Employee Share Option Plan Rules**Page 5****9. APPLICATIONS**

10. GRANT AND EXERCISE OF OPTIONS**10.1 Grant of Options**

Upon acceptance of a duly signed and completed Application for Specified Options, the Company may grant the Options applied for to the Applicant (the "**Holder**"). The Company will issue an Option Certificate to each Holder in respect of Options granted to them.

- 10.2 Unless otherwise determined by the Board when it resolves to grant the Option, each Option is granted on the following terms:

Exercise of Options

- (a) If any Performance Criteria are imposed on a Holder, that Holder may only exercise their Options upon satisfaction of the Performance Criteria and prior to the Expiry Date.
- (b) Notwithstanding paragraph (a) above, all Options may be exercised:
- (i) during a Takeover Period; or
 - (ii) in the Board's absolute discretion, in the event of the death or Permanent Disablement of an Eligible Employee.
- (c) If, in the reasonable opinion of the Board, an Eligible Employee acts fraudulently or dishonestly in any material respect or is in material breach of his or her obligations to any Group Company, then, notwithstanding any other provision in these Rules, the Board may deem any unexercised Options of the Eligible Employee to have lapsed.

Employee Share Option Plan Rules**Page 6****Notice of Exercise**

- (d) Options may only be exercised by delivering an Option Exercise Notice as executed by the Holder to the principal place of business of the Company. The Option Exercise Notice must specify the number of Options being exercised (which must be no less than multiples of 1,000) and must be accompanied by:

- (i) the Exercise Price for the number of Options specified in the Option Exercise Notice; and
- (ii) the Certificate for those Options, for cancellation by the Company.

The Option Exercise Notice only becomes effective when the Company has received the full amount of the Exercise Price for the number of Options in cleared funds.

Issue of Certificates

- (e) Subject to paragraphs (a) and (d) above, the Holder having complied with the terms of the Options and subject to any necessary consents or approvals required to be obtained by the Company, within 10 Business Days of the Option Exercise Notice referred to in paragraph (d) above becoming effective, the Board must:

- (i) allot and issue the number of Shares specified in the Option Exercise Notice to the Holder;
- (ii) cancel the Certificate for the Options exercised; and
- (iii) if applicable, issue a new Certificate for any remaining unexercised Options covered by the Certificate accompanying the Option Exercise Notice.

Allotment of Shares

- (f) All Shares allotted upon the exercise of Options will be of the same class and rank equally in all respects with other Shares in the Company, and, in particular, entitle their holders to participate fully in:

- (i) dividends cleared by the Company after the date of allotment; and
- (ii) all issues of securities offered to holders of Shares where entitlements to participate in those issues are determined by reference to a record date after the date of allotment of Shares allotted upon the exercise of Options.

Official Quotation

- (g) If the Company's Shares are officially quoted by ASX, the Company must apply for official quotation by ASX of all Shares allotted pursuant to the exercise of Options not later than 10 Business Days after the date of allotment or any shorter

Employee Share Option Plan Rules**Page 7**

period prescribed by the Listing Rules. The Company will not apply to have the Options granted under the Plan quoted on ASX.

New Issues

- (h) In the event of a pro rata issue (except a bonus issue) to the holders of Shares, the Exercise Price of an Option may be reduced using the formula:

$$O' = O - \frac{E[P - (S + D)]}{N + 1}$$

where:

- O' = the new exercise price of the Option.
- O = the old exercise price of the Option.
- E = the number of shares into which one Option is exercisable.
- P = the average market price per share (weighted by reference to volume) of the Shares during the 5 trading days ending on the day before the ex rights date or ex entitlements date.
- S = the subscription price for a share under the pro rata issue.
- D = the dividend due but not yet paid on the existing Shares (except those to be issued under the pro rata issue).
- N = the number of Shares with rights or entitlements that must be held to receive a right to one new Share.

Bonus issues

- (i) If, prior to the expiry of any Options, the Company makes a bonus share issue to the holders of Shares on a pro rata basis, by way of capitalisation of profits or reserves (other than an issue in lieu of dividends) (a "**Bonus Issue**"), the number of Shares over which an Option is exercisable will be increased by the number of Shares which the Holder would have received if the Option had been exercised before the date the Shares the subject of the Bonus Issue had been duly allotted and issued ("**Bonus Shares**"). The Bonus Shares must be paid up by the Company out of profits or reserves (as the case may be) in the same manner as was applied in relation to the Bonus Issue and upon issue rank equally in all respects with the other shares of that class on issue at the date of issue of the Bonus Shares.

Reconstruction of capital

- (j) In the event that, prior to the expiry of any Options, there is a reconstruction (including consolidation, subdivision, reduction, return or pro-rata cancellation) of

Employee Share Option Plan Rules**Page 8**

the issued capital of the Company, then the number of Options to which each Holder is entitled or the Exercise Price or both will be reconstructed in the manner required by the Listing Rules.

