a) the remuneration / fees of the Participating Directors;
- (b) the Directors' wish to ensure that the remuneration / fees offered is competitive with market standards. The Directors have considered the proposed number of Incentive Options to be granted will ensure that the Participating Directors' overall remuneration / fees is in line with market standards; and
- (c) incentives to attract and ensure continuity of service of Directors who have appropriate knowledge and expertise.

Listing Rule 10.11 and Corporations Act Chapter 2E

Listing Rule 10.11 provides that a Company must not issue equity securities (including options) to a related party of the company, such as a director, without the Company obtaining its Shareholders approval. If Shareholder approval is given under Listing Rule 10.11, Listing Rule 7.2, Exception 14 provides that approval is not required under Listing Rule 7.1.

The grant of Options to Mr Bewick and Dr Hronsky, and the potential allotment and issue of Shares pursuant to the same will constitute the giving of a financial benefit to a related party of the Company, for which Shareholder approval is usually required pursuant to Section 208 of the Corporations Act.

There are various exceptions to the requirement for Shareholder approval. This includes, in accordance with Section 211 of the Corporations Act, where the benefit is remuneration to a related party as an officer or employee of the Company, and to give the remuneration would be reasonable given:

- the circumstances of the Company in giving the remuneration; and
- the related party's circumstances (including the responsibilities involved in the office or employment)

EXPLANATORY STATEMENT**6. Approval of the Grant of Options to Directors – Mr Peter Bewick and Dr Jon Hronsky (Continued)**

The Board is of the view that the exception in Section 211 of the Corporations Act is relevant to the financial benefits to be granted to Mr Bewick and Dr Hronsky under their engagement as Officers of the Company. Further, the Board believes that the financial benefits available to Mr Bewick and Dr Hronsky pursuant to the proposed grant of Options are commensurate with the responsibilities and performance levels expected of them.

Accordingly, the Company is not seeking the approval of Shareholders under Section 208 of the Corporations Act.

The following information is provided to Shareholders to allow them to assess the proposed resolution:

(a) The related party to whom the proposed resolution would permit the financial benefit to be given.

Subject to Shareholder approval, the Incentive Options will be granted to Mr Peter Bewick, Executive Director and Dr Jon Hronsky, Non-Executive Director, or their respective nominees.

(b) Nature of the Financial Benefit

The proposed financial benefit to be given is the grant of 3,000,000 unlisted options to Mr Bewick and 1,000,000 unlisted options to Dr Hronsky, for no consideration, to subscribe for fully paid ordinary shares in the capital of the company.

The exercise price and expiry date of the Incentive Options are as follows:

<i>Director</i>	<i>Number of Options</i>	<i>Exercise Price</i>	<i>Expiry Date</i>
Peter Bewick	1,500,000	150% of the market closing Share price on the day prior to grant of the Options	4 years from the date of grant of the Options
	1,500,000	200% of the market closing Share price on the day prior to grant of the Options	5 years from the date of grant of the Options
Jon Hronsky	1,000,000	150% of the market closing Share price on the day prior to grant of the Options	4 years from the date of grant of the Options

The Incentive Options will have an expiry dates as disclosed in the table above and will be issued in accordance with terms and conditions as set out in Schedule 1 of this Explanatory Statement.

The Directors of the Company consider the indicative theoretical value attributable to the Incentive Options at a valuation date of 12 October 2018 to be as follows, notwithstanding that the Incentive Options will not be issued until after 30 November 2018 being the date of the Annual General Meeting of the Shareholders of the company.

<i>Director</i>	<i>Exercise Price</i>	<i>Expiry Date</i>	<i>Theoretical Value</i>
Peter Bewick	7.5 cents	31 October 2022	2.19 cents
	10 cents	31 October 2023	2.18 cents
Jon Hronsky	7.5 cents	31 October 2022	2.19 cents

The Black and Scholes option valuation methodology was used as a basis for the calculations using the following assumptions:

The share price of a fully paid Share as at the valuation date of 12 October 2018 was \$0.048.

The risk free interest rate used was 2.29% (based on the 5 year Reserve Bank treasury bond rates respectively as at 12 October 2018).

A volatility factor of 71.5% was used to value the options as determined using the daily closing share prices for the last 12 months.

