- (b) Subject to clause 2.3(c), if the Manager retires or is removed as trustee of the Trust, then the name of the Trust will by this clause be automatically changed by deleting any distinctive words also appearing in the Manager's name, and the new trustee must not use those words in connection with the Trust. The new trustee must promptly amend this Constitution to reflect the change in the name of the Trust.
- (c) The new trustee may use the distinctive words in the Manager's name for the purpose of advertising the change of name of the Trust for 1 month after the retirement or removal of the Manager (or such longer period as the Manager agrees). Any advertisement must be approved by the Manager. That approval will not be unreasonably withheld.

3. Units and Unit Holders

3.1 Units

The beneficial interest in the Trust Fund will be divided into Units. Unless the terms of issue of a Unit or a Class otherwise provide, all Units will carry all rights, and be subject to all the obligations, of Unit Holders under this Constitution.

3.2 Classes

While the Units are not Stapled, the Manager may issue different Classes of Units. If the Manager determines in relation to particular Units, the terms of issue of those Units may:

- (a) eliminate, reduce or enhance any of the rights or obligations which would otherwise be carried by such Units;
- (b) provide for conversion of Units from one Class to another Class and, if the Manager so determines, change the number of Units on such a conversion.

While Stapling applies, the Manager may not issue different Classes of Units except Units which may temporarily be of a different class due to different income entitlements in accordance with clause 13.

3.3 Fractions

Subject to clause 3.6, fractions of a Unit may not be issued. When any calculations under this Constitution would result in the issue of a fraction of a Unit, the number of Units to be issued must be rounded down to the nearest whole Unit. Any excess application or other money becomes an Asset.

3.4 Equal value

At any time, all the Units in a Class are of equal value.

3.5 Interest

A Unit confers an interest in the Trust Fund as a whole. No Unit confers any interest in any particular Asset.

3.6 Consolidation, re-division and conversion

- (a) Subject to clause 3.6(b), the Manager may at any time consolidate, divide or convert the Trust Fund into any number of Units other than the number into which the Trust Fund is for the time being divided.
- (b) A consolidation, division or conversion of a kind referred to in clause (a) must not change the ratio of Units in a Class registered in the name of any Unit Holder to the Units on Issue in the Class.
- (c) while Stapling applies, Units in a Class which are Stapled may only be consolidated, divided or converted if the related Attached Securities are also consolidated, divided or converted at the same time and to the same extent.

3.7 Rights attaching to Units and Options

- (a) A Unit Holder holds a Unit subject to the rights and obligations attaching to that Unit.
- (b) An Option Holder holds an Option subject to the terms and conditions attaching to that Option.
- (c) Each Holder agrees not to:
 - (i) interfere with any rights or powers of the Manager under this Constitution;
 - (ii) purport to exercise a right in respect of an Asset or claim any interest in an Asset (for example, by lodging a caveat affecting an Asset); or
 - (iii) require an Asset to be transferred to the Holder.

3.8 Directions

Unit Holders may not give any directions to the Manager if it would require the Manager to do or omit doing anything which may result in:

- (a) the Manager acting contrary to Law; or
- (b) the exercise of any discretion or power expressly conferred on the Manager by this Constitution.

3.9 Stapling

The provisions of this Constitution relating to Stapling take effect on and from the date the Manager determines that Units in a Class should be Stapled to an identical number of Attached Securities, subject to all other provisions of this Constitution which may suspend, abrogate or terminate Stapling. The Manager may, subject to this Constitution, the Corporations Law and, while Units are Officially Quoted, the Listing Rules, cause the Stapling of any other security or securities to the Units.

3.10 Number of Units

While Stapling applies, the number of issued Units in a Class which are Stapled at any time must equal the number of issued Attached Securities of each category.

4. Options

4.1 Issue of Options

- (a) Subject to this Constitution, the Corporations Law (and the conditions of any relevant ASIC Instrument) and, if relevant, the Listing Rules, the Manager may issue Options:
 - (i) subject to paragraph (b), on the basis that the price for a Unit or, if Stapling applies, a Stapled Security to be issued on exercise of the Option (the **Exercise Price**) is a price determined by the Manager other than in accordance with Clause 7;
 - (ii) for a consideration determined by it (which may include nil consideration) or for a consideration which an expert who is independent of the Manager determines at the Manager's request is appropriate having regard to the prevailing market conditions and the terms and circumstances of the issue (which may include nil consideration); and
 - (iii) on such other terms as the Manager determines.
- (b) Subject to this Constitution, the Corporations Law (and the conditions of any relevant ASIC Instrument) and, if relevant, the Listing Rules, the Manager may issue Options on the basis that the Issue Price for a Unit or, if Stapling applies, a Stapled Security to be issued on exercise of the Option is one of the following (as specified in the terms of issue of the Option):
 - (i) the Market Price of a Unit on or about the date of issue of the Option or, while Stapling applies, the Market Price of a Stapled Security on or about the date of issue of the Option; or
 - (ii) a price which an expert who is independent of the Manager determines, at the Manager's request, to be appropriate having regard to prevailing market conditions and the terms and circumstances of the issue, which price may be equal to or greater than the Market Price of a Unit or, while Stapling applies, the Market Price of a Stapled Security; or

- (iii) 50% of the relevant price that would otherwise apply as the Issue Price of a Unit or, if Stapling applies, a Stapled Security under this Constitution on or about the date of exercise of the Option, or such greater exercise price as the Manager determines.

