Explanatory Memorandum

Introduction and nature of Meeting

The following information provides a detailed explanation on each Resolution set out in the Notice of Annual General Meeting.

The Directors recommend Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

The Meeting will be held as an in-person meeting and accordingly, participation in the Meeting via electronic device will not be possible.

Annual Report

Shareholders should consider the Annual Report and will be given the opportunity at the meeting to ask questions of the Board of Directors and the Auditor on matters contained in the Annual Report.

Shareholders can access an electronic copy of the Annual Report on the Company's website: <https://evz.com.au/investors/> or via the announcement platform on the ASX website (www.asx.com.au), or by contacting the Company Secretary on pieter.vanderwal@evz.com.au

Any written questions should be submitted to the Company Secretary no later than five business days prior to the Meeting.

There is no requirement for Shareholders to approve the Annual Report.

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to put the Remuneration Report to a vote of Shareholders.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to Directors and other Key Management Personnel and sets out the details of any share-based compensation.

The vote on this Resolution is advisory only and does not bind the Directors or the Company. Of itself, a failure of Shareholders to pass this Resolution will not require the Directors to alter any of the arrangements in the Remuneration Report. Directors will however consider the outcome of the vote and any comments made by Shareholders on the Remuneration Report when setting the Company's remuneration policy for future financial years.

Under sections 250U and 250Y of the Corporations Act, Shareholders have the opportunity to remove the Board if the remuneration report receives a 'no' vote of 25% or more at two

consecutive annual general meetings (**Two Strikes Rule**).

Under the Two Strikes Rule, where a resolution on the remuneration report receives a 'no' vote of 25% or more at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting, a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the Managing Director, if applicable) who were in office at the date of approval of the applicable Directors' Report must stand for re-election (**Spill Resolution**).

At the Company's 2023 Annual General Meeting the remuneration report was approved by over 75% of Shareholders present and voting. Accordingly, a Spill Resolution is not relevant for this Annual General Meeting.

If the Remuneration Report receives a 'no' vote of 25% or more at this Meeting, Shareholders should be aware that if there is a 'no' vote of 25% or more at the next annual general meeting the consequences are that all Directors (other than the Managing Director, if applicable) may be up for re-election.

The Chairman will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

The Chairman intends to exercise all undirected proxies in favour of Resolution 1. If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Resolution 2 – Re-election of Mr Edgley as a Director

Clause 8.1 (f) of the Company's Constitution in combination with Listing Rule 14.4 requires Directors (other than the Managing Director, if applicable) to retire from office at the third annual general meeting since their appointment. The Director to retire is the Director who has been longest in office since their last election at the date of the Meeting. Where Directors have been in office an equal length of time, they may agree on which Director will retire by rotation.

A Director who retires by rotation under clause 8.1 of the Constitution is eligible for re-election.

Mr Edgley, being the longest in office since his last election, retires by rotation and being eligible, has offered himself for re-election. Mr Edgley was appointed as a Director in 2011.

Mr Edgley, age 59, has significant experience and skills in strategic planning, performance management and marketing and has proven abilities in building businesses. His career has been predominantly focused in international finance and investment banking in Australia, the UK and throughout Asia.

Mr Edgley holds a degree in Economics from Monash University in addition to a Degree in Japanese language.

The Directors (with Mr Edgley abstaining) unanimously recommend that Shareholders vote in favour of Resolution 2.

The Chair intends to vote undirected proxies in favour of Resolution 2.

Resolution 3 - Special resolution to approve 10% Placement Facility

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (available on the ASX website at www.asx.com.au).

ASX Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% for the 12 months following that meeting.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without further Shareholder approval.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Class of Equity Securities

An Equity Security issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the

date of the Notice, has only one class of quoted Equity Securities, being Shares (ASX Code: EVZ).

(c) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

- A = The number of fully paid ordinary shares on issue at the commencement of the 12 months immediately preceding the date of issue or agreement to issue (the relevant period):
- plus the number of fully paid ordinary securities issued in the relevant period under an exception to ASX Listing Rule 7.2 other than exception 9, 16 or 17;
 - plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue the convertible securities was approved or taken under the Listing Rules to have been approved under ASX Listing Rule 7.1 or 7.4;
 - plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under the Listing Rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
 - plus the number of fully paid ordinary securities issued in the relevant period with shareholder approval under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
 - plus the number of partly paid ordinary securities that became fully paid in the relevant period;
 - less the number of fully paid ordinary securities cancelled in the relevant period.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D = 10%

E = the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under ASX Listing Rule 7.4.

Specific information required by Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 7.3A:

(a) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must not be less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 10 Trading Days of the date in the paragraph above, the date on which the Equity Securities are issued,

(the **Minimum Issue Price**).

