1. A shareholder of the Company entitled to attend and vote is entitled to appoint not more than two proxies. Where more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the shareholder's voting rights. If the shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half of the votes. A proxy need not be a shareholder of the Company.
2. For the purposes of the Corporations Act, securities will be taken to be held by persons who are registered holders as at 7.00 pm on 11 May 2016.
3. If a proxy is not directed how to vote on an item of business, the proxy may vote or abstain from voting on that resolution if they think fit.

8. The proxy form must be signed by the member or his/her attorney duly authorised in writing or if the shareholder is a corporation in a matter permitted by the Corporations Act or in accordance with the laws of that corporation's place of incorporation.

VOTING EXCLUSIONS

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

The Company will disregard any votes cast on Resolution 1 by or on behalf of a member of the Company's key management personnel ('KMP'), details of whose remuneration are included in the Remuneration Report; or a closely related party of a KMP whether the votes are cast as a shareholder, proxy or in any other capacity. Section 250R of the Corporations Act prohibits a vote being cast in any such circumstance.

However, the Company will not disregard a vote cast by a member of the KMP ('KMP member') or a closely related party of a KMP member if the vote is cast as a proxy; the proxy is appointed by writing that specifies how the proxy is to vote on Resolution 1; and the vote is not cast on behalf of a KMP member or a closely related party of a KMP member.

KMP members are those persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly, including any director (whether executive or otherwise) of the Company.

If you are a KMP member or a closely related party of a KMP member (or are acting on behalf of any such person) and purport to cast a vote that will be disregarded by the Company (as described above), you may commit an offence by breaching the voting restrictions that apply to you under the Corporations Act.

A closely related party of a KMP member means any of the following:

- a spouse or child of the KMP member;
- a child of the KMP member's spouse;

- a dependant of the KMP member or the KMP member's spouse;
- anyone else who is one of the KMP member's family and may be expected to influence the KMP member, or be influenced by the KMP member, in the KMP member's dealing with the Company;
- a company the KMP member controls; or
- a person prescribed by regulations (as at the date of this Notice of Annual General Meeting, no such regulations have been prescribed).

The proxy form accompanying this Notice of Annual General Meeting contains instructions regarding how to complete the proxy form if a Shareholder wishes to appoint the Chairman as his or her proxy and to direct the Chairman to vote on the resolution to adopt the Remuneration Report. You should read those instructions carefully.

RESOLUTIONS 3, 4 and 5 – PERFORMANCE RIGHTS RESOLUTIONS

The Company will disregard any votes cast on these resolutions by a Director of the Company (except one who is ineligible to participate in any employee incentive scheme) and any associate of any such person, unless the vote is cast by:

- as proxy for a person who is entitled to vote in accordance with the directions on the proxy form; or
- by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the form to vote as the proxy decides.

ENQUIRIES

Shareholders are invited to contact the Company Secretary, Peter Thiessen, on +61 (3) 9618 2550 if they have any queries in respect of the matters set out in these documents.

EXPLANATORY STATEMENT

GENERAL INFORMATION

This Explanatory Statement has been prepared for the shareholders of the Company in connection with the Annual General Meeting of the Company to be held on 13 May 2016.

The purpose of this Explanatory Statement is to provide shareholders with information that the Board believes to be material to shareholders in deciding whether or not to approve the above resolutions detailed in the Notice.

This Explanatory Statement is an important document and should be read carefully in full by all Shareholders. If you have any questions regarding the matters set out in this Explanatory Statement or the preceding Notice, please contact the Company, your stockbroker or other professional adviser.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

Section 250R(2) of the Corporations Act requires the Company to put to the vote at the Annual General Meeting a resolution that the Remuneration Report be adopted. The Company is also required to inform Shareholders in the Notice of Annual General Meeting that a resolution to this effect will be put at the Annual General Meeting. The Remuneration Report is contained within the Directors' Report in the Company's Annual Report for the year ended 31 December 2015. It sets out the remuneration policy for the Company and reports the remuneration arrangements in place for the Managing Director, specified executives and the non-executive Directors.

Shareholders are advised that, pursuant to section 250R(3) of the Corporations Act, the vote on this Resolution is advisory only and does not bind the Directors or the Company. Accordingly, the Company will not be required to alter any arrangements detailed in the Remuneration Report, should the Remuneration Report not be adopted.

If 25% or more of the votes cast on Resolution 1 are against adoption of the Remuneration Report, then:

- a) if comments are made on the Remuneration Report at the Annual General Meeting, the Company's remuneration report for the financial period ending 31 December 2016 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- b) if, at the 2017 Annual General Meeting, 25% or more of the votes cast on the resolution for the adoption of the remuneration report for the financial year ending 31 December 2016 are against its adoption, the Company must put to its shareholders a resolution proposing that an extraordinary general meeting ('Spill Meeting') be held within 90 days. Where a Spill Resolution is carried (i.e. more than 50% of the votes cast on the Spill Resolution are in favour of the Spill Resolution), the Directors generally (other than the Managing Director) will cease to hold office immediately before the end of the Spill Meeting, unless they are re-elected at the Spill Meeting.

