Future Generation Global Investment Company update

Dear optionholder,

Future Generation Investment Forum in Melbourne

Following the outstanding success of the Future Generation Investment Forum in Sydney in May, we are taking the event to Melbourne for the first time on 30 November 2017 at 1.30 – 3.00pm at the Melbourne Convention Centre. The Future Generation Investment Forum will provide investors access to exclusive investment ideas in a series of five-minute presentations from Future Generation Global Investment Company's (ASX: FGG) global fund managers and Future Generation Investment Company's (ASX: FGX) Australian fund managers.

Confirmed speakers include Robert Luciano from VGI Partners (FGG), Jack Lowenstein from Morphic Asset Management (FGG), Mark Landau from L1 Capital (FGX) and Matthew Haupt from Wilson Asset Management (FGX) – with many more speakers to be announced closer to the event.

Options

In July, we wrote to FGG optionholders about the choices they face before the options expire on 15 September 2017. This letter quoted an FGG option price of $0.07 on 18 July 2017, while the correct price was $0.007. If you have any questions about your options, please call me on (02) 9247 6755 or 0419 416 618.

Media coverage

FGG and FGX featured in an article in ***The Australian*** yesterday. The article highlights the companies' low volatility returns to shareholders, discounted cost of investing with leading fund managers, highly efficient cost base and contribution to charities.

Shareholder engagement

We are currently calling shareholders for whom we have telephone numbers to seek feedback on their experience with the company as it approaches its two-year anniversary. If we have not already spoken with you, we look forward to doing so soon. In the coming days, we will also write to you regarding the annual donation to charities.

Thank you for your support for FGG.

Yours sincerely,

Louise Walsh