(b) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- the date that is 12 months after the date of the annual general meeting at which the approval is obtained (which, in the case of Resolution 3 will be 1 November 2025);
- the time and date of the Company's 2025 annual general meeting; or
- the time and date of Shareholder approval of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the **10% Placement Period**).

(c) Risk of Voting Dilution

If Resolution 3 is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below. Current Shareholders should be aware that there is a risk of economic and voting dilution that may result from an issue of Equity Securities under the 10% Placement Facility, including the risk that:

- the market price for the Company's Equity Securities may be significantly lower on the date of the issue than on the date of the meeting where approval is sought (i.e. the date of the Meeting); and

- the Equity Securities may be issued at a price that is at a discount to the market price for the Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

Any issue of Equity Securities under the 10% Placement Facility will dilute the interests of Shareholders who do not receive any Equity Securities under the issue.

The table below shows the potential dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2 on the basis of the market price of Shares (as at close of trade on 2 September 2024 (“**Issue Price**”)) and the current number of Shares on issue as at the date of this Notice of Meeting.

The table also shows:

- two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable ‘A’ in Listing Rule 7.1A2		Dilution		
		\$0.08 50% decrease in Issue Price	\$0.16 Issue Price	\$0.32 100% increase in Issue Price
Current Variable A 121,375,917 Shares	10% voting dilution	12,137,592	12,137,592	12,137,592
	Funds raised	\$971,007.34	\$1,942,014.67	\$3,884,029.34
50% increase in current Variable A 182,063,876 Shares	10% voting dilution	18,206,388	18,206,388	18,206,388
	Funds raised	\$1,456,511.00	\$2,913,022.01	\$5,826,044.02
100% increase in current Variable A 242,751,834 Shares	10% voting dilution	24,275,183	24,275,183	24,275,183
	Funds raised	\$1,942,014.67	\$3,884,029.34	\$7,768,058.69

This table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% Placement Capacity under ASX Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- At the date of this Notice, there are currently 121,375,917 Shares on issue.

(d) Purpose of new issues

Any Equity Securities issued under the 10% Placement Facility will be issued for cash consideration, in order to raise funds for the acquisition of new assets or investments (including expenses associated with such acquisitions), to expedite development of the Company's business and for general working capital. The Company currently has no plans to use the 10% Placement Facility. This Resolution is put to members so that the Company retains a high level of capital raising flexibility in managing future capital requirements.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) upon issue of any Equity Securities.

(e) Allocation Policy

The allottees of the Equity Securities to be issued under the 10% Placement Facility have not yet been determined. However, the allottees could consist of current Shareholders or new investors (or both).

The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including, but not limited to, the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broker advisers (if applicable).

(f) Detail of new issues under Listing Rule 7.1A for previous year

The Company obtained Shareholder approval under ASX Listing Rule 7.1A at its 2023 annual general meeting. However, during the 12 months period preceding the date of

this Notice of Meeting, the Company has not issued or agreed to issue any Shares under Listing Rule 7.1A.

(g) Voting Exclusion Statement

As at the date of this Notice of Meeting, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A2. Accordingly, there is no voting exclusion statement in respect of Resolution 3.

Recommendation

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders at the Meeting (whether voting online, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

The Chair intends to vote undirected proxies in favour of Resolution 3.

Resolution 4 - Approval to issue securities under the EVZ Equity Incentive Plan

Background

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.2 (Exception 13(b)) sets out an exception to ASX Listing Rule 7.1 which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

The Board has adopted a new employee incentive scheme called the EVZ Equity Incentive Plan (**Incentive Plan** or **Plan**). The Incentive Plan replaces the plan previously adopted at the Company's Annual General Meeting on 25 November 2011.

Resolution 4 seeks Shareholder approval for the issue of Equity Securities under the Incentive Plan for the purposes of Listing Rule 7.2, Exception 13(b), and for all other purposes.

The aim of the Incentive Plan is to allow the Board to attract, motivate and retain eligible persons, who in the Board's opinion, are dedicated and will provide ongoing commitment and effort to the Company. It is considered that the Incentive Plan and the future issue of equity securities under the Incentive Plan will provide participants with the opportunity to participate in the anticipated future growth of the Company.

If Resolution 4 is passed, the Company will be able to issue a limited number of securities under the Incentive Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period (as extended to 25% by the 10% Placement Facility).

If Resolution 4 is not passed, the Company will still be able to issue securities under the Incentive Plan to eligible participants, however any securities issued under the Incentive Plan will count towards its 15% capacity under ASX Listing Rule 7.1 (as extended to 25% by the 10% Placement Facility), effectively decreasing the number of securities the Company can issue without Shareholder approval over the 12 month period following the issue of any securities under the Incentive Plan.

