2. Information for shareholders

Entitlement to attend and vote at the Meeting

The Directors have determined pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001 (Cth)* that for the purpose of ascertaining a person's entitlement to vote at the Meeting, a person will be recognized as a shareholder and the holder of Shares and will be entitled to vote at the Meeting if that person is registered as a holder of those Shares at 7:00 PM AEDT on 24 November 2017.

Votes

Unless a poll is demanded in advance of voting on a resolution, voting on each resolution will initially be by way of a show of hands. On a show of hands, each member present in person or by proxy or, in the case of a body corporate, by a representative, shall have one vote.

On a poll, every member present in person or by attorney or by proxy or, in the case of a body corporate, by a representative, shall have one vote for each share held by him, her or it.

In the case of joint shareholders, all holders may attend the Meeting but only one holder may vote at the Meeting in respect of the relevant shares (including by proxy). If more than one joint holder is present, and more than one of the vote of the joint holders vote in respect of the relevant shares, only the vote of the joint holder whose name stands first in the register in respect of the relevant shares is counted.

Proxies

A Shareholder entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of the Shareholder.

Where the Shareholder is entitled to cast two or more votes, the Shareholder may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise.

A proxy need not be a Shareholder and may be a body corporate.

If a Shareholder appoints a body corporate as a proxy, that body corporate will need to ensure that it appoints an individual as its corporate representative to exercise its powers at the Meeting and provide satisfactory evidence of the appointment of its corporate representative prior to the commencement of the Meeting.

If a Shareholder appoints two proxies and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, each proxy may exercise half of the votes.

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on the Resolutions by marking either "For", "Against" or "Abstain" on the form of proxy for that item of business. An instrument of proxy deposited or received at the registered office of the Company in which the name of the appointee is not filed in will be deemed to be given in the favour of the Chairman of the Meeting.

Voting by Proxy if appointment specifies way to vote:

Section 250BB(1) of the *Corporations Act* provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution, and if that appointment does specify the way the proxy is to vote, then the following applies:

- (a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote as directed; and
- (b) if the proxy has 2 or more appointments that specify different ways to vote on the resolution then the proxy must not vote on a show of hands; and
- (c) if the proxy is the chair of the meeting at which the resolution is voted on then the proxy must vote on a poll and must vote as directed; and
- (d) if the proxy is not the chair then the proxy need not vote on the poll, but if the proxy does so, the proxy must vote as directed.

Transfer of non – chair proxy to chair in certain circumstances:

Section 250BC of the *Corporations Act* provides that if:

- (a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- (b) the appointed proxy is not the chair of the meeting; and
- (c) at the meeting, a poll is duly demanded on the resolution; and
- (d) either of the following applies:
 - (i) if a record of attendance is made for the meeting – the proxy is not recorded as attending the meeting;
 - (ii) the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Undirected vote – Resolutions 1 to 8

Subject to the voting restrictions set out in the Voting Exclusion Statements, the Chairperson will vote undirected proxies on, and in favour of all Resolutions.

Direction to Chairman for Resolutions 1 and 6

If the proxy is the Chairman, the Chairman can also vote undirected proxies on Resolution 1 and Resolution 6 provided that proxy form expressly authorises the Chairman to vote on Resolutions 1 and 6 even though Resolutions 1 and 6 are connected with the remuneration of key management personnel.

The Chairman will not vote any undirected proxies in relation to Resolutions 1 and 6 unless the Shareholder expressly authorises the Chairman to vote in accordance with the Chairman's stated voting intentions in their proxy form – Subject to the voting restrictions set out in the Voting Exclusion Statements, the Chairperson intends to, and, if so authorized by a Shareholder, will, vote undirected proxies on, and in favour of Resolutions 1 and 6.

A form of proxy accompanies this Notice.

A corporate shareholder must sign the proxy form in accordance with its constitution or otherwise in accordance with the *Corporations Act*.

