Nvoi appoints Alec Bashinsky as a Non-Executive Director

Nvoi Limited (ASX: NVO) has today announced the appointment of Mr. Alec Bashinsky as a Non-Executive Director, effective 1 June 2017.

Nvoi's Chairman, Andrew Dutton, today said: "On behalf of the Board, I am pleased to welcome Alec and look forward to leveraging his strategic and domain expertise, and proven talent leadership to accelerate Nvoi's growth."

Alec brings a wealth of industry experience to the role, and retires from Deloitte at the end of the month where he is currently the Asia Pacific Talent Leader and Australian CHRO and Partner, People and Performance. He is an entrepreneurial thinker who has deep domain expertise and a proven commercial background, which has earned him the HR Director of the Year award on two occasions.

Alec is looking forward to bringing his energy and ideas to Nvoi. "As the industry embraces a period of unprecedented change, it's an exciting time to be joining Nvoi. With a passion for creating high performance teams and using innovation as a competitive advantage, I see enormous potential for supporting the Nvoi team in its ambition to power the new world of work," he said.

In a distinguished human resources career, Alec has proven expertise in technology, data, analytics, and professional services. He specializes in talent strategy, creating the workforce of the future, performance culture, diversity & inclusion and employee engagement.

**About Nvoi:**

Nvoi is a full stack technology Platform, for both businesses and professionals, the stakeholders of the contingent workforce economy. The Nvoi marketplace facilitates the direct engagement between businesses and professionals to engage in on-site work assignment. Nvoi is the employer-of-record managing billing, payroll and workplace compliance, on-hiring professionals to businesses at scale.

For Businesses: The Platform allows Hiring Manager to search for Candidates for assignments, assess validated Candidate profiles, conduct video interviews, and manage the offer and acceptance process with the candidate directly. Nvoi manages the contracts, billing, and payroll as employer-of-record in the transaction. Nvoi provides enterprises a complete contingent workforce platform. As enterprises continue to see their workforce composition change, Nvoi provides a workforce-as-a-service solution to allow them to manage their changing contingent workforce needs.

For Professionals: Nvoi delivers the first global contingent worker management platform, removing the middleman from the process, by directly connecting professionals with hiring managers, at scale. Professional create a profile, validate identity, working rights, skills and experience, and market themselves directly to businesses seeking those skills. As the employer-of-record in each assignment transaction, professionals have one central point to manage active assignments, assignment workflow, payroll, pay slips, and taxation reporting. This delivers professionals with complete control and transparency over their professional working life.
