CLEANSING NOTICE UNDER SECTION 708A(12C)(e) OF THE CORPORATIONS ACT

This cleansing notice (**Cleansing Notice**) is given by Fatfish Blockchain Limited (ASX: FFG) (**Company**) under section 708A(12C)(e) of the *Corporations Act 2001* (Cth) (**Corporations Act**) (as notionally inserted by ASIC Corporations (Sale Offers: Securities Issued on Conversion of Convertible Notes) Instrument 2016/82).

The Company advises that it has today issued 800,000 convertible notes (**Notes**) to Arena Investors L.P. (on behalf of its clients and affiliates) (**Noteholder**) as announced on 22 November 2018. The Notes were issued without disclosure to investors under Part 6D.2 of the Corporations Act.

The purpose of this Cleansing Notice is to enable the fully paid ordinary shares in the capital of the Company (**Shares**) that may be issued on any future conversion of the Notes to be on-sold to retail investors without further disclosure.

This Cleansing Notice is an important document and should be read in its entirety. Neither ASIC or ASX takes any responsibility for the contents of this Cleansing Notice.

1. BACKGROUND

The Company, on 22 November 2018 had announced that it is proposing to undertake a capital raising by the issue of Notes to raise up to a maximum of \$10,000,000 as follows:

- (a) an initial issue of Tranche One of 800,000 Notes to the Noteholder;
- (b) subsequent issue of Tranche Two of 1,200,000 Notes to the Noteholder; and
- (c) subsequent issues of up to an aggregate of 8,000,000 convertible notes (on the same terms as the Notes) to the Noteholder, over 8 tranches of 1,000,000 each.

The Company has today issued Tranche One, comprised of 800,000 Notes to the Noteholder.

The terms of the Notes are set out in the Unsecured Convertible Note Deed (**Deed**) executed by the Company in favour of the Noteholder.

The Directors of the Company (**Directors**) consider that the entry into the Deed and the issue of the Notes is in the best interests of Shareholders as it provides the Company with growth capital for the next 3 years, allowing the Company to tap into more M&A opportunities. The growth capital from the issuance of Notes will also allow the Company to further invest into and expand its existing investee companies, which are showing promising traction.

2. CONTENTS OF THIS CLEANSING NOTICE

This Cleansing Notice sets out the following:

- (a) in relation to the Notes:
 - (i) the effect of the issue on the Company;
 - (ii) a summary of the rights and liabilities attaching to the Notes; and
 - (iii) a summary of the rights and liabilities attaching to the Shares that will be issued on the conversion of the Notes; and
- (b) any information that:
 - (i) has been excluded from continuous disclosure notices in accordance with the ASX Listing Rules; and
 - (ii) is information that investors and their professional advisors would reasonably require for the purpose of making an informed assessment of:
 - (A) the assets and liabilities, financial position and performance, profits and losses and prospects of the Company;
 - (B) the rights and liabilities attaching to the Shares; and
 - (C) other information relating to the Company's status as a disclosing entity.

3. THE EFFECT OF THE ISSUE ON THE COMPANY

3.1 Effect of the issue on the Company

The principal effect of the issue of the Notes on the Company will be to:

- (a) increase the Company's cash reserves by \$800,000 (before costs associated with the Notes issue);
- (b) increase the number of unquoted convertible notes on issue from nil to 800,000;
- (c) give rise to the Company having a liability for the aggregate amount of the face value of the Notes (that is, \$800,000) plus the accrued interest; and
- (d) if the Notes are converted, either wholly or in part to Shares, increase the number of Shares on issue as a consequence of the issue of Shares on such conversion.

In addition to the above, as partial consideration for the investment, the Company has issued 15,000,000 Shares to the Noteholder in consideration for the entry into the Deed.

3.2 Pro-forma consolidated statement of financial position

- (a) Set out in Annexure A is a pro forma consolidated Statement of Financial Position as at 30 June 2018 for the Company based on the 30 June 2018 reviewed accounts adjusted to reflect the Notes issue and has been prepared on the basis of the accounting policies normally adopted by the Company.
- (b) The pro forma financial information is presented in abbreviated form in so far as it does not include all of the disclosures required by the International Accounting Standards applicable to the Company's annual financial statements. The pro forma financial information is not audited. The classification of the allocations between debt and equity for the Notes may change in the future.