To be effective, the instrument of appointment of a proxy (and power of attorney or other authority, if any, under which it is signed or a certified copy of that power or authority) must be received by the Company, by mail at PO Box 305 Fitzroy VIC 3065, in person at Unit 1, 205-207 Johnston Street Fitzroy VIC or by facsimile on + 61 (0) 3 8678 1747 by 11:00 AM AEDT on 26 November 2017.

Item 2 – Resolutions

Resolution 1: Adoption of remuneration report

In accordance with Section 300A(1) of the Corporations Act the Remuneration Report is included in the Directors Report for the financial year ended 30 June 2017.

The Remuneration Report sets out details of the remuneration received by the directors and key Company executives, in addition to describing Board policy in respect of remuneration. Resolution 1 seeks shareholder approval of the adoption of the Remuneration Report by the Company.

The outcome of this resolution is not binding on the Company or the Board. However, sections 250U to 250Y of Corporations Act which have been enacted introduce a 'two strikes and re-election' process in relation to the shareholder vote on the Remuneration Report provide that:

- A 'first strike' will occur if this Remuneration Report resolution receives a 'no' vote of 25% or more. If this occurs, the Company's subsequent remuneration report will contain an explanation of the Board's proposed action in response to the 'no' vote or an explanation of why no action has been taken by the Board.
- A 'second strike' will occur if the resolution to adopt the Remuneration Report at the following Company Annual General Meeting also receives a 'no' vote of 25% or more. If this occurs,

shareholders will vote at that Annual General Meeting to determine whether the Directors will need to stand for re-election at a separate, subsequent meeting (the 'spill resolution'). If the spill resolution passes with 50% or more of eligible votes cast, the spill meeting must take place within 90 days.

The Board believes the Remuneration of the Company's key management personnel (KMP) is appropriate and in line with market rates. The Remuneration Report is set out in the Company's 2017 Annual Report. The 2017 Annual Report can be online at www.goldenmileresources.com.au and on the ASX website www.asx.com.au, (ASX Code: G88).

Dr Koon Lip currently owns more than 10 trading and investment-related businesses in Singapore, Malaysia, Hong Kong and China.

Resolution 5 seeks approval for the re-election of Dr. Koon Lip Choo as a Director of the Company.

Resolution 6 – Non-Executive Directors Remuneration

ASX Listing Rule 10.17 requires that the maximum total aggregate remuneration that may be paid to Non-Executive Directors of the Company be set by the Shareholders at a general meeting.

Resolution 6 seeks Shareholder approval to set the total aggregate remuneration that may be paid to Non-Executive Directors to \$350,000 per annum. This has been determined after reviewing similar companies listed on ASX and the Directors believe that this level of remuneration is in line with corporate remuneration of similar companies. As this is the Company's first general meeting, no maximum total aggregate amount that may be paid to Non-Executive Directors of the Company has been approved previously.

It is noted that it is not presently intended to increase Non-Executive Directors remuneration or distribute all of the \$350,000 (if approved) in the current year, rather it will assist in accommodating any increase in the number of Directors and provide the flexibility to allow payment of appropriate fees over time.

No Company securities have been issued to a Non-Executive Director under rule 10.11 or 10.14 with the approval of the holders of the Company's ordinary securities at any time since the incorporation of the Company.

Resolution 7 – Appointment of Auditor

Section 327B(1) of the Act provides that a public company must appoint an auditor at its first annual general meeting and thereafter to fill a vacancy in the office of auditor at each subsequent annual general meeting.

In accordance with Section 328B(1) of the Act, the Company has sought and obtained a nomination from a Shareholder for HLB Mann Judd to be appointed as the Company's auditor. A copy of this nomination is enclosed with this Notice of Meeting as Annexure A.

HLB Mann Judd has given its written consent to act as the Company's auditor subject to Shareholder approval of this Resolution 7.

If Resolution 7 is passed, the appointment of HLB Mann Judd as the Company's auditor will take effect at the close of this Meeting.

