FY2009 Profit Guidance Increase - $12m to $13m PBT

FSA Group previously advised the market that it expected Profit Before Tax ("PBT") of $10.5m for full year ended 30 June 2009. Due to record trading conditions in the second half of the financial year, FSA Group now expects PBT to be in the range of $12m to $13m.

"FSA Group continues to experience record demand for its services, assisting its highest ever number of clients across all divisions in the second half of the financial year to date. FSA Group expects that the record levels of consumer and small business debt is likely to further increase the number of individuals and small businesses requiring solutions to resolve their debt problems," said Executive Director Tim Odillo Maher.