The Company recommends that members who submit proxies should consider giving 'how to vote' directions to their proxyholder on each resolution, including this Resolution 1. If you complete a proxy form that authorises the Chairman of the Annual General Meeting to vote on your behalf as a proxyholder, and you do not mark any of the boxes 'for' or 'against' or 'abstain' so as to give the Chairman directions about how your vote should be cast in relation to Resolution 1, your proxy appointment will automatically direct the Chairman to vote in favour of the resolution to adopt the Remuneration Report and the Chairman will vote accordingly.

The Chairman intends to vote in favour of Resolution 1 where the Chairman is directed to do so by instructions.

If you wish to appoint the Chairman as your proxyholder but you do not want to put the Chairman in the position to cast your votes in favour of Resolution 1, you should complete the appropriate box on the proxy form, directing the Chairman to vote against or abstain from voting on Resolution 1.

2. RESOLUTION 2 – RE-ELECTION OF MR NIC LIMB

In accordance with the Company's Constitution and the ASX Listing Rules, Mr Nic Limb retires and being eligible for re-election, offers himself for re-election at the Meeting.

Details about Mr Nic Limb are set out in the Directors Report of the 2015 Annual Report.

3. RESOLUTION 3 – ADOPTION OF PERFORMANCE RIGHTS PLAN

3.1 *Background*

The Performance Rights Plan ('Plan') is intended as an incentive for directors (with separate shareholder approval), executives, employees and other eligible persons to share in the ownership of the Company in order to:

- (a) promote long-term success of the Company;
- (b) provide a strategic, value based reward for eligible persons who make a key contribution to that success;
- (c) align eligible persons' interests with the interests of the Company's Shareholders; and
- (d) promote the retention of eligible persons.

The Plan has been reviewed and approved by the Board and a copy was announced to ASX on 08 April 2016.

3.2 *Summary of terms of the Plan*

The following is a summary of the key terms and conditions of the Plan:

Eligible Employees

Performance Rights may be granted at the discretion of the Board to any full-time or permanent part-time employee or officer, consultant or director of the Company or any related body corporate of the Company ('Employees').

Price

The Board has discretion to determine the issue price and/or exercise price for the Performance Rights.

Vesting and Exercise of Performance Rights

The Performance Rights held by a participant will vest in and become exercisable by that participant upon the satisfaction of any vesting conditions specified in the offer and in accordance with the rules of the Plan. Vesting conditions may be waived at the discretion of the board.

Exercise

In respect of incentives which have vested, the holder of those incentives is entitled to exercise them by delivering to the Company a notice in writing stating the number of incentives to be exercised together with full payment of the exercise price (if any) for the corresponding new Shares to be issued. The Company will then allot and issue that number of new Shares corresponding to the number of incentives exercised in accordance with any Company adopted procedures regarding the timing of Share issues. All such Shares will upon allotment be credited as fully paid and rank equally with other issued fully paid ordinary shares in the capital of the Company. Whilst the Company is listed on ASX, it must apply for quotation of those

new Shares on ASX as soon as practicable after allotment.

No performance right may be exercised after it has expired.

Change of Control

In the event a takeover bid is made to acquire at least 50% of the issued Shares of the Company, or a scheme of arrangement, selective capital reduction or other transaction is initiated which has an effect similar to a takeover bid made for the shares which will result in a person (and its Related Bodies Corporate) being registered as the holder of more than 50% of the shares, all vesting conditions in respect of the Performance Rights will be deemed to be satisfied and all Unvested Performance Rights will automatically become Vested Performance Rights.

Variation of Share Capital

If prior to the exercise of the Performance Rights, the Company undergoes a reorganisation of capital (other than by way of a bonus issue or issue for cash), the terms of the Performance Rights will be changed to the extent necessary to comply with the ASX Listing Rules.

Bonus issue

Unless the relevant Participation Letter states otherwise, if, prior to the exercise of an incentive, the Company makes a bonus issue to Shareholders, and the incentive is not exercised prior to the record date in respect of that bonus issue, the incentive will, when exercised, entitle the holder to one Share plus the number of bonus shares which would have been issued to the incentive holder if the incentive had been exercised prior to the record date.

Administration

The Plan will be administered by the Board in accordance with the Plan rules. The Company may make further provisions for the operation of the Plan which are consistent with the Plan rules. Whilst the Company is listed on ASX, the Board must exercise its powers in accordance with the Listing Rules.

