EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of Shareholders in Galilee Energy Limited (**Company**) in connection with the business to be considered at the Annual General Meeting of Shareholders to be held at 11.00am (Brisbane time) on Tuesday, 25 November 2025.

This Explanatory Memorandum comprises part of the accompanying Notice of Meeting. Capitalised terms are defined in the "Definitions" section at the end of this Explanatory Memorandum. Unless stated otherwise, all references to sums of money, '\$' or 'dollars' are references to Australian currency.

Purpose of Explanatory Memorandum

The purpose of this Explanatory Memorandum is to provide Shareholders with information which may be relevant to the Resolutions to be put to Shareholders at the Meeting.

Annual Financial Report

The Corporations Act requires that the Report of the Directors, the Auditor's Report and the Financial Report be presented to Shareholders at the Annual General Meeting. The first item of business of the Notice of Meeting deals with the presentation of the Company's Annual Financial Report for the year ending 30 June 2025. Shareholders should consider this document and raise any matters of interest with the Directors when this item is being considered.

The Company's Annual Financial Report for the year ended 30 June 2025 is available on the Company's website at: <https://galilee-energy.com.au/reports/>.

No vote or resolution is required to be moved in respect of this item.

Resolution 1: Remuneration Report for the Year ended 30 June 2025

During this item of business, Shareholders at the meeting may comment on and ask questions about the Remuneration Report that appears in the Company's Annual Report 2025.

Section 300A of the Corporations Act requires the Director's Report to contain a Remuneration Report (**Report**) containing information about the Board's policy for determining the nature and amount of the remuneration of directors and senior management. The Report must also explain the relationship between the remuneration policy and the Company's performance. The disclosure requirements stipulated in section 300A of the Corporations Act have been complied with.

At the 2024 Annual General Meeting of the Company, more than 99.57% of the votes cast were in favour of the Remuneration Report.

The Corporations Act (sections 250R(2) and 250R(3)) provides that the vote on the adoption of the Report is advisory only and does not bind the Directors or the Company. However, if at least 25% of the votes cast on the resolution at the Annual General Meeting are against adoption of the Report, then:

- if comments are made on the Report at the Annual General Meeting, the Company's Remuneration Report for the financial year ending 30 June 2026 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- if, at the Company's 2026 Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report for the relevant financial year are against its adoption, the Company will be required to put to shareholders a resolution proposing that a general meeting (**Spill Meeting**) be called to consider the election of Directors of the Company (**Spill Resolution**). For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all of the Directors (other than any managing director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

Recommendation

The Remuneration Report forms part of the Company's Annual Report, made in accordance with a unanimous resolution of the Directors. Each of the Directors recommends the Report to Shareholders for adoption.

The Chair of the Meeting intends to vote all available proxies in favour of Resolution 1.

A vote cast on Resolution 1 is advisory only and does not bind the Directors or the Company.

Resolution 2: Re-election of Mr Stephen Kelemen as a Director

Mr Stephen Kelemen was appointed to the Board by the Directors on 31 March 2018 and was last elected to the Board by Shareholders at the Company's 2023 Annual General Meeting.

Rule 79.1 of the Constitution provides that a Director may not hold office for a continuous period in excess of three years or past the third annual general meeting following the Director's appointment, whichever is the longer, without submitting for re-election. Rule 79.2 also requires that if no Director would otherwise be required by Rule 79.1 to submit for election or re-election, the Director to retire at an Annual General Meeting are those who have been longest in office since their election. Accordingly, Mr Kelemen retires from office in accordance with rule 79 of the Constitution and, being eligible, submits himself for re-election. His qualifications are set out below:

Stephen has a diverse petroleum industry experience across reservoir, development, operations and exploration activities in conventional oil & gas, CSG and other unconventional resources from his 40-year career in the industry. Notably he led Santos Ltd's CSG team from its inception in 2004 and drove the growth that enabled Santos to develop a substantial CSG portfolio. Stephen has a Bachelor of Engineering degree from the University of Adelaide. He is an Adjunct Professor at University of Queensland Gas & Energy Transition Research Centre and is the Deputy Chair of Petroleum for Queensland Exploration Council.

Mr Kelemen is also a Director of Elixir Energy Limited and unlisted Advent Energy Limited.

Recommendation of Directors

The Directors (other than Stephen Kelemen) unanimously recommend that Shareholders vote in favour of Resolution 2 and advise that they intend to vote any Shares that they own or control in favour of Resolution 2.

