2020 CORPORATE GOVERNANCE STATEMENT

Golden Cross Resources Limited (GCR or **Company**) and the entities it controls believe corporate governance is a critical pillar on which business success, and in turn shareholder value is built.

The Board of Directors (**Board**) of Force has adopted a suite of corporate governance charters and policies, commensurate with the Company's needs, which articulate the practices and procedures followed by GCR.

These charters and policies are available in the Corporate Governance section of the Company's website www.goldencross.com.au

This Corporate Governance Statement (**Statement**) reports GCR's compliance with the ASX Corporate Governance Council's "Corporate Governance Principles and Recommendations -4th Edition" (**ASX Principles and Recommendations**) in relation to the financial year ended 30 June 2020.

In addition to the **ASX Principles and Recommendations**, the Board has taken into account a number of important factors in determining its corporate governance practices and procedures, including the:

- relatively simple operations of the Company, which currently only undertakes mineral exploration and development activities;
- cost versus benefits of additional corporate governance requirements or processes;
- size of the Board;