Restrictions on hedging and dealing

Participants must not enter into any schemes, arrangements or transactions, including hedging arrangements, that hedge or protect the value of performance rights allocated under the Plan or Shares which will be issued, transferred or allocated on Exercise of Performance Rights.

A participant must not Deal (sell, offer for sale, transfer, assign or grant) with any performance right or any right or obligation under this Plan unless the Dealing has the prior written consent of the Company, does not otherwise contravene the Constitution, the Plan rules and the relevant participation letter and complies with the Securities Trading Policy of the Company (which is available in the Governance section of the FAR website).

Suspension, Termination or Amendment

The Plan may be suspended, terminated or amended at any time by the Board, subject to any resolution of the Company required by the ASX Listing Rules.

Clawback provision

Where a Relevant Person is a 'Bad Leaver' the Board may determine that all or some of the Performance Rights held by the Participant Expire and are incapable of being exercised. The Participant must transfer any or all shares issued upon exercise of a Performance Right as determined by the Board, on terms, and to a person, determined by the Company and pay the Company any proceeds received from the sale of any Shares issued upon the exercise of the Performance Rights and any distributions or dividends paid on the Shares issued upon the exercise of Performance Rights as a debt to the Company.

3.3 ASX Listing Rule requirements

ASX Listing Rule 7.1 limits the issue of equity securities to a maximum of 15% of the Company's issued capital over a rolling 12 month period. There are a number of exceptions to Listing Rule 7.1, including exception 9 of ASX Listing Rule 7.2 which provides that securities granted under an employee incentive scheme are not required to be included in the 15% calculation where shareholders approve the grant of securities as an exception to ASX Listing Rule 7.1, and the approval is refreshed every three years.

If this resolution is approved, securities may be granted by the Company in accordance with the approval up until the date which is three years after the date of this Annual General Meeting without counting towards the 15% limit. If this resolution is approved, details of any securities granted under the Plan will be published in the Company's annual report for the year in which they are granted. This is the second incentive scheme put to shareholders for consideration, and 68 million securities were issued under a separate scheme known as the Executive Incentive Scheme since it was approved by shareholders. No securities have been issued under the Performance Rights Plan the subject of approval at this meeting.

3.4 Corporations Act requirements

The Company must not issue a Performance Right under the Plan, and no Performance Right may be transferred or otherwise Dealt with unless all necessary approvals from any Government Agency in respect of the issue, transfer or Dealing have been obtained and the issue, transfer or Dealing complies with the Constitution of the Company, the Corporations Act and the Listing Rules.

4. RESOLUTION 4 – GRANT OF PERFORMANCE RIGHTS TO MS CATH NORMAN AS A LONG TERM INCENTIVE

In March 2016, the Remuneration Committee undertook a review of the Company's remuneration structure, including short-term incentives and long-term incentives for executives. The Board recognises the importance of including a variable remuneration component in an executive's remuneration package that is only paid on the achievement of key objectives that the Board considers will deliver increased Shareholder value.

The new remuneration policy remains largely unchanged from the practiced philosophy, with the fundamental purpose being to attract, retain and motivate key individuals. The new policy provides guidance around what constitutes appropriate remuneration and provides clarity on the structure of remuneration in this regard. Remuneration packages may include a combination of 'fixed' compensation and a 'variable' performance linked compensation referred to in total as Total Remuneration Package ('TRP'). The 'variable' or 'at risk' performance linked compensation includes both short term incentives ('STI') capped at 25% of total compensation and long term incentives ('LTI') capped at 25% of total compensation.

The Board has approved the following remuneration structure and packages for the executives of the company for the 2016 year as follows:

Name	Fixed Remuneration ⁽ⁱ⁾	Performance remuneration 'at risk'	
	%	STI% ⁽ⁱⁱ⁾	LTI% ⁽ⁱⁱⁱ⁾
Managing Director	50	25	25
Executive Director	50	25	25
Other Executives	50	25	25

(i) Fixed remuneration includes base salary and employer contributions to superannuation funds.

(ii) Short term incentives are cash bonuses which may be offered at the discretion of the board linked to performance.

(iii) Long term incentives include performance rights which may be granted annually at the discretion of the board, linked to performance conditions measured over an extended period.

The Performance Rights Plan comprises the equity component of the LTI at risk/reward opportunity, which for the 2016 year will be the provision of Performance Rights (being a right to receive a number of fully paid shares in the Company for nil monetary consideration) to eligible executives, subject to performance hurdles being satisfied. Non-executive directors will not participate in the Plan for the 2016 year. No STI's have been awarded to executives for the 2015 year. It is proposed to issue Performance Rights to Cath Norman and Ben Clube in the quantum and on the basis as set out below, and in addition issue a total of a further 14,757,000 Performance Rights to other non director executives on the same basis as described below. Having considered the prevailing market conditions the Board determined that effective from 1 January 2016, Ms Norman's fixed remuneration including base salary and superannuation, be increased by \$8,300 from \$550,000 to \$558,300, representing a CPI adjustment of 1.5%.