3.3 Potential effect on capital structure

The capital structure of the Company as at the date of this Cleansing Notice, before the issue of the securities pursuant to the Deed, is set out below:

Type of security	Number
Shares	515,375,364
Options ¹	186,633,613
Convertible notes	Nil

¹Comprised of the following unquoted options, with each option exercisable into Shares on a 1:1 basis:

- 133,543,614 options exercisable at \$0.011 each expiring 9 June 2019
- 20,000,000 options exercisable at \$0.06 each expiring 9 February 2020
- 33,089,999 options exercisable \$0.045 each expiring 25 June 2021

The Notes are convertible into Shares based on the conversion formula set out in Section 4 below. The number of Shares issued to the Noteholder will therefore depend on a number of factors, including whether the Noteholder elects to convert the Notes.

The table below shows the potential effect of the conversion of all Convertible Notes, based on the floor price as provided for in the Deed of \$0.013. The below table also assumes that no additional Shares are issued prior to conversion of the Notes. Fractions have been rounded up to the nearest Share.

The Noteholder did not hold any Shares prior to the date of this Cleansing Notice. In addition to the Notes, the Company has issued 15,000,000 Shares to the Noteholder under the terms of the Deed:

Shareholder	Number of Shares (assuming all Notes are converted on the assumptions outlined above)	Percentage Interest
All shareholders other than the Noteholder	515,375,364	87%
Noteholder	77,153,847	13%
Total	592,529,211	100%

The new Shares to be issued to the Noteholder on the conversion of the Notes, are set out in the Company's Constitution, regulated by the Corporations Act 2001 (Cth), ASX Listing Rules and the general law.

The Company intends to apply to ASX for quotation of the Shares issued on conversion of any Notes.

The following is a broad summary of the rights, privileges and restrictions attaching to all Shares. This summary is not exhaustive and does not constitute a definitive statement of the rights and liabilities of Shareholders.

General meetings	Shareholders are entitled to be present in person, or by proxy or attorney to attend and vote at general meetings of the Company. Shareholders may requisition meetings in accordance with section 249D of the Corporations Act.
Voting rights	Subject to any rights or restrictions for the time being attached to any class or classes of Shares, at general meetings of Shareholders or classes of Shareholders: • each Shareholder entitled to vote may vote in person or by proxy or attorney; • on a show of hands, every person present who is a Shareholder or a representative of a Shareholder has one vote in respect of each Share carrying the right to vote; and

Dividend rights	The Directors alone may declare a dividend to be paid to Shareholders. The dividend is payable at a time determined in the directors' discretion. No dividend may be declared or paid except as allowed by the Corporations Act. No interest is payable in respect of unpaid dividends. The Directors may set aside of the Company's profit any amount that they consider appropriate. This amount may be used in any way that profits can be used, and can be invested or used in the Company's business in the interim.
Winding-up	If the Company is wound up, the liquidator may, with the authority of a special resolution of the Company, divide among the shareholders in kind the whole or any part of the property of the Company, and may for that purpose set such value as he considers fair upon any property to be so divided, and may determine how the division is to be carried out as between the Shareholders or different classes of Shareholders. The liquidator may, with the authority of a special resolution of the Company, vest the whole or any part of any such property in trustees upon such trusts for the benefit of the contributories as the liquidator thinks fit, but so that no Shareholder is compelled to accept any Shares or other securities in respect of which there is any liability.
Shareholder liability	As the Shares issued on conversion of the Notes will be fully paid Shares, they are not subject to any calls for money by the Directors and will therefore not become liable for forfeiture.

If at any time the share capital is divided into different classes of Shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class), whether or not the Company is being wound up, may be varied or abrogated with the consent in writing of the holders of three-quarters of the issued shares of that class, or if authorised by a special resolution passed at a separate meeting of the holders of the shares of that class.
Alteration of constitution	The Company's constitution can only be amended by a special resolution passed by at least three quarters of Shareholders present and voting at the general meeting. In addition, at least 28 days written notice specifying the intention to propose the resolution as a special resolution must be given.
