- i) Members of the Key Management Personnel (which includes each of the Directors) will not be able to vote as proxy on Resolutions 2, 4, 5, 6, 7 and 8, unless the Shareholder directs them how to vote or, in the case of the Chair of the AGM, unless the Shareholder expressly authorises him to do so.
- j) If a Shareholder intends to appoint a member of the Key Management Personnel (other than the Chair of the AGM) as their proxy, the Shareholder should ensure that they direct the member of the Key Management Personnel how to vote on Resolutions 2, 4, 5, 6, 7 and 8.

## 2024 Notice of AGM

- k) If a Shareholder intends to appoint the Chair of the AGM as their proxy for Resolutions 2, 4, 5, 6, 7 and 8, Shareholders can direct the Chair how to vote by marking one of the boxes for Resolutions 2, 4, 5, 6, 7 and 8 (for example, if the Shareholder wishes to vote 'for', 'against' or to 'abstain' from voting). If a Shareholder does not direct the Chair how to vote, then by submitting the Proxy Form, the Shareholder will be expressly authorising the Chair to exercise the proxy in respect of Resolutions 2, 4, 5, 6, 7 and 8 even though those Resolutions are connected to the remuneration of members of the Key Management Personnel.

## 1. Resolution 1 – Re-election of Director – Mr John Hodder

---

As required by the Constitution and the Listing Rules, Mr John Hodder retires as a Director by rotation and, being eligible, offers himself for re-election.

### Experience and qualifications

Mr Hodder is a founding principal of Tembo Capital Management Limited (**Tembo**), a mining private equity fund, which specialises in providing and assisting junior and emerging mining companies, and has over 35 years' experience in the resources industry.

Mr Hodder is a geologist, and his first 10 years' experience was in exploration and project evaluation for both minerals as well as in oil and gas companies. After Mr Hodder obtained a Masters in Finance from the London Business School, he worked for eight years in private equity within emerging market countries and this was followed by six years as a fund manager before co-founding and establishing Tembo.

Mr Hodder is currently a Non-Executive Director of ASX listed Strandline Resources Limited (ASX: STA) (appointed 8 June 2016). In the previous three years, Mr Hodder has been a Non-Executive Director of ASX listed Spartan Resources Limited (ASX: SPR) (appointed 12 May 2023, resigned 20 March 2024).

Mr Hodder is a member of the Remuneration & Nomination Committee.

### Recommendation of Directors

The Directors (with Mr Hodder abstaining) recommend that Shareholders vote in favour of Resolution 1. Mr Hodder makes no recommendation regarding his re-election.

The Chair intends to vote all available proxies in favour of Resolution 1.

## 2. Resolution 2 – Adoption of Remuneration Report

---

### Background

The Remuneration Report for the year ended 31 December 2023 is set out in the Company's 2023 Annual Report.

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of Key Management Personnel and the Company's performance; and
- sets out the remuneration arrangements in place for the Directors and other Key Management Personnel.

Section 250R(2) of the Corporations Act requires the AGM to include a vote on the adoption of the Remuneration Report. In accordance with section 250R(3) of the Corporations Act, the vote on the Resolution is advisory only and does not bind the Directors or the Company. However, the Directors will take the discussion at the AGM and the outcome of the vote into account when considering the Company's remuneration policies.

Section 250SA of the Corporations Act requires that a reasonable opportunity be allowed to Shareholders at the AGM to ask questions about, or make comments on, the Remuneration Report.

## 2024 Notice of AGM

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if at least 25% of votes cast are against adoption of the remuneration report at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution proposing that another general meeting be held within 90 days, at which all of the Directors (other than the Managing Director) would need to stand for re-election (**Spill Resolution**).

This is the Company's fourth annual general meeting since it was admitted to the official list of the ASX. At the Company's 2023 annual general meeting, only 0.02% of votes were cast against the adoption of the remuneration report. As such, even if at least 25% of the votes cast on Resolution 2 are against adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders at the AGM.