ENCOUNTER RESOURCES LIMITED

ABN 47 109 815 796

EXPLANATORY STATEMENT**6. Approval of the Grant of Options to Directors – Mr Peter Bewick and Dr Jon Hronsky (Continued)**

The Black and Scholes option pricing model assumes that the Incentive Options the subject of the valuation can be sold on a secondary market. The terms and conditions of the proposed Incentive Options state that the Incentive Options shall not be listed for official quotation on ASX. In addition, the Incentive Options are not transferable. Accordingly, in determining the indicative value of the Incentive Options the Company has applied a 30% discount to the theoretical value of attributed to the Black and Scholes option pricing model.

Based on the above assumptions, the value of the 4,000,000 Incentive Options using the indicative values attributed is as follows:

<i>Director</i>	<i>Theoretical Value per Option (cents)</i>	<i>Discount (%)</i>	<i>Indicative value per Option (cents)</i>	<i>Number of Options issued</i>	<i>Total value (\$)</i>
Peter Bewick	2.19	30%	1.53	1,500,000	\$22,950
	2.18	30%	1.52	1,500,000	\$22,800
Jon Hronsky	2.19	30%	1.53	1,000,000	\$15,300

Any change in the variables applied in the Black and Scholes calculation between the date of the valuation and the date the Incentive Options are granted would have an impact on their value.

(c) Directors Recommendation

Messrs Chapman, Robinson and Hronsky (who have no interest in the outcome of Agenda Item 6) recommend that Shareholders vote in favour of Agenda Item 6 as they believe the issue of the Incentive Options to Mr Bewick (or his nominee) is in the best interests of the Company because the Incentive Options provide Mr Bewick with an incentive to enhance the future value of the Company's Shares for the benefit of all Shareholders, and also an appropriate way to retain Mr Bewick's professional services at reasonable market rates.

Mr Bewick declines to make a recommendation on Agenda Item 6 because he has a material personal interest in the outcome of the Resolution, on the basis that he (or his nominee) is to be granted Incentive Options should the Resolution be passed.

Messrs Chapman, Robinson and Bewick (who have no interest in the outcome of Agenda Item 7) recommend that Shareholders vote in favour of Agenda Item 7 as they believe the issue of the Incentive Options to Dr Hronsky is in the best interests of the Company because the Incentive Options provide Dr Hronsky with an incentive to enhance the future value of the Company's Shares for the benefit of all Shareholders, and also an appropriate way to retain Dr Hronsky's professional services at reasonable market rates.

Dr Hronsky declines to make a recommendation on Agenda Item 7 because he has a material personal interest in the outcome of the Resolution, on the basis that he (or his nominee) is to be granted Incentive Options should the Resolution be passed.

(d) Directors Interest

Mr Bewick has a personal interest in the outcome of the resolution the subject of Agenda Item 6.

Dr Hronsky has a personal interest in the outcome of the resolution the subject of Agenda Item 7.

With the exception of Mr Bewick and Dr Hronsky, no other Director has a personal interest in the outcome of the resolutions.

EXPLANATORY STATEMENT

6. Approval of the Grant of Options to Directors – Mr Peter Bewick and Dr Jon Hronsky (Continued)

(e) Terms and Conditions of Options

The terms and conditions of the Incentive Options proposed to be granted to the Participating Directors are included at Schedule 2.

The Incentive Options will also have the following specific terms:

1. the key terms, as set out in Section 6(b) above; and
2. the benefit of the cashless exercise facility on the terms and conditions set out in Schedule 2.

(f) Other information reasonably required by the members to make a decision and that is known to the Company or any of its Directors

The Incentive Options form part of the Company's long term incentive for employees and are to be granted in addition to the total fixed remuneration/fees set out below. The exercise price of the Incentive Options is linked to improved share price performance. Importantly, this provides ongoing incentive to increase shareholder value over time and the exercise price reflects levels in excess of the current market price of the Company's Shares.

Exercise of the Incentive Options is allowable immediately after issue, but only likely to occur if there is sustained upward movement in the Company's Share price.

The number of Incentive Options to be issued to Mr Bewick and Dr Hronsky has been determined based on the reasons outlined in the director's recommendation to shareholders at item (c). The number of Incentive Options has also been determined having regard to less tangible issues such as alignment of interests to the Company.

The Incentive Options shall be granted free to Mr Bewick and Dr Hronsky (or their respective nominees) and will be issued within one month of the date of the meeting.

