CORPORATE GOVERNANCE STATEMENT

The Board is responsible for establishing the Company's corporate governance framework, the key features of which are set out below. In establishing its corporate governance framework, the Board has referred to the 3rd edition of the ASX Corporate Governance Councils' Corporate Governance Principles and Recommendations.

This corporate governance statement sets out a description of the main policies and practices adopted by the Company. Where the Company's corporate governance practices follow a recommendation, the Board has made appropriate statements reporting on the adoption of the recommendation. In compliance with the "if not, why not" reporting regime, where, after due consideration, the Company's corporate governance practices do not follow a recommendation, the Board has explained its reasons for not following the recommendation and disclosed what, if any, alternative practices the Company has adopted instead of those in the recommendation.

The following governance-related documents can be found on the Flexiroam Website at <https://www.investor.flexiroam.com/>, under the section marked "Corporate Governance":

- (a) Board Charter;
- (b) Board Performance Evaluation Policy;
- (c) Code of Conduct;
- (d) Audit Committee Charter;
- (e) Remuneration and Nomination Committee Charter;
- (f) Securities Trading Policy;
- (g) Continuous Disclosure Policy;
- (h) Shareholder Communications Policy;
- (i) Risk Management Policy; and
- (j) Diversity Policy.

Principle 1: Lay solid foundations for management and oversight

Recommendation 1.1

The Company has established the respective roles and responsibilities of its Board and management, and those matters expressly reserved to the Board and those delegated to management, and has documented this in its Board Charter.

The responsibilities of the Board include but are not limited to:

- (a) Setting and reviewing strategic direction and planning;
- (b) Reviewing financial and operational performance;
- (c) Identifying principal risks and reviewing risk management strategies; and
- (d) Considering and reviewing significant capital investments and material transactions.

In exercising its responsibilities, the Board recognises that there are many stakeholders in the operations of the Company, including employees, shareholders, co-venturers, the government and the community.

The Board has delegated responsibility for the business operations of the Company to the Chief Executive Officer. The Chief Executive Officer is accountable to the Board.

Recommendation 1.2

The Company undertakes appropriate checks before appointing a person, or putting forward to shareholders a candidate for election as, a director and provides shareholders with all material information in its possession relevant to a decision on whether or not to elect a director.

Recommendation 1.3

The Company has a written agreement with each of the Directors and senior executives setting out the terms of their appointment. The material terms of any employment, service or consultancy agreement the Company, or any of its child entities, has entered into with its Chief Executive Officer, any of its directors, and any other person or entity who is a related party of the Chief Executive Officer or any of its directors will be disclosed in accordance with ASX Listing Rule 3.16.4 (taking into consideration the exclusions from disclosure outlined in that rule).

CORPORATE GOVERNANCE STATEMENT

Recommendation 1.4

The Company Secretary is accountable directly to the Board (through the Chairman, if applicable) on all matters to do with the proper functioning of the Board. The Company Secretary assists in the application of best practice in corporate governance and also supports the effectiveness of the Board by:

- (a) ensuring a good flow of information between the Board, its committees, and Directors;
- (b) monitoring policies and procedures of the Board;
- (c) advising the Board (through the Chairman, if applicable) of corporate governance policies; and
- (d) conducting and reporting matters of the Board, including the despatch of Board agendas, briefing papers and minutes.

Recommendation 1.5

The Company has a Diversity Policy, the purpose of which is:

- (a) to outline the Company's commitment to creating a corporate culture that embraces diversity and, in particular, focuses on the composition of its Board and senior management; and
- (b) to provide a process for the Board to determine measurable objectives and procedures which the Company will implement and report against to achieve its diversity goals.

The Company does not select candidates based on gender or ethnicity, rather the recruitment process provides a choice of candidates from a diverse group after canvassing the relevant market and by selecting the most appropriate candidate based on merit and suitability for the role.

As at 31 March 2020, there are three (3) women in senior executive positions in the Company, and twenty one (21) women employees across the Company, representing 38% of the whole organisation. There are no women on the Board at this time. The Board maintains full transparency of board processes, reviews and appointments, and encourages gender diversity.

Recommendation 1.6

As the Company does not presently have a nominated Chairman, the Chief Executive Officer is responsible for evaluating the performance of the Board, Board committees (if any) and individual directors in accordance with the process disclosed in the Company's Board performance evaluation policy.

This policy is to ensure:

- (a) individual Directors and the Board as a whole work efficiently and effectively in achieving their functions;
- (b) the executive Directors and key executives execute the Company's strategy through the efficient and effective implementation of the business objectives; and
- (c) committees to which the Board has delegated responsibilities (if any) are performing efficiently and effectively in accordance with the duties and responsibilities set out in the board charter.

This policy is reviewed annually. No evaluation has been conducted during the reporting period.

Recommendation 1.7

The Chief Executive Officer is responsible for evaluating the performance of the Company's senior executives. Evaluations of senior executives are carried out on a quarterly basis.