The Chair of the Meeting intends to vote all available proxies in favour of Resolution 2.

Resolution 3: Approval to issue 16,666,667 Shares to Mr Greg Columbus, Director of the Company, or his nominated Associate

Background to the Placement

On 24 March 2025, the Company announced that it had received firm commitments to undertake a placement of Shares to raise \$1 million (before expenses) through the issue of 166,666,667 Shares at an issue price of \$0.006 per Share (Placement), as follows:

- a) the issue of 133,333,333 Shares to sophisticated and professional investors, raising \$800,000 (before expenses) (the subject of Resolution 1); and
- b) an agreement to subsequently issue a further 33,333,334 Shares to raise a further \$200,000 (before expenses), as follows:
 - i) 16,666,667 Shares to Spring Street Holdings Pty Ltd, being an Associate of Mr Raymond Shorrocks (the subject of Resolution 2); and
 - ii) 16,666,667 Shares to Discovery Investments Pty Ltd, being an Associate of Mr Greg Columbus (the subject of Resolution 3),

which was conditional on Shareholder approval being obtained for that issue. Details of the Placement to raise A\$800,000 which was approved by shareholders on 8 May 2025, were as follows:

Names of allottees	The Shares issued under the Placement were issued to various professional and sophisticated investors selected by the Company in consultation with the Lead Manager, and Participating Directors.
Number and class of securities issued	133,333,333 Shares. The Shares are fully paid ordinary shares which rank equally with all other Shares on issue.
Date of issue	The Shares were issued on 1 April 2025.
Issue price	The issue price for the Shares was \$0.006 per Share.
Purpose	The purpose of the Placement was to raise \$800,000 (before expenses), which will be used to fund the Company's administration costs and general working capital expenses.
Material terms of agreement	The relevant placement agreements provided that the issue price is \$0.006 per Share and included various other conditions usual for a placement of this sort.

The Placement Shares and issues to Participating Directors were approved at the meeting of shareholders on 8 May 2025. Following the approval, the funds from the nominated Associate of Mr Columbus were received on 10 July 2025, which resulted in the Shares not being able to be issued to the nominated Associate of Mr Columbus within one month from the date of the meeting that shareholders approved the issue, as required under ASX Listing Rule 10.11 and 10.13.5.

Accordingly, the Company again seeks approval to issue 16,666,667 Shares to Mr Greg Columbus, Director of the Company, or his nominated Associate.

Listing Rule Requirements

Listing Rule 10.11 requires, among other things, that the Company obtain Shareholder approval prior to the issue of equity securities to a Related Party or any of their Associates. Under and for the purposes of Listing Rule 10.13, the following information is provided in relation to the proposed issue:

- (a) The Shares will be issued to Discovery Investments Pty Ltd, an associate of Mr Columbus;
- (b) Mr Columbus is a related party of the Company by virtue of being a Director and falls into the category stipulated by Listing Rule 10.11.1. As the Shares are being issued to Discovery Investments Pty Ltd, an associate of Mr Columbus, that entity falls into the category stipulated by Listing Rule 10.11.4;
- (c) The maximum number of Shares to be issued is 16,666,667 Shares;
- (d) The Shares will be issued to Discovery Investments Pty Ltd (an associate of Mr Columbus) by no later than one month after the date of the meeting;
- (e) The Company has received A\$100,000 (\$0.006 per Share) from Discovery Investments Pty Ltd (an associate of Mr Columbus);
- (f) The purpose of issue of Shares is to fund the Company's administration costs and general working capital expenses;
- (g) The issue of Shares does not form part of the remuneration of Mr Columbus as Director of the Company;
- (h) A voting exclusion statement in relation to this resolution can be found on page 4 of this document.

As the Participating Directors are Directors of the Company, Shareholder approval is being sought under Resolution 3 for the issue of 16,666,667 Shares to Associates of Mr Greg Columbus on the same terms as other participants in the Placement.

If Resolution 3 is passed, the Company will be able to issue Shares to Discovery Investments Pty Ltd, being an Associate of Mr Columbus.

If Resolution 3 is not passed, the Company will be unable to issue Shares to Discovery Investments Pty Ltd, being an Associate of Mr Columbus, and will be required to return the funds already received by the Company.

Special Resolution:

Resolution 4 – Approval of 10% Placement Capacity

ASX Listing Rule 7.1A enables eligible entities to seek the approval of the holders of its ordinary securities to issue Equity Securities up to 10% of its fully paid ordinary issued share capital (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a Special Resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2, which is detailed below.