### Recommendation of Directors

The Directors encourage all eligible Shareholders to vote on the adoption of the Remuneration Report.

The Chair intends to vote all available proxies in favour of the adoption of the Remuneration Report.

## 3. Resolution 3 – Approval of Additional 10% Placement Capacity

### Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the Equity Securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase the entity's 15% placement capacity under Listing Rule 7.1 by an additional 10% to a total of 25% (**Additional 10% Placement Capacity**).

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that, as at the date of the relevant special resolution under Listing Rule 7.1A, is not included in the S&P/ASX 300 Index and that has a market capitalisation equal to or less than the amount prescribed by ASX (currently \$300 million).

The Company has a market capitalisation of approximately \$62.36 million as at 24 April 2024 and is not included in the S&P/ASX 300 Index. Accordingly, the Company is an "eligible entity" for the purposes of Listing Rule 7.1A.

Resolution 3 seeks Shareholder approval for the Company to access the Additional 10% Placement Capacity. If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval. If Resolution 3 is not passed, the Company will not be able to access the Additional 10% Placement Capacity and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 3 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

### Formula for calculating Additional 10% Placement Capacity

The maximum number of Equity Securities that the Company may issue under the approval sought by Resolution 3 will be calculated in accordance with the formula set out in Listing Rule 7.1A.2:

$$(A \times D) - E$$

Where:

- A =** the number of fully paid ordinary securities on issue at the commencement of the relevant period:
- 1) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
  - 2) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
    - (A) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
    - (B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
  - 3) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
    - (A) the agreement was entered into before the commencement of the relevant period; or
    - (B) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
  - 4) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rules 7.1 or 7.4;
  - 5) plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
  - 6) less the number of fully paid ordinary securities cancelled in the relevant period.
- D =** 10%.
- E =** the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement to issue has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4

*Note: The "relevant period" is a 12-month period.*

## Information required by Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A:

- The Additional 10% Placement Capacity will be valid during the period commencing on the date of the AGM and will expire on the earlier of:
  - the date that is 12 months after the date of the AGM;
  - the time and date of the Company's next annual general meeting; and
  - the time and date of Shareholder approval of any transaction under Listing Rule 11.1.2 (change to the nature or scale of the Company's activities) or Listing Rule 11.2 (disposal of the Company's main undertaking).
- Any Equity Securities issued under Listing Rule 7.1A.2 must be in an existing quoted class of Equity Securities and be issued for cash consideration which is not less than 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
  - the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or

## 2024 Notice of AGM

- if the Equity Securities are not issued within 10 Trading Days of the date in the paragraph above, the date on which the Equity Securities are issued.
- As at the date of this Notice of Meeting, the Company has not formed an intention to offer any Equity Securities under Listing Rule 7.1A. However, if Resolution 3 is passed and the Company does raise funds from the issue of Equity Securities under the Additional 10% Placement Capacity then the Company considers that the funds may be used for general working capital and to continue to advance its 100% owned Baniaka iron ore project located in Gabon, west Central Africa.
- If Resolution 3 is passed and the Company issues Equity Securities under the Additional 10% Placement Capacity, the existing Shareholders' economic and voting interests in the Company will be diluted. There is a risk that:
  - the market price for the Company's Equity Securities may be significantly lower on the date of issue of the Equity Securities than on the date of the AGM; and
  - the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

Any issue of Equity Securities under the Additional 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the relevant issue.

If Resolution 3 is passed and the Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity, the economic and voting interests of existing Shareholders in the Company will be diluted as shown in the table below. This table shows the potential dilution of existing Shareholders on the basis of three different assumed issue prices and values for variable 'A' in the formula in Listing Rule 7.1A.2.