Resolution 4 seeks approval for the grant of Performance Rights (being a right to receive a number of fully paid shares in the Company for no monetary consideration, subject to the satisfaction of performance hurdles), as a long-term incentive to the Company's Managing Director. Subject to Shareholder approval, it is proposed to grant 3,578,000 Performance Rights to Ms Norman on terms and conditions which are summarised in these Explanatory Notes.

Based on the details of the Company's remuneration plan set by the Board, Ms Norman's total potential remuneration structure includes a 25% at-risk component provided by long term incentives. The Board has determined that the 20 day VWAP of \$0.078 should be used to evaluate the number of rights to be issued under the Performance Rights Plan. The value of the proposed issue of Performance Rights determined on this basis is approximately \$279,000, which is approximately one half of Ms Norman's total fixed remuneration inclusive of superannuation.

The purpose of the long-term incentive is to provide Ms Norman with an appropriate LTI which is 'at risk' and which is aligned to the Company's long-term strategic plans and business objectives.

Performance Rights which vest shall be capable of being exercised by 31 January 2021.

4.1 *Performance conditions for vesting*

The Board approved performance conditions for vesting attaching to the Performance Rights are comprised as follows:

- a) **Absolute Total Shareholder Return** – 50% of the Performance Rights will be subject to an absolute total

shareholder return ('TSR') hurdle over the three year performance period (being 1 February 2016 to 31 January 2019 and will be tested at the end of this period). Absolute TSR rights will vest according to the following schedule:

Measure	Performance level to be achieved	Performance vesting outcome	Percentage of total grant that will vest
Absolute TSR	Above 25% CAGR	100%	50%
	Between 15% and 25% CAGR	Pro rata vesting from 50%-100%	Between 25% and 50%
	Less than 15% CAGR	0%	0%
CAGR = Compound Annual Growth Rate			

- b) **Relative Total Shareholder Return** – 50% of the Performance Rights will be subject to a relative TSR hurdle over the three year performance period (being 1 February 2016 to 31 January 2019 and will be tested at the end of this period). Relative TSR rights will vest according to the following schedule:

Measure	Performance level to be achieved	Performance vesting outcome	Percentage of total grant that will vest
Relative TSR	75% PCG or above	100%	50%
	Between 50% & 75% PCG	Pro rata vesting from 50%-100%	Between 25% and 50%
	Below 50% PCG	0%	0%
PCG = Peer Comparator Group			

The comparator group is the S&P/ASX Energy 300 Index. The comparator group is intended to reflect peer competitors, companies and sectors where investors may choose to invest their money if not in FAR with particular regard to those companies of loosely similar industry and market capitalisation.

4.2 *Change of Control, Good Leaver and Bad Leaver*

Should a Change of Control occur before the end of the vesting period, that is approved by shareholders, the amount of rights that will vest will be calculated in accordance with the following table:

Measure	Performance level to be achieved	Performance vesting outcome	Percentage of total grant that will vest
Absolute TSR	Above 25% CAGR	100%	100%
	Between 15% and 25% CAGR	Pro rata vesting from 50%-100%	Between 50% and 100%
	15% CAGR	50%	50%
	Less than 15% CAGR	0%	0%
*CAGR = Compound Annual Growth Rate			

Note that the final share price to be assessed against the performance criteria will be the share price at which a change of control occurs.

Where the participant is a 'Good Leaver' as defined in the Plan the performance period will be assessed having regard to the period up to that date rather than up to 31 January 2019, subject to an overriding discretion on the part of the Board to vest a greater quantum of the Performance Rights and subject to any applicable regulatory limitations.

Where the participant is a 'Bad Leaver' as defined in the Plan, all unvested incentives held by that participant will immediately lapse.

4.3 Exercise Price

No exercise price is payable in respect of the exercise of any Performance Rights referred to above which have vested.

4.4 Expiry/lapse

The performance rights will lapse if vesting does not occur on testing of the performance conditions on 31 January 2019.

4.5 Expiry date

The 2016 performance rights will expire on 31 January 2021.

4.6 Corporations Act requirements

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. As Managing Director of the Company, Ms Norman is a related party for the purposes of Chapter 2E and the grant of Performance Rights under the Plan will constitute a 'financial benefit'.