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities in any existing quoted class and for cash consideration only, under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

Resolution 4 is a Special Resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) are cast in favour of the resolution.

Technical information required by ASX Listing Rule 14.1A

The effect of Resolution 4 will be to permit the Company to issue Equity Securities under Listing Rule 7.1A during the 12 month period following the Annual General Meeting without using the Company's 15% placement capacity under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Additional Information

a) *Equity Securities*

b) *Formula for calculating 10% Placement Facility*

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during up to a 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

“A” is the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- iii) plus the number of fully paid ordinary securities issued in the 12 months under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:

- (1) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (2) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (1) above, the date on which the Equity Securities are issued.

d) 10% Placement Period

An approval of the 10% Placement Facility under ASX Listing Rule 7.1A commences on the date of the Meeting and expires on the earlier to occur of:

- (1) the date that is 12 months after the date of the Meeting at which the approval is obtained; or
- (2) the time and date of the Company's next annual general meeting; or
- (3) the time and date of the approval by the holders of the Company's ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(“10% Placement Period”).

e) Use of funds

The Company may seek to issue the Equity Securities, which it can do but only for cash consideration under ASX Listing Rule 7.1A.3. ASX Listing Rule 7.1A.3 also requires that the Equity Securities must be in an existing class and the issue price is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 trading days prior. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expenses associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10 upon issue of any Equity Securities.

ASX Listing Rule 7.1A.4 requires that the Company must:

- (a) state in its announcement of the proposed issue under rule 3.10.3 or in its application for quotation of the securities under rule 2.7 that the securities are being issued under rule 7.1A; and
- (b) give to ASX immediately after the issue a list of names of the persons to whom the entity issued the Equity Securities and the number of Equity Securities issued to each. This list is not for release to the market.

f) Allocation policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (1) the methods of raising funds that are available to the Company, including but not limited to, placement, rights issue or other issue in which existing security holders can participate;
- (2) the effect of the issue of the Equity Securities on the control of the Company;
- (3) the financial situation and solvency of the Company; and
- (4) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

g) Previous approval under ASX Listing Rule 7.1A

The Company last obtained approval under Listing Rule 7.1A at its 2024 Annual General Meeting. The Company has not issued or agreed to issue Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

h) Voting exclusion

A voting exclusion statement is included in the Notice of Meeting. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Meeting.

i) Dilution risk

If Resolution 4 is passed by Shareholders as a Special Resolution and the Company issues Equity Securities under the 10% Placement Facility, there is a risk of economic and voting dilution to existing Shareholders, including the risk that:

- (1) the market price for the Company's Equity Securities in that class may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and

- (2) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

*The Deemed Price was the closing price of the Shares on the ASX on 6 October 2025.

**All Voting Dilution and Funds Raised numbers in the table have been rounded to nearest whole number

The above table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The table also shows two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the Deemed Price.

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No unlisted options are exercised into Shares or any of the unlisted performance rights vest before the date of the issue of the Equity Securities under ASX Listing Rule 7.1A. The Company has no unlisted options and 133,333 unlisted performance rights on issue at the date of this Notice of Meeting.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A and does not consider issues under the 15% placement capacity under ASX Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of ordinary shares in the Company. The table does not demonstrate the effect of listed or unlisted options being issued under ASX Listing Rule 7.1A.
- The issue price for ordinary shares in the Company is deemed for the purposes of the table to be \$0.0010 (Deemed Price), being the closing price of these shares on ASX on 6 October 2025. This

price is indicative only and does not consider the 25% discount to market that these shares may be issued at.

- viii) 'A' is the current number of fully paid ordinary shares on issue and assumes full placement capacity available.

Recommendation

The Directors consider that the approval of the issue of the 10% Placement Facility described above is beneficial for the Company as it provides the Company with the flexibility to issue up to the maximum number of securities permitted under ASX Listing Rule 7.1A in the next 12 months (without further Shareholder approval), should such an issue be required.

Accordingly, the Directors unanimously recommend that Shareholders vote in favour of Resolution 4 and advise that they intend to vote any Shares that they own or control in favour of Resolution 4.

The Chair of the Meeting intends to vote all available proxies in favour of Resolution 4.

Any inquiries in relation to the Resolutions or the Explanatory Memorandum should be directed to Andrew Ritter (Company Secretary): Level 38, Riparian Plaza, 71 Eagle Street, Brisbane, QLD, AUSTRALIA, 4000 Ph: (07) 3177 9970.