4.2 Reorganisation of Options

Subject to the Listing Rules, the Manager may at any time reorganise Options in accordance with their terms.

4.3 Option exercise

- (a) Options may only be exercised in accordance with their terms.
- (b) The Manager shall deal with payment for and issue of Units or, if Stapling applies, Stapled Securities on exercise of Options as if such payment and issue were an application for Units or Stapled Securities but the Manager may not refuse to issue any Units or Stapled Securities except if the terms of issue and the Listing Rules permit such refusal.
- (c) While Stapling in respect of a Class applies, an Option to acquire Units in that Class may only be exercised, if, at the same time the Units are acquired pursuant to the Option, the same person acquires the same number of Attached Securities, which are then Stapled to the Units.

4.4 Interest of Option Holders

An Option will not confer any interest in the Trust Fund or any right to participate in the income or capital.

5. Issue of Units and Options

5.1 Offer and minimum subscription

The Manager may at any time offer Units or Options for subscription or sale. The Manager may determine a minimum amount which must be lodged with an application for Units or Options. The Manager may invite persons to make offers to subscribe for or buy Units or Options. While Stapling applies, the Manager may not offer a Unit for subscription (including by way of offering Options) unless an offer is made at the same time and to the same person for the issue of the corresponding Attached Securities. While Stapling applies, any offer of a Unit for subscription (including by way of offering Options) must require the offeree to subscribe for or buy the corresponding Attached Securities.

5.2 Form of application

Each application for Units or Options will, unless the Manager approves otherwise:

- (a) conform with the form and content requirements of any relevant Prospectus; and
- (b) be accompanied by application moneys as required by any relevant Prospectus; or
- (c) if there is no relevant Prospectus, be made in such manner as the Manager approves.

While Stapling applies in respect of Units in a Class, an applicant for Units in that Class must, at the same time, make an application for an identical number of each category of Attached Securities.

5.3 Acceptance or rejection

Subject to clause 4.3(b), the Manager may, without giving any reason:

- (a) accept an application;
- (b) reject an application; or
- (c) reject part of the application.

While Stapling applies, the Manager must reject an application for Units in a Class which are Stapled (including an application consequent on the exercise of an Option) if the applicant does not apply at the same time for an identical number of each category of Attached Securities and if an identical number of each category of Attached Securities will not be issued to the applicant at the same time as the Units.

5.4 Uncleared funds

Units or Options issued against application money in the form of a cheque or other payment order (other than in cleared funds) are void if the cheque or payment order is not cleared within 5 Business Days of being presented for payment.

5.5 Issue of Units, Stapled Securities or Options

Units, Stapled Securities or Options are taken to be issued when:

- (a) the Manager accepts the application and the Units, Stapled Securities or Options are entered in the Register; or
- (b) the application money is received by (or Property which is acceptable to the Manager against which Units, Stapled Securities or Options are to be issued is transferred to) the Manager,

whichever is the later or at such other time as the Manager determines.

5.6 Number of Units issued

Subject to clause 5.7, the number of Units, Stapled Securities or Options issued at any time in respect of an application for Units, Stapled Securities or Options will be calculated as follows:

- (a) by deducting the Initial Fee (if any) from the relevant application moneys or Property paid;
 - (b) by dividing the balance of the application moneys or the value of the Property paid by the applicable Issue Price at that time;
 - (c) by rounding down to the nearest Unit, Stapled Security or Option,
- and any balancing amount will become an Asset.

5.7 Units as consideration

Where an Asset is acquired for consideration which includes the issue of Units or Stapled Securities by the Manager, the number of Units or Stapled Securities created and issued by the Manager is determined in accordance with the following formula:

$$\frac{MVA - C}{IP}$$

Where:

- MVA = the value of the Asset being acquired as determined in accordance with the valuation method set out in Schedule 2 except where the Asset being acquired is a unit trust listed on ASX or securities quoted on ASX in which case the value will be:
- (a) the value determined by the Manager, having regard to the value range for the Asset being acquired contained in an independent expert's report prepared for the benefit of either the holders of the units in the trust which is being acquired or the holders of securities that are being acquired or for the Unit Holders; or
 - (b) where no such report is prepared, the value determined by the Manager, having regard to the advice of an independent accountant, valuer or other professional adviser appointed by the Manager
- C = the amount of the cash consideration paid in respect of the Asset (if any) other than cash which is to be directly or indirectly applied towards the issue of the Units or Stapled Securities.
- IP = the Issue Price of the Units or Stapled Securities being issued (as determined in accordance with clause 7.3).