A summary of the terms of the Incentive Plan is attached in Schedule 2. The Incentive Plan can be viewed at the “Investor Centre” tab on the Company’s website (www.evz.com.au) and is available on the ASX website (www.asx.com.au).

Any future issues of securities under the Incentive Plan to a related party or a person whose relationship with the Company or the related party is, in ASX’s opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

Specific information required by Listing Rule 7.2

In accordance with the requirements of Listing Rule 7.2 Exception 13(b) the following information is provided:

- (a) The material terms of the Incentive Plan are summarised in Schedule 2.
- (b) This is the first approval sought under Listing Rule 7.2 Exception 13(b) with respect to the Incentive Plan. Accordingly, no Equity Securities have previously been issued under the Incentive Plan as it is a new incentive plan. The Company has issued 7,100,000 Equity Securities under its previous incentive plan over the last 3 years.
- (c) The maximum number of Equity Securities proposed to be issued under the Plan is 12,137,591 Equity Securities, representing 10.0% of the number of ordinary Shares on issue as at the date of the Notice of Meeting (being 121,375,917 Shares). The maximum number of 12,137,591 Equity Securities is not intended to be a prediction of the actual number of Equity Securities to be issued under the Incentive Plan during the period for which the approval (if given) will be valid, rather it is simply a ceiling for the purposes of Listing Rule 7.2 (Exception 13(b)).
- (d) A voting exclusion statement has been included for the purposes of Resolution 4.

Recommendation

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this Resolution.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 4.

Schedule 2 – Summary of the EVZ Equity Incentive Plan

The rules of the Plan (**Plan Rules**) provide the framework under which the Plan and individual grants will operate. The key features of the Plan are outlined below.

Eligibility	Offers may be made at the Board’s discretion to employees of the Company, Directors and any other person that the Board determines to be eligible to receive a grant under the Plan.
Types of securities	The Plan Rules provide flexibility for the Company to grant one or more of the following securities as incentives, subject to the terms of individual offers: • performance rights, which are an entitlement to receive Shares upon satisfaction of applicable conditions; • options, which are an entitlement to receive Shares upon satisfaction of applicable conditions and payment of the applicable exercise price; and • restricted shares, which are Shares that are subject to dealing restrictions, vesting conditions or other restrictions or conditions.
Offers under the Plan	The Board may make offers at its discretion and any offer documents must contain the information required by the Plan Rules. The Board has the discretion to set the terms and conditions on which it will offer performance rights, options and restricted shares in individual offer documents. Offers must be accepted by the participant and can be made on an opt-in or opt-out basis.
Issue price	Unless the Board determines otherwise, no payment is required for a grant of a performance right, option or restricted share under the Plan.
Vesting	Vesting of performance rights, options and restricted shares under the Plan is subject to any vesting or performance conditions determined by the Board and specified in the offer document. Options must be exercised by the employee and the employee is required to pay the exercise price before Shares are allocated (if applicable). Subject to the Plan Rules and the terms of the specific offer document or invitation, any performance rights, options or restricted shares will either lapse or be forfeited if the relevant vesting and performance conditions are not satisfied.
Cessation of employment or engagement	Under the Plan Rules, the Board has a broad discretion in relation to the treatment of entitlements on cessation of employment or engagement. It is intended that individual offer documents will provide more specific information on how the entitlements will be treated if the participant ceases employment.
Clawback and preventing inappropriate benefits	The Plan Rules provide the Board with broad “clawback” powers if, for example, the participant has acted fraudulently or dishonestly or there is a material financial misstatement.
Change of control	The Board may determine that all or a specified number of a participant’s performance rights, options or restricted shares will vest or cease to be subject to restrictions on a change of control event in accordance with the Plan Rules.

Reconstructions, corporate action, rights issues, bonus issues etc.	The Plan Rules include specific provisions dealing with rights issues, bonus issues and corporate actions and other capital reconstructions. These provisions are intended to ensure that there is no material advantage or disadvantage to the participant in respect of their incentives as a result of such corporate actions.
Restrictions on dealing	Prior to vesting, the Plan Rules provide that participants must not sell, transfer, encumber, hedge or otherwise deal with their incentives. After vesting, participants will be free to deal with their incentives, subject to the Share Trading Policy.
Other terms	The Plan contains customary and usual terms of dealing with administration, variation, suspension and termination of the Plan.

For your proxy appointment to be effective it must be received by **10:00am (AEDT) on Wednesday, 30 October 2024.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.