The table above assumes:

1. The current issue price is \$0.091, being the closing price of the Company's Shares on ASX on 24 April 2024.

2. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity.
  3. No convertible securities are exercised before the date of the issue of the Equity Securities.
  4. The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes options, for the purposes of the above table, it is assumed that those options are exercised into Shares for the purposes of calculating the voting dilution effect on existing Shareholders.
  5. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the AGM.
  6. The Company has not issued any Equity Securities in the 12 months prior to the AGM that were not issued under an exception in Listing Rule 7.2, with approval under Listing Rule 7.1 or ratified under Listing Rule 7.4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The identity of the persons to whom Equity Securities will be issued under the Additional 10% Placement Capacity is not yet known and will be determined on a case by case basis having regard to market conditions at the time of the proposed issue of Equity Securities and the Company's allocation policy, which involves consideration of a number of matters including, but not limited to:
    - subject to the scale of the capital raising opportunity, and the appetite of existing Shareholders, a general preference to existing Shareholders;
    - the structure and timeframe of the capital raising opportunities available to the Company (e.g. placement, entitlement offer or share purchase plan);
    - the Company's financial position and likely future capital requirements; and
    - advice from the Company's professional advisers (including corporate, financial and broking advisers if applicable).

The persons to whom Equity Securities may be issued under the Additional 10% Placement Capacity may include institutional, sophisticated and professional investors, existing Shareholders of the Company, clients of holders of an Australian Financial Services Licence and/or their nominees, or any other person to whom the Company is able to issue Equity Securities (but will not include related parties of the Company or their Associates).

- The Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the AGM.
- A voting exclusion statement applies to Resolution 3 as set out in the Notice of Meeting.

## Recommendation of Directors

The Directors recommend that Shareholders vote in favour of Resolution 3.

The Chair intends to vote all available proxies in favour of Resolution 3.

### 4. Resolution 4 – Approval of Company's Performance Rights Plan

---

#### Background

The Company established a performance rights plan (**Performance Rights Plan**) to allow the Board to issue performance rights (**Performance Rights**) to employees, eligible contractors and directors to link the reward of participants to the performance of the Company and creation of Shareholder value. The Performance Rights Plan was last approved by Shareholders on 27 May 2021.

The Company has made minor updates and amendments to the Performance Rights Plan for consistency with the legislative amendments to the Corporations Act which took effect on 1 October 2022 and inserted broad disclosure and licensing exemptions for offers of securities under employee share schemes (in place of existing ASIC class order relief).

A summary of the key terms and conditions of the Performance Rights Plan is set out in Appendix 1.

The grant of any Performance Rights to a Director under the Performance Rights Plan will require specific Shareholder approval under Listing Rule 10.14.

#### Listing Rules 7.1 and 7.2 exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it has on issue at the start of that period (**15% Placement Capacity**).

Listing Rule 7.2 exception 13(b) excludes from the restriction in Listing Rule 7.1 any issue of securities under an employee incentive scheme if within 3 years before the issue date the holders of the company's ordinary securities have approved the issue of securities under the scheme.

If Resolution 4 is passed, the Company will be able to grant Performance Rights under the Performance Rights Plan without using up any of the Company's 15% Placement Capacity and without Shareholder approval under Listing Rule 7.1 for a period of 3 years after the date of the passing of Resolution 4.

If Resolution 4 is not passed, the Company may still grant Performance Rights under the Performance Rights Plan but any grant will reduce the Company's capacity to issue equity securities under Listing Rule 7.1 for 12 months following such grant. This may limit the Company's ability to utilise the Performance Rights Plan without additional Shareholder approval.

#### Information required by Listing Rule 7.2 exception 13(b)

The following information is provided to Shareholders for the purposes of Listing Rule 7.2 exception 13(b):

- A summary of the rules of the Performance Rights Plan is set out in Appendix 1. A copy of the full rules of the Performance Rights Plan is also available upon request from the Company.
- A total of 10,765,000 Performance Rights have been issued pursuant to the Performance Rights Plan since Shareholders last approved it on 27 May 2021.
- The maximum number of Performance Rights proposed to be issued under the Performance Rights Plan within the 3 year period after the date of the passing of Resolution 4 is 30 million Performance Rights. The maximum number is not intended to be a prediction of the actual number of Performance Rights to be granted under the Performance Rights Plan, but simply a ceiling for the purposes of Listing Rule 7.2 exception 13(b).
- A voting exclusion statement in respect of Resolution 4 has been included in the Notice of Meeting.