The Board (other than Ms Norman, who has an interest in Resolution 4) considers that the grant of Performance Rights to Ms Norman constitutes an appropriate and reasonable component of her remuneration, and that the financial benefit represented by the grant of the Performance Rights falls within the 'reasonable remuneration' exception in section 211 of the Corporations Act. In forming this view, the Board has considered the position and responsibilities of Ms Norman, the Company's reliance on a limited number of executive personnel, the need to effectively incentivise Ms Norman while aligning the incentive with shareholder value, the desirability of preserving cash resources, the remuneration offered to executives in comparable positions at comparable companies, and the terms of the Performance Rights.

4.7 ASX Listing Rule 10.15A requirements

In accordance with the requirements of Listing Rule 10.15A, the following information is provided to Shareholders in respect of Resolution 4 to allow them to assess the proposed grant of Performance Rights to Ms Norman, a Director of the Company:

- a) The maximum number of Performance Rights to be granted to Ms Norman is 3,578,000 Performance Rights.
- b) There is no monetary consideration payable by Ms Norman in respect of the proposed grant of Performance Rights pursuant to the offer made.
- c) No Performance Rights have been granted under the Performance Rights Plan.
- d) In accordance with Company's current remuneration policy, the Executive Directors of the Company are the only persons referred to in Listing Rule 10.14 who are entitled to participate in the Performance Rights Plan.

The current proposed participants are the Managing Director, Ms Norman and Executive Director Mr Clube. All other eligible employees of the Company which are expected to participate in the Performance rights Plan are not Directors of the Company, or associates of Directors of the Company.

- e) No loans exist in relation to the proposed grant of Performance Rights to Ms Norman.
- f) Ms Norman is prohibited from hedging the share price exposure in respect of the Performance Rights during the Performance Period applicable to those Rights.
- g) Details of any Performance Rights granted under the Performance Rights Plan will be published in each annual report of the Company relating to the relevant period in which the Performance Rights have been granted, and that approval for the grant of the Performance Rights was obtained under Listing Rule 10.14.
- h) Any additional persons referred to in Listing Rule 10.14 who become entitled to participate in the Performance Rights Plan after Resolution 4 is approved and who were not named in the Notice of Meeting will not participate in the Performance Rights Plan until approval is obtained under ASX Listing Rule 10.14.
- i) The date by which the Company will grant the Performance Rights referred to above to Ms Norman will be no later than 1 month after the date of the Annual General Meeting at which Resolution 4 is approved.

5. RESOLUTION 5 – GRANT OF PERFORMANCE RIGHTS TO MR BEN CLUBE AS A LONG TERM INCENTIVE

The position in relation to Mr Ben Clube is identical to that set out above in the explanatory notes for Ms Cath Norman in the explanatory notes to Resolution 4 except for the following differences:

- The proposed number of Performance Rights to be issued to Mr Clube is 3,090,000;
- Having considered the prevailing market conditions the Board determined that effective from 1 January 2016, Mr Clube's fixed remuneration including base salary and superannuation, be increased by \$7,100 from \$475,000 to \$482,100, representing a CPI adjustment of 1.5%. The value of the proposed issue of these Performance Rights is determined on the same basis as for Ms Norman and is approximately \$241,000 which is approximately one half of Mr Clube's total fixed remuneration inclusive of superannuation.
- All other aspects described above in relation to Ms Norman otherwise equally applies in the case of Mr Clube.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

Limitation on amendment

- 13.2 No amendment of the provisions of these Rules may materially reduce the rights or increase the obligations of any Participant in respect of their Performance Rights held at the date of the amendment, other than an amendment introduced primarily:
- (a) for the purpose of complying with or conforming to any present or future applicable law (including State, Territory or Commonwealth legal requirements) applicable to this Plan or the Performance Rights;
 - (b) to take into consideration possible adverse Tax implications in respect of this Plan arising from, amongst others, adverse Tax rulings, changes to Tax legislation (including an official announcement) and/or changes in the interpretation of Tax law by a court of competent jurisdiction;

 - (d) to enable contributions or other amounts paid by any Group Company to qualify as income tax deductions for that Group Company or any other Group Company; or

- 13.3 Subject to Rule 14.2, in respect of Performance Rights which have already been issued as at the date of any alteration proposed to be made under Rule 13.1, the Company may not make any alteration which would be materially prejudicial to the rights of the Participant without the agreement of the relevant Participant.
- 13.4 As soon as reasonably practicable after making any amendment under this Rule, the Company must give notice in writing of that amendment to any Participant and any Group Company affected by the amendment.

14. Compliance with law, Corporations Act and Listing Rules

Compliance with law, Corporations Act and Listing Rules

- 14.1 Notwithstanding any other provision of these Rules or any term or condition of the participation of any Participant in the Plan, the Company must not issue a Performance Right under the Plan, and no Performance Right may be transferred or otherwise Dealt with unless:
- (a) all necessary approvals from any Government Agency in respect of the issue, transfer or Dealing have been obtained; and
 - (b) the issue, transfer or Dealing complies with the Constitution, all applicable laws, regulations and rules that may govern the Company including the Corporations Act and, while the Company is Listed, the Listing Rules.

