Shareholder Communications Update

Legislative changes to the Corporations Act 2001 effective 1 April 2022 mean there are new options available to you as a shareholder as to how you elect to receive your communications. We will no longer send you physical meeting documents unless you request a copy to be mailed.

We strongly encourage you to provide your email address so we can communicate with you electronically when shareholder notices become available online for such items as meeting documents, dividend statements and annual reports. You can make a standing election to receive some or all of your shareholder communications in physical or electronic form.

To review or update your current communication preference simply logon to our share registry's website at <https://investor.automic.com.au/#/home>. You will need your portfolio log in details or your Shareholder Reference Number (SRN) or Holder Identification Number (HIN).

If at any time you require an additional copy of a communication, or you need more information about the options available to you, please contact Automic Group via email: meetings@automicgroup.com.au.

For and on behalf of the Board:

Yours faithfully