Resolution 8– Approval of additional capacity to issue Shares under ASX Listing Rule 7.1A

ASX Listing Rule 7.1A

In 2012, the ASX introduced ASX Listing Rule 7.1A which enables certain 'eligible entities' to issue equity securities of up to 10% of their issued share capital through placements over a 12-month period commencing after the annual general meeting (Additional Placement Capacity). ASX Listing Rules require that Shareholders approve the Additional Placement Capacity by special resolution, at an annual general meeting before any equity securities are issued under the Additional Placement Capacity.

For the purposes of ASX Listing Rule 7.1A an 'eligible entity' is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an 'eligible entity'. The Additional Placement Capacity is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. Therefore, if the Additional Placement Capacity is approved, the Directors will be allowed to issue equity securities of up to 10% of the Company's issued share capital pursuant to ASX Listing Rule 7.1A and up to 15% pursuant to ASX Listing Rule 7.1. If the Additional Placement Capacity is not approved, the Directors will still be allowed to issue equity securities of up to 15% of the Company's issued capital pursuant to ASX Listing Rule 7.1.

The Company seeks Shareholder approval by way of a special resolution to have the ability to issue equity securities under the Additional Placement Capacity should the need arise.

Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of equity securities calculated in accordance with the following formula:

(A x D) – E

A is the number of shares on issue 12 months before the date of issue or agreement:

- a) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- b) plus the number of partly paid shares that became fully paid in the 12 months;
- c) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- d) less the number of fully paid shares cancelled in the 12 months.
- e) Note that A is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

ASX Listing Rule 7.3A

In accordance with ASX Listing Rule 7.3A the Company provides the following information.

Any securities issued under the Additional Placement Capacity will be in the same class as existing quoted securities of the Company.

The issue price for each security issued under the Additional Placement Capacity will not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within 5 trading days of the date above, the date on which the securities are issued.

The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in Table 1). There is also the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Meeting; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

Equity securities under the Additional Placement Capacity may be issued until the earlier of:

- 1 year from the date of the Meeting; and
- the date of approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or the date of approval by ordinary shareholders of a disposal of a major asset under ASX Listing Rule 11.2.

Any approval of the Additional Placement Capacity at this Meeting will cease to be valid in the event that ordinary shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.

The Company may issue equity securities under the Additional Placement Capacity for the following purposes:

- non-cash consideration: for the acquisition of new assets and investments (in such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rules); or
- cash consideration: to raise funds for working capital, to fund due diligence on potential acquisitions within the mining and exploration industry and/or to fund cash consideration for acquisitions.

The Company's allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue.

The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial position of the Company; and
- advice from the Company's advisors.

The allottees under the Additional Placement Capacity have not yet been determined but allottees may include existing shareholders, existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

A voting exclusion statement is included in this Notice. In accordance with ASX Listing Rule 14.11.1 and the relevant Note under that rule concerning Rule 7.1A, as at the date of this Notice of Meeting it is not known who may participate in the proposed issue (if any). On that basis, no security holders are currently excluded.

Table 1 below shows the dilution of Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2).

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on

- issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- II. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Table 1

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.0725 50% decrease in Issue Price	\$0.145 Issue Price	\$0.29 100% increase in Issue Price

Table 1 has been prepared based on the following assumptions:

- Variable A is based on the number of Shares on issue at 16 October 2017.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under ASX Listing Rule 7.1.
- The issue of equity securities under the additional placement capacity includes only shares.
- The issue price of \$0.145 was the closing price of Shares as traded on ASX as at 13 October 2017. This price may fluctuate between the time of preparing this Notice and the date of the Meeting.

The Company has not previously sought approval for the Additional Placement Capacity

A voting inclusion statement is included in this Notice. In accordance with ASX Listing Rule 14.11.1 and the relevant Note under that rule concerning Rule 7.1A, as at the date of this Notice of Meeting it is not known who may participate in the proposed issue (if any). On that basis, no security holders are currently excluded.

VOTING UNDER STEP 1 - APPOINTING A PROXY

If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chairman of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote these proxies as directed. VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. ATTENDING THE MEETING

Where a Shareholder completes and lodges a valid Proxy Voting Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