Listing Rules to take precedence

- 14.2 While the Company is Listed, the following applies:
- (a) notwithstanding anything contained in this Plan, if the Listing Rules prohibit an act being done, the act must not be done;
 - (b) nothing contained in this Plan prevents an act being done that the Listing Rules require to be done;
 - (c) if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);
 - (d) if the Listing Rules require this Plan to contain a provision and it does not contain such a provision, this Plan is deemed to contain that provision;

 - (f) if any provision of this Plan is or becomes inconsistent with the Listing Rules, this Plan is deemed not to contain that provision to the extent of the inconsistency.

The Company may amend, vary, add to, delete or modify all or any of the provisions of these Rules in any way it considers necessary to give effect to this Rule 14.2.

Termination Benefits

- 14.3 This Rule 14.3 applies to any benefit which may be required to be provided by any entity within the Group (**Benefit**). This Rule 14.3 applies notwithstanding, and overrides, any other provision of this Plan and any agreement, understanding, policy, plan, scheme or arrangement (**Arrangement**). Notwithstanding any Arrangement, no person will be entitled to any Benefit in connection with any person's cessation of Engagement, if the giving of the Benefit would give rise to a breach of Part 2D.2 of the Corporations Act, any other provision of the Corporations Act, or any other applicable statute, rule or regulation which limits or restricts the giving of such Benefits (**Limiting Legislation**). If any Limiting Legislation limits the amount of the Benefit, or the amount of the Benefit that may be given without obtaining shareholder approval, the Benefit is capped at that amount and no further Benefit is required to be provided to the relevant person. The Group may reduce any Benefit in such manner as it determines appropriate to ensure compliance with Limiting Legislation and so that shareholder approval does not need to be obtained. No entity in the Group is required to seek

or obtain the approval of its shareholders for the purpose of overcoming any limitation or restriction imposed by any Limiting Legislation.

- (d) affects an Eligible Person's terms of Engagement with any Group Company;
- (e) affects any rights which any Group Company may have to terminate the Engagement of any Participant;
- (f) may be used to increase damages in any action brought against any Group Company in respect of any termination of Engagement;
- (g) confers on an Eligible Person or a Participant person any rights to compensation or damages in consequence of the termination of their Engagement with a Group Company for any reason whatsoever including ceasing to have rights under the Plan as a result of such termination; or
- (h) confers on any Participant the right to assign his or her actual or prospective rights under the Plan, or any Performance Rights, to any person without the consent of the Company.

Relevant Persons' and Participants' acknowledgments

15.2 By accepting an invitation to participate in the Plan and submitting an Application to the Company, the Participant acknowledges that:

- (a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, suspended or terminated by the Company at any time, as provided in the Plan;
- (b) participation in the Plan is voluntary and occasional and does not create any contractual or other right to future participation in the Plan, or benefits in lieu of participation in the Plan, even if participation is offered repeatedly;
- (c) all decisions with respect to future participation in the Plan, if any, will be at the sole discretion of the Company;
- (d) the Participant's participation in the Plan will not create a right to further employment with his or her employer;
- (e) Performance Rights and Shares acquired pursuant to the Plan are extraordinary items that do not constitute compensation of any kind for services of any kind rendered to any Group Company or the Participant's employer, and which are outside the scope of the Participant's employment contract, if any;

- (f) the future value of the underlying Shares is unknown and cannot be predicted with certainty and the Shares may increase or decrease in value, even below the Exercise Price; and

Rights on cessation of Engagement

- 15.3 No person, whether a Participant or otherwise, has any claim, right or interest in respect of this Plan or other property, whether against any Group Company or any other person, as a consequence of cessation of that person's Engagement or otherwise, except in accordance with these Rules.
- 15.4 Without limiting Rules 15.1 to 15.3, participation in the Plan does not form part of the Participant's remuneration for the purposes of determining payments in lieu of a notice of termination of Engagement, severance payments, leave entitlements, or any other compensation payable to a Participant upon the cessation of Engagement.

Other benefits scheme calculations

- 15.5 No payment under the Plan will be taken into account in determining any benefits under any pension, retirement, savings, profit-sharing, group insurance, welfare or benefit plan of any Group Company.

Participation in other schemes

- 15.6 Participation in the Plan does not affect, and is not affected by, participation in any other incentive or other scheme of a Group Company unless the terms of that incentive or scheme provide otherwise.

- 15.7 A person ceases to be a Participant when all rights and obligations which the Participant is entitled to, or subject to, under the Plan have been satisfied or discharged in accordance with these Rules.

