ASIC – Statement of Claim

ASIC today served Mariner Corporation Limited (ASX: MCX) with a Statement of Claim and Originating Process issued in the Federal Court relating to the Mariner's intention to make an offer for shares in Austock Group Limited (ACK) announced on 25 June 2012.

Further defendants include the Mariner directors at the time Don Christie and Darren Olney-Fraser (current directors) and Matthew Fletcher (former director).

The parties have been co-operating fully with ASIC's enquiries since they began after the conclusion of the Takeovers Panel hearing and will be taking legal advice before making any further statement.
