

## Dromana Estate Limited

### **PRESS RELEASE TO STOCK EXCHANGE**

*Thursday, 21 June 2007*

Dromana Estate is pleased to announce the appointment of a new distributor, Rutherglen Wine & Spirits Company (RW&S) for our Dromana Estate, 'i' range, Mornington Estate and Yarra Valley Hills ranges effective 1<sup>st</sup> August 2007.

RW&S was established over 70 years ago to market wine from the Rutherglen region in northern Victoria and from there has grown to be a significant fine wine distributor with national coverage throughout Australia. Gary Hyams, Managing Director of RW&S commented "we are very excited about adding Dromana Estate, Mornington Estate, 'i' range and Yarra Valley Hills wines to the portfolio."

This move will also provide synergies between our Mornington based wines, made by our head winemaker Rollo Crittenden and our David Traeger brand that is already part of the RW&S portfolio and will spearhead a new direction in RW&S national marketing strategy.