## Recommendation of Directors

Given that the Directors may participate in the Performance Rights Plan, the Directors make no recommendation in respect of Resolution 4.

The Chair intends to vote all available proxies in favour of Resolution 4.

## 5. Resolutions 5, 6, 7 and 8 – Approval of grant of Performance Rights to Mr Michael Arnett, Mr Giuseppe Ariti, Mr Brian van Rooyen and Mr Salvatore Amico

Mr Michael Arnett is the Chair and a Non-Executive Director of the Company, and holds 1,235,294 Shares. Mr Giuseppe Ariti is the Managing Director and CEO of the Company, and holds 20,183,211 Shares. Mr Brian van Rooyen is a Non-Executive Director of the Company and holds 536,398 Shares. Mr Salvatore Amico is a Non-Executive Director of the Company and holds 886,350 Shares.

Resolutions 5, 6, 7 and 8 seek Shareholder approval for the grant of:

- 800,000 Performance Rights to Mr Michael Arnett;
- 2,000,000 Performance Rights to Mr Giuseppe Ariti;
- 800,000 Performance Rights to Mr Brian van Rooyen; and
- 1,200,000 Performance Rights to Mr Salvatore Amico,

(together, the **Participating Directors**).

The Company proposes to grant a total of 4.8 million Performance Rights to the Participating Directors. Each Performance Right, when duly exercised, will convert to one Share. The Performance Rights will be issued to Mr Arnett, Mr Ariti, Mr van Rooyen and Mr Amico, or their nominees, on the following terms and conditions:

|                   | Number of Performance Rights | Vesting conditions                                                                                         | Proposed grant date | Expiry date |

## Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- the giving of the financial benefits falls within one of the nominated exceptions to the provision; or
- Shareholder approval is obtained prior to the giving of the financial benefit and the benefit is given within fifteen (15) months after obtaining such approval.

For the purposes of Chapter 2E of the Corporations Act, each of the Participating Directors is a related party of the Company.

Each of Resolutions 5, 6, 7 and 8 relate to the proposed grant of Performance Rights to a Participating Director, or their nominee, which is a financial benefit that requires Shareholder approval for the purposes of section 208 of the Corporations Act.

## Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme:

- a director of the company (Listing Rule 10.14.1);
- an Associate of a director of the company (Listing Rule 10.14.12); or
- a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3),

unless it obtains the approval of its shareholders.

The proposed grant of Performance Rights to the Participating Directors, or their nominees, pursuant to Resolutions 5, 6, 7 and 8 fall within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

If Resolutions 5, 6, 7 and 8 are passed, the Company will be able to proceed with the grant of the Performance Rights and any subsequent issue of Shares upon the vesting of such Performance Rights will not count

## 2024 Notice of AGM

towards the Company's 15% Placement Capacity under Listing Rule 7.1 (without the need for separate Shareholder approval under Listing Rule 7.1).

If Resolutions 5, 6, 7 and 8 are not passed, the Company will not be able to proceed to grant the Performance Rights to the Participating Directors, or their nominees. The Company may then need to consider alternative arrangements to appropriately remunerate and incentivise the Participating Directors.

### Information required by section 219 of the Corporations Act and Listing Rule 10.15

- The Performance Rights will be granted to Mr Michael Arnett, Mr Giuseppe Ariti, Mr Brian van Rooyen and Mr Salvatore Amico, or their nominees, on the terms and conditions set out above and pursuant to the Performance Rights Plan, a summary of which is set out in Appendix 1.
- Each of the Participating Directors is a related party of the Company under Listing Rule 10.14.1 by virtue of being a Director.
- Subject to Shareholder approval, the proposed financial benefit to be given is the granting of:
  - 800,000 Performance Rights to Mr Michael Arnett, or his nominee;
  - 2,000,000 Performance Rights to Mr Giuseppe Ariti, or his nominee;
  - 800,000 Performance Rights to Mr Brian van Rooyen, or his nominee; and
  - 1,200,000 Performance Rights to Mr Salvatore Amico, or his nominee,

for no consideration.