Advice

- (k) The Company must give notice to each Holder of any adjustment to the number of Shares for which the Holder is entitled to subscribe or to the Exercise Price pursuant to the provisions of paragraphs (h), (i) or (j) above.

No Dividends

- (l) A Holder will not be entitled to dividends in respect of the Options.

11. LIMIT ON NUMBER OF OPTIONS TO BE GRANTED

An invitation or offer of Options may only be made under the Plan if the number of Shares that may be acquired on exercise of the Options when aggregated with:

- (a) the number of Shares which would be issued if each outstanding offer or Option, being an offer made or Option acquired pursuant to the Plan or any other employee share scheme was to be accepted or exercised; and
- (b) the number of Shares issued during the previous 5 years pursuant to the Plan or any other employee share scheme,

but disregarding any offer made, or Option acquired or Share issued, by way of or as a result of:

- (c) an offer to a person situated outside of Australia at the time of receipt of the offer; or
- (d) an offer did not require disclosure to investors because of section 708 of the Corporations Act; or
- (e) an offer made under a disclosure document (within the meaning of the Corporations Act),

does not exceed 5% of the total number of issued Shares of the Company as at the time of the invitation or offer.

12. CEASING TO BE AN ELIGIBLE EMPLOYEE

- 12.1 If at any time before the exercise of an Option, a Holder ceases to be an Eligible Employee, all Options held by the Eligible Employee will automatically lapse unless the Board otherwise determines within 30 days of the Holder ceasing to be an Eligible Employee.

Employee Share Option Plan Rules**Page 9**

- 12.2 If a Holder ceases to be an Eligible Employee at any time before the exercise of the Options, the Holder may, subject to these Rules, during the period of 30 days after the date on which the Holder ceases to be an Eligible Employee, exercise any Option which the Holder would have otherwise been entitled to exercise. Any Options held by the Holder which are unexercised at the expiry of such 30 day period will automatically lapse.

13. TRANSFER OF OPTIONS

Subject to the Listing Rules, Options issued under the Plan are not transferable except with the prior written approval of the Board. Any instrument of transfer must be in writing, signed by both parties, duly stamped and otherwise in such form as the Board may from time to time prescribe. The Board will not register any transfer of an Option made otherwise than in accordance with this rule.

14. AMENDMENTS TO THE RULES

- 14.1 Subject to rule 14.2, the Board may alter, delete or add to the Plan or Rules at any time, but for so long as the Company remains on the official list of ASX such alteration, deletion or addition has no effect unless the relevant requirements of the Listing Rules have been complied with.
- 14.2 No amendment to the provisions of the Plan, or to any restrictions or other conditions relating to any Option granted pursuant to the Plan, may be made which reduces the rights of Holders in respect of Options granted to them prior to the date of the amendment, other than any amendment introduced primarily:
- (a) for the purpose of complying with or conforming to present or future State or Commonwealth legislation governing or regulating the maintenance or operation of the Plan or like plans;
 - (b) to correct any manifest error or mistake; or
 - (c) to take into consideration possible adverse taxation implications in respect of the Plan arising from, amongst others, adverse rulings from the Commissioner of Taxation, changes to taxation legislation (including an official announcement by the Commonwealth of Australia) and/or changes in the interpretation of taxation legislation by a Court of competent jurisdiction.
- 14.3 As soon as is reasonably practicable after making any amendment under rule 14.1, the Board will give notice in writing of the amendment to any Eligible Employee affected by the amendment.

15. POWERS OF THE BOARD

The Plan will be administered by the Board which has the power to determine procedures from time to time for administration of the Plan consistent with these Rules and resolve conclusively all questions of fact or interpretation arising in connection with the Plan.

Employee Share Option Plan Rules**Page 10****16. NO INCORPORATION INTO TERMS OF EMPLOYMENT OR ENGAGEMENT**

The rights and obligations of an Eligible Employee under the terms of his/her office or employment with any Group Company are not affected by his/her participation in the Plan and these Rules do not form part of and are not incorporated into any contract of engagement or employment of any individual or entity with a Group Company and do not confer directly or indirectly on an individual or entity any legal or equitable right whatsoever against a Group Company. No Eligible Employee has any rights of compensation or damages in consequence of the termination of his/her engagement or employment for any reason whatsoever in so far as those rights arise or may arise from his/her ceasing to have rights under the Plan as a result of such termination.

17. GOVERNING LAW

The Plan and these Rules shall in all respects be governed by and shall be construed in accordance with the laws of Western Australia.

18. SEVERANCE

If any provision in these Rules is void, voidable by any party or illegal, it shall be read down so as to be valid and enforceable or, if it cannot be so read down, the provision (or where possible, the offending words) shall be severed from these Rules without affecting the validity, legality or enforceability of the remaining provisions (or parts of those provisions) of these Rules which shall continue in full force and effect.
