IMPORTANT INFORMATION

This presentation has been prepared by and issued by Torian Resources Limited ABN 72 002 261 565 (**Torian or Company**) to assist in informing interested parties about the Company and should not be considered as an offer or invitation to subscribe for or purchase any securities in the Company or as an inducement to make an offer or invitation with respect to those securities. No agreement to subscribe for securities in the Company will be entered into on the basis of this presentation.

This presentation is limited to persons who are sophisticated investors for the purposes of s708(8) or professional investors for the purposes of s708(11) of the Corporations Act 2001 or persons who hold Australian financial services licences and any of their representatives. By attending and/or receiving this presentation you warrant to Torian that you are such a person. This presentation may contain forward looking statements. Whilst Torian has no reason to believe that any such statements are either false, misleading or incorrect, it cannot and does not warrant or guarantee that through either the passage of time or actions beyond the control of Torian they will not become so.

You should not act and you must refrain from acting in reliance on any of this presentation material. Nothing contained in this presentation constitutes investment, legal, tax or other advice. This overview of Torian does not purport to be all inclusive or to contain all information which its recipients may require in order to make an informed assessment of the Company's prospects. Before making an investment decision, you should conduct, with the assistance of your broker or other financial or professional adviser, your own investigation in light of your particular investment needs, objectives and financial circumstances and perform your own analysis in order to satisfy yourself as to the accuracy and completeness of the information, statements and opinions contained in this presentation prior to making any investment decision.

Neither the Company nor its advisers has verified the accuracy or completeness of the information, statements and opinions contained in this presentation. Accordingly, to the maximum extent permitted by law, the Company makes no representation and give no assurance, guarantee or warranty, express or implied, as to, and take no responsibility and assume no liability for, the authenticity, validity, accuracy, suitability or completeness of, or any errors in or omissions, from any information, statement or opinion contained in this presentation. The contents of this presentation are confidential. This presentation is being provided to you on the condition that you do not reproduce or communicate it or disclose it to, or discuss it with, any other person without the prior written permission of the Company.

Torian, its officers, employees, authorised representatives, consultants and its associates, officers and family members do currently and in the future may have interests in the securities of the Company. In addition, Torian's advisors will earn commissions, fees and other benefits and advantages, whether pecuniary or not and whether direct or indirect in connection with the Capital Raising(s) for the Company, advising and providing services to the Company.

This presentation contains information, ideas and analysis which are proprietary to Torian. By agreeing to receive this information you also agree to respect the confidential nature of this entire presentation. Specifically you agree not to reproduce in any manner or distribute any part of the information contained herein without the prior written consent of the Company.

Information in this report pertaining to mineral resources and exploration results was compiled by Mr Matthew P. Sullivan, who is a member of Aus.I.M.M. Mr Sullivan is the chief geologist of Jemda Pty Ltd, geological consultants to the company. Mr Sullivan has sufficient experience which is relevant to the style of mineralisation and the type of deposit that is under consideration and to the activity that he is undertaking to qualify as a competent person as defined in the 2012 Edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves". Mr Sullivan consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.

This presentation has been prepared on the assumption Torian's takeover bid for Cascade Resources Ltd will be consummated.

Our Great Supporters!

BULLABULLING PTY LTD

The Zuleika Shear

- Major structure in WA
- About 700km long
- Several major gold deposits are nearby
- All are high grade
- Many are long life
- It's pretty cool!

TORIAN
RESOURCES LTD

The Zuleika Shear

- Gold deposits are commonly near:
 - contacts
 - bends
 - cross structures

Production

Resource Growth

What a year and a quarter!

- 59,345m drilled, 1,319 holes
- Increased acreage by 400%
- 7 acquisitions
