ASX RELEASE

EOS Finalises Debt Amendment

On 22 December 2023, Electro Optic Systems Holdings Limited ("EOS" or "Company") (ASX: EOS) announced that it has resolved its dispute with its lender, Washington H. Soul Pattinson and Company Limited ("WHSP"). That resolution included an amendment to the debt facility agreement between WHSP and EOS. The amendment was conditional on approval by another finance provider being obtained.

EOS is pleased to advise that this additional approval has now been obtained. As a result, the debt amendment has now been finalised.

This announcement has been authorised by Dr Andreas Schwer, Managing Director & Chief Executive Officer of EOS.

ABOUT ELECTRO OPTIC SYSTEMS (ASX: EOS)

EOS operates in two divisions: Defence Systems and Space Systems

Defence Systems specialises in technology for weapon systems optimisation and integration, as well as ISR (Intelligence, Surveillance and Reconnaissance) and C4 systems for land warfare. Its key products include next-generation remote weapon systems, vehicle turrets, high-energy laser weapons (directed energy), as well as fully integrated and modular counter-UAS and C4 systems.

Space Systems includes all EOS space and communications businesses, and operates as two entities – Space Technologies and EM Solutions. Space Technologies specialises in applying EOS-developed optical sensors and effectors to detect, track and characterise objects in space. It includes capabilities in the domain of space control and space warfare. EM Solutions delivers world-leading RF and optical space communications technology. Its core product range centres around the development and production of high-end, broadband radio transceivers for satellite communications as well as satellite communications-on-the-move terminals for defence and government customers.