As the Company does not presently have a nominated Chairman, the Board as a whole is responsible for evaluating the performance of the Company's Chief Executive Officer. No formal evaluation has been conducted during the reporting period.

Principle 2: Structure the board to add value

Recommendation 2.1

Due to the size of the Board, the Company does not have a separate nomination committee. The roles and responsibilities of a nomination committee are currently undertaken by the Board.

The duties of the full Board in its capacity as a nomination committee are set out in the Company's Remuneration and Nomination Committee Charter which is available on the Flexiroam Website.

CORPORATE GOVERNANCE STATEMENT

When the Board meets as a remuneration and nomination committee it carries out those functions which are delegated to it in the Company's Remuneration and Nomination Committee Charter. Items that are usually required to be discussed by a Remuneration and Nomination Committee are marked as separate agenda items at Board meetings when required.

Recommendation 2.2

The mix of skills and diversity which the Board is looking to achieve in its composition is:

- (a) a broad range of business experience; and
- (b) technical expertise and skills required to discharge duties.

However, a formal Board skills matrix setting out the mix of skills and diversity that the Board currently has or is looking to achieve in its membership has not been established, and therefore the Company does not comply with Recommendation 2.2. The Board will periodically give consideration to the establishment of such a matrix.

Recommendation 2.3

The Board considers the independence of directors having regard to the relevant factors listed in Box 2.3 of the Principles and Recommendations. Currently the Board is structured as follows:

- (a) Jeffrey Ong (Executive Director and Chief Executive Officer) – appointed 18 March 2015;
- (b) Tat Seng Koh (Non-Executive Director) – appointed 3 September 2018; and
- (c) Tuckyin Choy (Non-Executive Director) – appointed 13 May 2019; and
- (d) Thian Choy Ong (Non-Executive Director) – appointed 1 October 2019.

Jeffrey Ong is an Executive Director, and accordingly, is not considered to be independent.

Tat Seng Koh and Thian Choy Ong are substantial shareholders and therefore not considered to be independent.

Tuckyin Choy is considered to be an independent non-executive director, as he is free from any interest, position, association or relationship that could materially interfere with, or reasonably be perceived to materially interfere with, the independent exercise of his judgement.

Recommendation 2.4

The Company is at variance with Recommendation 2.4 in that the majority of directors are not independent. The Board has determined that the current composition of the Board is appropriate, as the directors have a suitable range of qualifications and expertise, understand and competently deal with current and emerging business issues and effectively review and challenge the performance of management. In addition, each individual member of the Board is satisfied that whilst the Company may not comply with Recommendation 2.4, all Directors bring an independent judgement to bear on Board decisions.

Recommendation 2.5

The Company presently does not have a chairman.

Recommendation 2.6

It is a policy of the Company that new Directors undergo an induction process in which they are given a full briefing on the Company.

In order to achieve continuing improvement in Board performance, all Directors are encouraged to undergo continual professional development. Specifically, Directors are provided with the resources and training to address skills gaps where they are identified.

Principle 3: Act ethically and responsibly

Recommendation 3.1

The Company is committed to promoting good corporate conduct grounded by strong ethics and responsibility. The Company has established a Code of Conduct (**Code**), which addresses matters relevant to the Company's legal and ethical obligations to its stakeholders. It may be amended from time to time by the Board, and is disclosed on the Flexiroam Website. The Code applies to all Directors, employees, contractors and officers of the Company.

CORPORATE GOVERNANCE STATEMENT

Principle 4: Safeguard integrity in corporate reporting

Recommendation 4.1

Due to the size of the Board, the Company does not have a separate audit committee. The roles and responsibilities of an audit committee are undertaken by the Board.

The full Board in its capacity as the audit committee is responsible for reviewing the integrity of the Company's financial reporting and overseeing the independence of the external auditors. The Board has adopted an Audit Committee Charter which describes the role, composition, functions and responsibilities of the audit committee and is disclosed on the Flexiroam Website.

When the Board meets as an audit committee it carries out those functions which are delegated to it in the Company's Audit Committee Charter. Items that are usually required to be discussed by an audit committee are marked as separate agenda items at Board meetings when required.

The Board is responsible for the initial appointment of the external auditor and the appointment of a new external auditor when any vacancy arises. Candidates for the position of external auditor must demonstrate complete independence from the Company through the engagement period. The Board may otherwise select an external auditor based on criteria relevant to the Company's business and circumstances. The performance of the external auditor is reviewed on an annual basis by the Board.

Recommendation 4.2

Before the Board approves the Company's financial statements for each financial period it receives from the Chief Executive Officer and the Chief Financial Officer or equivalent a declaration that, in their opinion, the financial records of the Company for the relevant financial period have been properly maintained and that the financial statements for the relevant financial period comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the Company and the consolidated entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

Recommendation 4.3