If the Incentive Options proposed to be granted to Mr Bewick and Dr Hronsky (or their nominee) under Agenda Items 6 and 7 are exercised, the Company's issued Share capital would increase by a maximum of 4,000,000 Shares to a total of issued Share capital of 242,375,092 Shares (assuming no other Shares are issued or outstanding Options are exercised), and will represent a maximum of approximately 1.6% of the total issued capital of the Company on a fully diluted basis. The maximum dilution stated is calculated based on all of the Incentive Options being exercised by payment of the exercise price in full.

The Incentive Options proposed to be granted under Agenda Items 5 and 6 are subject to cashless exercise provisions consistent with those provisions the subject of the Encounter Resources Limited Employee Share Option Plan. Should Mr Bewick or Dr Hronsky elect to utilize the cash less exercise provisions this would result in a lesser number of shares to be issued, and a reduction in the funds receivable by the Company, on the exercise of the Incentive Options.

- (b) Whether or not the Board determines to accelerate the vesting of any options, the Company shall give written notice of any proposed Change of Control Event to the Optionholder. Upon the giving of any such notice the Optionholder shall be entitled to exercise, at any time within the 14-day period following the giving of such notice, all or a portion of those options granted to the Optionholder which are then vested and exercisable in accordance with their terms, as well as any unvested Options which shall become vested and exercisable in connection with the completion of such Change of Control Event. Unless the Board determines otherwise (in its sole and absolute discretion), upon the expiration of such 14 day period, all rights of the Optionholder to exercise any outstanding options, whether vested or unvested, shall terminate and all such options shall immediately lapse, expire and cease to have any further force or effect, subject to the completion of the relevant Change of Control Event.

4. Participation Rights

- 4.1 The Optionholder is not entitled to participate in any new issue of securities to existing holders of Shares in the Company unless:
 - (a) the Optionholder has become entitled to exercise the options under clauses 1.6, 2 or 3; and
 - (b) the Optionholder does so before the record date for the determination of entitlements to the new issue of securities and participates as a result of being a holder of Shares.

The Company must give the Optionholder, in accordance with the Listing Rules, notice of any new issue of securities before the record date for determining entitlements to the new issue.

- 4.2 In the event of a bonus issue of Shares being made pro-rata to shareholders (Bonus Issue), the number of Shares issued to an Optionholder on exercise of each option will include the number of Shares that would have been issued to the Optionholder if the option had been exercised prior to the record date for the Bonus Issue (Bonus Shares). No adjustment will be made to the Exercise Price. The Bonus Shares must be paid up by the Company out of the profits or reserves (as the case may be) in the same manner as was applied in the Bonus Issue and upon issue rank pari passu in all respects with the other Shares of that class on issue at the date of issue of the Bonus Shares.
- 4.3 If the Company makes a pro rata issue of securities (except a bonus issue) to the holders of Shares the Exercise Price shall be reduced according to the formula specified in the Listing Rules.
- 4.4 If, prior to the expiry of any options, there is a reorganisation (including a consolidation, subdivision, reduction or return) of the issued capital of the Company, then the rights of a Participant (including the number of options to which each Optionholder is entitled and the Exercise Price) will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.
- 4.5 If, prior to the expiry of any options, a resolution for a members' voluntary winding up of the Company is proposed (other than the purpose of a reconstruction or amalgamation) the Board may, in its absolute discretion, give written notice to Optionholder of the proposed resolution. Subject to the Exercise Conditions, the Optionholder may, during the period referred to in the notice, exercise their options.
- 4.6 The options will not give any right to participate in dividends until Shares are allotted pursuant to the exercise of the relevant options.

SCHEDULE 2 – TERMS AND CONDITIONS OF OPTIONS

The following is a summary of the key terms and conditions of the Options to be issued to Participating Directors (Eligible Participants) pursuant to Agenda Items 6 and 7:

1. General

- 1.1 No monies will be payable for the grant of the options.
- 1.2 A certificate will be issued for the options.
- 1.3 The options will not be listed for Official Quotation.
- 1.4 The options are not transferable.
- 1.5 Each option shall carry the right to subscribe for one Share upon exercise of the option.
- 1.6 The options shall expire at 5.00pm WST on the Expiry date.
- 1.7 Subject to clauses 1.6, 2 and 3, the options may be exercised by the Optionholder at any time, but subject to the prior satisfaction of the Exercise Conditions (if any).
- 1.8 The Board may, at its discretion, by notice to the Optionholder adjust or vary the terms of an option, subject to the requirements of the Listing Rules. No adjustment or variation will be made without the consent of the Optionholder if such adjustment or variation would have a materially prejudicial effect upon the Optionholder (in respect of their outstanding options).
- 1.9 Options may only be exercised by delivery to the Company Secretary (at a time when the options may be exercised) of:
 - (a) the certificate for the options or, if the certificate for the options has been lost or destroyed, a declaration to that effect, accompanied by an indemnity in favour of the Company against any loss, costs or expenses which might be incurred by the Company as a consequence of its relying on the declaration that the certificate has been lost or destroyed;
 - (b) a notice, in the required form, addressed to the Company and signed by the Optionholder stating that the Optionholder exercises the options and specifying the number of options which are exercised; and
 - (c) subject to clause 1.10, payment to the Company of an amount equal to the Exercise Price multiplied by the number of options which are being exercised unless there is no exercise price payable in respect of the options to be exercised. Unless clause 1.10 applies, the notice is only effective (and only becomes effective) when the Company has received value for the full amount of the Exercise Price (for example, if the Exercise Price is paid by cheque, by clearance of that cheque) by the Expiry Date and subject to the options the subject of the notice vesting in accordance with any Exercise Conditions stipulated in these terms and conditions.
- 1.10 In lieu of paying the aggregate Exercise Price to purchase Shares under clause 1.9(c), the Optionholder may, at the Board's sole and absolute discretion, elect to receive, without payment of cash or other consideration, upon surrender of the applicable portion of exercisable Options to the Company, a number of Shares determined in accordance with the following formula (a Cashless Exercise):

$$A = \frac{B(C - D)}{C}$$

where:

A = the number of Shares (rounded down to the nearest whole number) to be issued to the optionholder;
B = the number of Shares otherwise issuable upon the exercise of the Options or portion of the Options being exercised;
C = the Market Value of one Share determined as of the date of delivery to the Company Secretary; and
D = the Exercise Price.

- 1.11 Options may be exercised in one or more parcels of any size, provided that the number of Shares issued upon exercise of the number of options in any parcel is not less than a Marketable Parcel. An exercise of only some options shall not affect the rights of the Optionholder to the balance of the options held by the Optionholder.
- 1.12 The Company shall allot the resultant Shares and deliver the holding statements within 10 Business Days of the exercise of the option.

 in accordance with clause 2.3(c) and, if the Board exercises that discretion, those unexercisable options will not lapse other than as provided in clause 2.3(c);

 - (d) options which have not been exercised by the end of the period specified in clause 2.3(c) lapse immediately at the end of that period and all rights in respect of those options will thereupon be lost.
- 2.4 Where the Eligible Participant ceases to be an employee or director of, or to render services to, a member of the Group, for any reason whatsoever (including without limitation resignation or termination for cause), prior to the Expiry Date in relation to the options (Ceasing Date) and the Exercise Conditions have been met, the Optionholder will be entitled to exercise options for a period of up to 1 month after the Ceasing Date, after which the options will lapse immediately and all rights in respect of those options will be lost.

- (b) Whether or not the Board determines to accelerate the vesting of any options, the Company shall give written notice of any proposed Change of Control Event to the Optionholder. Upon the giving of any such notice the Optionholder shall be entitled to exercise, at any time within the 14-day period following the giving of such notice, all or a portion of those options granted to the Optionholder which are then vested and exercisable in accordance with their terms, as well as any unvested Options which shall become vested and exercisable in connection with the completion of such Change of Control Event. Unless the Board determines otherwise (in its sole and absolute discretion), upon the expiration of such 14 day period, all rights of the Optionholder to exercise any outstanding options, whether vested or unvested, shall terminate and all such options shall immediately lapse, expire and cease to have any further force or effect, subject to the completion of the relevant Change of Control Event.

No adjustment will be made to the Exercise Price. The Bonus Shares must be paid up by the Company out of the profits or reserves (as the case may be) in the same manner as was applied in the Bonus Issue and upon issue rank pari passu in all respects with the other Shares of that class on issue at the date of issue of the Bonus Shares.
- 4.3 If the Company makes a pro rata issue of securities (except a bonus issue) to the holders of Shares the Exercise Price shall be reduced according to the formula specified in the Listing Rules.