- The current total remuneration package of each Participating Director (on an annualised basis) is set out below:

| Participating Director | Salary and fees               |
|------------------------|-------------------------------|
| Mr Michael Arnett      | US\$80,000                    |
| Mr Giuseppe Ariti      | \$300,000 plus superannuation |
| Mr Brian van Rooyen    | US\$60,000                    |
| Mr Salvatore Amico     | US\$60,000                    |

- The Company has previously issued 1,600,000 Performance Rights to Mr Arnett, 8,735,000 Performance Rights to Mr Ariti, 1,200,000 Performance Rights to Mr van Rooyen, and 1,680,000 Performance Rights to Mr Amico for nil consideration.

- The grant of further Performance Rights will encourage the Participating Directors to continue to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through increasing Share ownership. Under the Company's current circumstances, the Directors consider (in the absence of the Participating Directors) that the incentives intended for the Participating Directors represented by the grant of these Performance Rights are, for a company without an income stream, a cost effective and efficient means for the Company to provide a reward and an incentive.
- The highest and lowest closing market sale prices of the Shares since the Company was admitted to the official list of ASX prior to the date of this Notice were:

|                |                                   |
|----------------|-----------------------------------|
| <b>Highest</b> | \$0.32 per Share on 30 April 2021 |
|----------------|-----------------------------------|

|               |                                                |
|---------------|------------------------------------------------|
| <b>Lowest</b> | \$0.088 per Share on 8-9, 19 and 22 April 2024 |
|---------------|------------------------------------------------|

- RSM Australia Pty Ltd (**RSM**) have assessed the indicative fair value of each Performance Right to be granted to the Participating Directors as \$0.09 per Performance Right. In RSM's opinion (based on the information provided to them), the vesting conditions attached to the Performance Rights do not fall within the definition of a 'market condition' under AASB Standard 2 given they are not dependent on the future market price of the Company's Shares. Therefore, RSM have assessed the fair value of the Performance Rights to be the traded share price at the grant date. As the Performance Rights will not be issued until after the AGM, RSM adopted the closing price of the Company's Shares at 4 April 2024, being \$0.09.
- The issue of the Performance Rights will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Performance Rights vest and are exercised. The potential dilution effect on a fully diluted basis is summarised below:

| Performance Rights                                                                | Dilutionary effect |
|-----------------------------------------------------------------------------------|--------------------|
| 800,000 Performance Rights proposed to be issued to Mr Arnett, or his nominee     | 0.12%              |
| 2,000,000 Performance Rights proposed to be issued to Mr Ariti, or his nominee    | 0.29%              |
| 800,000 Performance Rights proposed to be issued to Mr van Rooyen, or his nominee | 0.12%              |
| 1,200,000 Performance Rights proposed to be issued to Mr Amico, or his nominee    | 0.18%              |

The above table assumes the current Share capital structure as at the date of this Notice and that no Shares are issued other than the Shares issued on exercise of the Performance Rights. The exercise of all of the Performance Rights proposed to be issued to Mr Arnett, Mr Ariti, Mr van Rooyen

## 2024 Notice of AGM

and Mr Amico, or their nominees, will result in a total dilution of all other Shareholders' holdings of 0.70%. The actual dilution will depend on the extent that additional Shares are issued by the Company.

