FLEXIROAM APPOINTED AS ROAMING PARTNER OF THE MALAYSIAN CONTINGENT IN THE 28TH SOUTHEAST ASIA GAMES

The Directors of Flexiroam Limited ("**the Company**") are pleased to announce that at the recently concluded 28th Southeast Asia Games ("**SEA Games**") held in Singapore from the 5th June 2015 to the 16th June 2015, the Olympic Council of Malaysia ("**OCM**") appointed the Company's wholly owned subsidiary Flexiroam Sdn Bhd ("**Flexiroam**") as a sponsor and preferred provider of roaming services of the Malaysian Contingent. Flexiroam provided 1,000 Flexiroam customised SIM cards to members of the Malaysian Contingent, including officials and athletes who travelled to Singapore to participate in the SEA Games.

The company's managing director Jef Ong commented that "this relationship with the Olympic Council of Malaysia enabled Flexiroam customised SIM cards to be utilised by some of Malaysia's elite athletes and along with Asia wide coverage of the SEA Games provided a platform for great publicity and promotion in advance of the company's Asia wide expansion."
