Acquisition of Bocar

Fleetwood is pleased to announce the acquisition of Bocar.

Bocar was established over 25 years ago and is today a leading New South Wales based aluminium tray and accessory manufacturer for the automotive sector. The acquisition provides Fleetwood subsidiary Flexiglass with increased scale in New South Wales, and the opportunity to distribute Bocar products through its Australia wide network.

The acquisition price of \$4.75m will be funded from existing facilities with Westpac. The acquisition is effective 12 August 2014.