- The Performance Rights will be issued on a date which will be no later than three years after the date of the AGM, unless otherwise extended by way of ASX granting a waiver to the Listing Rules.
- The Performance Rights will be granted for nil consideration.
- A summary of the material terms of the Performance Rights Plan is set out in Appendix 1.
- No loans will be made by the Company in relation to the acquisition of Performance Rights or any shares issued under the Performance Rights Plan to the Participating Directors or their nominees.
- Details of any securities issued under the Performance Rights Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- Any additional persons who become entitled to participate in an issue of securities under the Performance Rights Plan after Resolutions 5, 6, 7 and 8 are approved and who are not named in the Notice of Meeting will not participate until approval is obtained under Listing Rule 10.14 (if approval is required under that Listing Rule).
- A voting exclusion statement applies to each of Resolutions 5, 6, 7 and 8 as set out in the Notice of Meeting.

The Chair intends to vote all available proxies in favour of Resolutions 5, 6, 7 and 8.

## 6. Resolution 9 – Reinstatement of the Company’s proportional takeover provisions

---

### Background

Section 648G of the Corporations Act permits a company to include, in its constitution, proportional takeover provisions prohibiting the registration of a transfer of securities resulting from a proportional takeover bid unless and until a shareholders’ resolution to approve the proportional takeover bid is passed in accordance with those provisions by the holders of the shares of the class to which the shares being bid for belong.

The proportional takeover provisions allow holders of the relevant shares to decide whether a proportional takeover bid is acceptable and should be allowed to proceed.

Under section 648G(1) of the Corporations Act, a company’s proportional takeover provisions, unless sooner omitted from the company’s constitution, will cease to apply at the end of three years unless another specified period applies. When the provisions cease to apply, the company’s constitution is, by force of section 648G(3) of the Corporations Act, altered by omitting the provisions.

When it was adopted, Rule 6 of the Constitution contained the proportional takeover provisions the subject of section 648G of the Corporations Act. These provisions have not been renewed in the last three years, which has resulted in Rule 6 ceasing to apply, in accordance with sections 648G(1) and 648G(3) of the Corporations Act.

Resolution 9 seeks to amend the Constitution by reinserting, as Rule 6, the proportional takeover provisions set out in Appendix 2 to the Explanatory Materials.

The Corporations Act requires that the following information be provided to shareholders when they are considering the inclusion of proportional takeover provisions in a constitution.

### Effect of the proportional takeover provisions

A proportional takeover bid involves the bidder offering to buy a proportion only of each Shareholder’s Shares. The provisions proposed to be reinstated to the Company’s Constitution state that, in the event of a proportional takeover bid being made, the Directors must hold a meeting of the Shareholders entitled to vote for the purpose of considering and, if thought fit, passing a resolution to approve that proportional takeover bid. The bidder and its associates are not allowed to vote on the resolution.

A resolution approving the bid must be voted on by the day that is 14 days before the last day of the bid period, during which the offers under the proportional takeover bid remain open, or a later day allowed by ASIC. The resolution will be passed if more than 50% of votes are cast in favour of the approval. If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn.

The Directors will breach the Corporations Act if they fail to ensure the resolution is voted on. If no resolution is voted on by the deadline, the bid is taken to have been approved.

The proportional takeover provisions do not apply to full takeover bids, and only apply for three years after the date they are renewed. The provisions may be refreshed for a further three-year period, but only by a special resolution passed by Shareholders.

### Reasons for proposing the Resolution

The proportional takeover provisions set out in Rule 6 of the Constitution lapsed on 9 March 2024. If the proportional takeover approval provisions are not in the Constitution, a proportional takeover bid may

## 2024 Notice of AGM

enable control of the Company to pass without Shareholders having the chance to sell all of their shares to the bidder. Shareholders may therefore be exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without paying an adequate amount for that control.

The proportional takeover provisions decrease this risk because they allow Shareholders to decide whether a proportional takeover bid is acceptable and should be permitted to proceed.

