**Future Generation Global
(ASX: FGG) FY2025
Q&A Webinar**

Thursday, 26 February 2026
2:30pm (Sydney time)

[Register here](#) >

Join Dr David Allen, Head of Long/Short Strategies at Plato Investment Management, one of Future Generation Global's top performing pro bono fund managers, who will share his expert investment insights and global market outlook. You'll also hear from Geoff Wilson AO, Founder and Director of Future Generation, and Lee Hopperton, our Chief Investment Officer, who will discuss the recent special fully franked dividend announcement, highlight the investment portfolio's diversification across regions and holdings and answer shareholder questions.