16. General provisions

Taxes

- 16.5 The Company is not responsible for any Taxes which may become payable by a Participant in connection with the issue or transfer of Performance Rights, the issue, transfer or allocation of Shares, or any other Dealing by a Participant with such Performance Rights or Shares including the payment of any cash amount. Relevant Persons and Participants are solely responsible for all such amounts.
- 16.6 Notwithstanding any other Rule, if the Company is required to make or deemed to make a payment to a Participant under these Rules, the Company may deduct or withhold any amount in respect of Taxes payable as a result of the payment (including by withholding Performance Rights or Shares and selling them to raise the necessary funds at any price reasonably obtainable by the Company).

Severability

- 16.7 If the whole or any part of a provision of this Plan, any Participation Letter, any Application or the terms of any Performance Right is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. The remaining provisions have full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected. This Rule has no effect if the severance alters the basic nature of this Plan, any Participation Letter, any Application or any Performance Right, or is contrary to public policy.

FAR Limited – Invitation to Participate in its Performance Right Plan

The Board of FAR Limited (ACN 009 117 293) (the **Company**) is pleased to formally invite you to participate in its Performance Right Plan (**Plan**).

The Company has established the Plan to allow people such as you to participate in the long-term success of the Company's business by giving those persons the opportunity to share in the ownership of the Company. This Plan offers select, high-achieving and loyal staff a generous opportunity to share in the Company's growth and profits alongside the Company's shareholders.

Key Features of the Plan

The Plan offers Eligible Persons (**Participants**) ownership of Performance Rights that may be converted into Shares. These Performance Rights are Exercisable and convertible into Shares in the future upon the satisfaction of certain Vesting Conditions (listed below), in accordance with the Plan Rules (**Rules**).

Capitalised terms used in this letter have the meaning given in the Rules unless the contrary intention appears.

Rules

A copy of the current Rules is enclosed. You should refer to them as they contain important information concerning the Plan.

Taxation

The following summary is generally applicable to you assuming you are an Australian resident who is granted Performance Rights by the Company under the Plan.

It assumes you hold any Shares acquired on exercise of the Performance Rights on capital account (which typically will be the case if you are not a trader or otherwise carry on a business of investing in Shares). It also assumes:

- (a) you are an employee of the Company or a wholly owned subsidiary; and
- (b) immediately after the acquisition of the Performance Rights you (together with your associates) do not hold a beneficial interest in more than 10% of aggregate of all the Shares in the company and you (together with your associates) are not in a position to cast, or control the casting of, more than 10% of the maximum number of votes that might be cast at a general meeting of the Company. For the purposes of these tests, you must take into account the shares you could acquire by exercising any rights to acquire shares in the Company. If this 10% threshold is exceeded, you will be taxed on the value of the Performance Rights at the time of grant, rather than at the deferred taxing point as discussed below.

1. General

Division 83A of the *Income Tax Assessment Act 1997* (Cth) contains specific rules governing the taxation of Shares and Rights (called ESS interests) acquired by employees under employee share schemes (ESS). The general rule is that ESS interests (such as the Performance Rights) will be subject to tax at the time of grant unless the ESS interest meets the conditions for tax deferral. Once the ESS interest has been subject to tax under the ESS rules (at the time of grant or, where relevant,

the later time of deferral) any subsequent gains may be subject to tax under the capital gains provisions in Part 3-1 and Part 3-3 of the 1997 Act.

2. Taxing point for Performance Rights

You should be subject to tax on the Performance Rights at the time you acquire them, unless the Performance Rights meet the conditions for tax deferral. The Performance Rights should qualify for tax deferral provided that when you acquire them either:

- (a) the Plan genuinely restricts you from immediately disposing of the Performance Rights; or
- (b) the Performance Rights are subject to a "real risk of forfeiture".

The real risk of forfeiture test requires that:

- (a) there must be a real risk that, under the conditions of the Plan, the Participant will forfeit the Performance Rights or lose them (other than by disposing of them, the Performance Rights vesting or letting them lapse); or
- (b) there must be a real risk that, under the conditions of the Plan, if the Performance Rights vest, the Participant will forfeit the underlying Shares (other than by disposing of them).

Whether or not the Performance Rights are subject to a real risk of forfeiture is a question of fact and may depend on your personal circumstances. With that said, the Australian Taxation Office (ATO) has indicated that there will be a real risk of forfeiture where the minimum term of employment is at least six months and the maximum deferral is no more than three years; or where the minimum term of employment is at least 12 months.