### No knowledge of present acquisitions proposals

At the date of this notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

### Potential advantages and disadvantages of the proportional takeover provisions for the Directors and Shareholders

The Directors of the Company consider that the proposed reinstatement of the proportional takeover provisions has no potential advantages or disadvantages for Directors because they remain free to make a recommendation on whether a proportional takeover bid should be accepted. The potential advantages of the proportional takeover provisions for Shareholders include:

- Shareholders have the right to decide by majority vote whether a proportional takeover bid should proceed;
- the provisions may assist Shareholders to avoid being locked in as a minority;
- the bargaining power of Shareholders is increased and this may assist in ensuring that any proportional bid is adequately priced; and
- knowing the view of the majority of Shareholders assists each individual Shareholder in assessing the likely outcome of the proportional takeover bid and whether to approve or reject that offer.

Some potential disadvantages for Shareholders include:

- the provisions are a hurdle to, and may discourage the making of proportional takeover bids in respect of the Company;
- Shareholders may lose an opportunity of selling some of their shares at a premium; and
- the chance of a proportional takeover bid being successful may be reduced.

The Board considers that the potential advantages for Shareholders of the proportional takeover approval provisions outweigh the potential disadvantages. In particular, Shareholders as a whole should be able to decide whether or not a proportional takeover bid is successful.

### Application to set aside proportional takeover provisions

In accordance with section 648G(6) of the Corporations Act, Shareholders who together hold not less than 10% of the issued securities in the Company to which the proportional takeover provisions apply may within twenty-one (21) days of the reinsertion of Rule 6 into the Constitution apply to the Court to have the purported reinstatement set aside. The proportional takeover provisions will only be validly reinstated once and if such an application is made and determined.

### Directors' Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 9.

The Chair intends to vote all available proxies in favour of Resolution 9.

# 2024 Notice of AGM

---

**Cessation of employment**

If, at any time before the achievement of the relevant milestones, a holder of a Performance Right ceases to be an Eligible Participant, all unvested Performance Rights held by the Eligible Participant will automatically lapse unless the Board determines otherwise.

---

**Reorganisation**

The terms upon which the Performance Rights are issued may be changed to comply with the legislation and ASX Listing Rules applying to a reorganisation of the capital of the Company.

---

**Participation and entitlement rights**

There are no participation rights or entitlements inherent in the Performance Rights and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Performance Rights unless Shares are allotted pursuant to the conversion of the relevant Performance Rights prior to the record date for determining entitlements to such issue.

---

**No change in number of Performance Rights**

A Performance Right does not confer the right to a change in the number of underlying Shares over which the Performance Right can be exercised, except to the extent the Plan or an offer otherwise provides subject to the ASX Listing Rules.

---

**Change of control**

If any of the following events occur:

- the Company is subject to a takeover bid and the bidder has acquired a relevant interest in at least 50.1% of the Company's issued Shares;
  - a court approves, under section 411(4)(b) of the Corporations Act, a compromise or arrangement (other than with the Company's creditors) for the purposes of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with another company; or
  - in any other case, a person obtains voting power in the Company which the Board (which for the avoidance of doubt will comprise those Directors immediately prior to the person acquiring that voting power) determines, acting in good faith and in accordance with their fiduciary duties, is sufficient to control the composition of the Board, but excluding a change of control that occurs as a result of the Company undertaking an initial public offering of Shares and becoming listed on a stock exchange, all vesting conditions attaching to the Performance Rights are deemed to be automatically waived (unless the offer of the Performance Rights provides otherwise).
- 

**Restriction period**

The Board may, in its discretion, determine at any time up until exercise of Performance Rights, that a restriction period will apply to some or all of the Shares issued or transferred to an Eligible Participant on exercise of those Performance Rights, up to a maximum of fifteen (15) years from the grant date of the Performance Rights.

---

---

**Power to amend  
Plan**

Subject to the Corporations Act and the ASX Listing Rules, the Board may at any time, by resolution, amend or add to all or any of the provisions of the Plan or the terms or conditions of any Performance Rights issued under the Plan.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

**A proxy need not be a securityholder of the Company.**

**Joint Holding:** Where the holding is in more than one name, all of the securityholders should sign.

If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone.
