State Gas Limited (ASX: GAS) ("State Gas" or "the Company") is pleased to announce that further to the placement announced on 11 December 2019 raising ~\$1 million at \$0.65 per share and the very encouraging production test results from Nyanda-4 (announced to the ASX on 16 December 2019) the Company has today accepted an additional \$500,000 of subscriptions on the same terms.