Assuming the conditions set out above are met, you should be eligible for tax deferral until the deferred taxing point. The deferred taxing point for the Performance Rights will be the earliest of the following:

- (a) when there is no real risk of forfeiting the Performance Right and the scheme no longer genuinely restricts the disposal of Performance Right;
- (b) when the Performance Right is exercised and there is no real risk of forfeiting the resulting Share and there is no genuine restriction on the disposal of the resulting Share;
- (c) when your employment within the Company group ceases; and
- (d) fifteen years after you acquired the Performance Right.

Based on the terms of the Plan, assuming you remain as currently employed (or with an appropriate group entity), you should generally be subject to tax on the Performance Rights when you exercise them and Shares are issued (assuming that you are permitted to then sell the resulting Shares at that time e.g. the Share Trading Policy does not apply). If you are not permitted to sell the resulting Shares at the time you exercise your Performance Rights, you will be subject to tax at the first time you are permitted to sell the resulting Shares, whether or not you choose to do so,

If you cease employment prior to exercise and the Performance Rights expire or are forfeited, you should be treated as having never acquired the forfeited Performance Rights in which case, no amount will be included in your assessable income. If you cease employment prior to exercise and you are allowed to retain any Performance Rights, those Performance Rights will generally be subject to tax at the date you cease employment.

If you dispose of your Performance Rights or resulting Shares within 30 days of the original deferred taxing point, the deferred taxing point for the Performance Rights will be pushed back to the time of sale.

3. The taxable amount

You must include the market value of the Performance Rights or underlying Shares, in your assessable income at the deferred taxing point (as determined above). The market value should be determined according to ordinary principles. If you sell Shares acquired upon exercise of your Performance Rights within 30 days of the original deferred taxing point in an arm's length transaction, the market value should be the sales proceeds. If the Shares are sold in a transaction that is not arm's length, the market value must be determined (and used). In addition to income taxes, the taxable amount may also be subject to Medicare Levy as well as the Temporary Budget Repair Levy on taxable income over \$180,000.

4. Capital gains tax on subsequent sale

If you sell the Shares acquired upon exercise of your Performance Rights within 30 days of the original deferred taxing point, no amount will be assessed under the capital gains tax (CGT) provisions in Part 3-1 and Part 3-3 of the 1997 Act (the amount will be taxable as set out in section 1.3 above)

If you sell the Shares acquired upon exercise of your Performance Rights more than 30 days after the original deferred taxing point), any gain will be assessed under the CGT provisions. The gain is determined by reference to the amount by which the sales proceeds exceed the cost base of the Shares sold, assuming that the sale of Shares occurs in an arm's-length transaction. The cost base of the Shares will generally include the market value of the Performance Rights or shares, as relevant, at the deferred taxing point plus the exercise price (if any, if you exercise your Performance Rights after the deferred taxing point) and any incremental costs incurred in connection with the sale (e.g., brokers fees).

The amount of any capital gain realised must be included in your assessable income for the income year in which the Shares are sold. However, if you hold the Shares for at least one year prior to selling (excluding the date you acquired and sold the Shares), you may be able to apply a discount to the amount of capital gain that you are required to include in your assessable income. If this discount is available, you may calculate the amount of capital gain to be included in your assessable income by first subtracting all available capital losses from their capital gains and then multiplying each capital gain by the discount percentage of 50%.

You, rather than the Company, are responsible for reporting any capital gain realised from the sale of Shares and paying any applicable taxes due on such income.

If your sales proceeds are lower than your cost base in the Shares sold (assuming the sale occurred in an arm's-length transaction), you may realise a capital loss. Capital losses may be used to offset capital gains realised in the current tax year or in any subsequent tax year, but may not be used to offset other types of income (e.g., salary or wage income).

5. Tax withholding and reporting

You are responsible for reporting on your income tax return and paying any tax liability in connection with your participation in the Plan (including income arising at the deferred taxing point, any gains realised on sale of the Shares and dividends paid on the Shares).

The Company will be required to pay withholding tax in respect of the taxable amount only if you have not provided your Tax File Number to the Company by the end of the income year in which the deferred taxing point occurs. In the unusual event that you have not provided this information, the

Company is required to pay withholding tax based on the highest marginal tax rate plus Medicare Levy as well as the Temporary Budget Repair Levy on taxable income over \$180,000. The Company is entitled to recover any such withholding tax from you, including by offsetting amounts owing to you.

The Company will provide you (no later than 14 July after the end of the income year) and the Commissioner of Taxation (no later than 14 August after the end of the income year) with a statement containing certain information after the end of the income year in which the taxing point occurs, including the discount given in respect of the Performance Rights or underlying Shares, as relevant, at the deferred taxing point. However, if you sell your Shares acquired upon exercise of your Performance Rights within 30 days of the deferred taxing point and the Company is not aware of the sale, the amount to be included in their assessable income may be different to the amount reported by the Company.