5.8 Certificates

No certificates will be issued for Units, Stapled Securities or Options (unless the Manager determines otherwise in relation to some Units, Stapled Securities or Options, a Class or all Units, Stapled Securities or Options).

5.9 Holding Statements

Subject to the Corporations Law, while the Trust is admitted to an uncertificated trading system, the Manager may issue a joint holding statement with each Stapled Entity to evidence the holding of Stapled Securities.

6. Partly paid units and forfeiture

6.1 Terms of Issue

The Manager may issue partly paid Units on such terms and conditions as it determines. While Stapling applies:

- (a) Units may not be issued on the basis that they are partly paid Units unless there is a contemporaneous and corresponding issue of Attached Securities with terms for the making and payment of calls and forfeiture which are compatible with the terms of issue of the partly paid Units;
- (b) any issue of partly paid Units shall be upon the basis that a Call in relation to the Units will not be regarded as having been validly paid unless any amount of any Call payable at the same time in relation to the partly paid Attached Securities is also paid; and
- (c) if any Attached Security is forfeited, the Manager may forfeit the Unit to which it is Stapled.

6.2 Calls

Each Holder of a partly paid Unit must pay a Call made in accordance with the terms of issue of the Unit. The Manager may only make a Call if the Call is made on all Unit Holders of that Class.

6.3 Interest on late payment of Call

If any Call is not paid on or before the day appointed for payment, the Holder of such partly paid Unit must pay interest on the late payment from the day appointed for the payment to the time of actual payment. Interest which accrues on an unpaid Call will become an Asset.

6.4 Non-receipt of notice of Call

A Call is not invalidated because any Unit Holder does not receive a notice of the Call, or because accidentally notice is not sent to any Unit Holder.

6.5 Deductions for unpaid Calls

If all or part of a Call is not paid by the date appointed for payment, the Manager may apply any amount payable to the relevant Unit Holder under this Constitution to pay amounts unpaid under the Call (as well as accrued interest and all costs and expenses incurred by the Manager in relation to the unpaid Call).

6.6 Notice requiring payment of sums payable

- (a) If a Call is not paid by the day appointed for the payment, the Manager may, while any part of the Call remains unpaid, give a notice to the Unit Holder requiring payment of the unpaid amounts, accrued Interest and all costs and expenses incurred by the Manager in relation to the unpaid Call.

- (b) The notice must appoint a day (at least 14 days after the date of the notice) by which the payment required by the notice is to be made.
- (c) The notice must also state that, if the payment is not made by the day appointed, the Units to which the Call related will be liable to be forfeited and, while Stapling applies, an equal number of each category of Attached Securities will also be liable to be forfeited.
- (d) While the Trust is Officially Quoted, the notice must contain such other information as is required by the Listing Rules (or ASX under the Listing Rules).

6.7 Forfeiture on non-compliance with notice

- (a) If a Unit Holder does not comply with a Forfeiture Notice, any Units the subject of the Forfeiture Notice (together with any corresponding Attached Securities if Stapling applies) may be forfeited.
- (b) Forfeiture may be effected by a notice from the Manager, with effect from the date of the notice.
- (c) Forfeiture includes forfeiture of all entitlements to distributions and other money payable to the Unit Holder relating to the forfeited Units (and any corresponding Attached Securities) not actually paid to the Unit Holder before the forfeiture (except where such amounts have already been applied to reduce the Call amount under clause 6.5).
- (d) Unless the Manager determines otherwise, the rights attaching to forfeited Units which have not yet been sold (or otherwise disposed of) are suspended for the period from the date of the forfeiture to the date of sale (or disposal).

6.8 Entry on Register of Holders

Where any Unit has been forfeited in accordance with this clause, the Manager will enter the forfeiture and the date of the forfeiture in the Register of Unit Holders.

6.9 Disposal of forfeited Units and corresponding Attached Securities

Subject to compliance with the Corporations Law and the conditions of any relevant ASIC Instrument and the Listing Rules, the Manager may sell (or otherwise dispose of) a forfeited Unit and any corresponding Attached Securities:

- (a) at a price equal to that received from the sale of the partly paid Units and if Stapling applies any Attached Securities in the normal course of business on ASX; or
- (b) by public auction or private treaty or in such manner and at such price as the Manager determines (including on the basis that the purchaser of such forfeited Units and corresponding Attached Securities is not obliged to pay the unpaid Calls).

6.10 Cancellation of forfeiture

At any time before a forfeited Unit and, if Stapling applies, corresponding Attached Security are sold or disposed of under clause 6.9:

- (a) the Manager may cancel the forfeiture upon such conditions as the Manager determines; and
- (b) if the Unit Holder pays to the Manager the full amount owing in relation to the forfeited Units and, if Stapling applies, corresponding Attached Securities (including accrued interest and all costs and expenses incurred by the Manager in relation to the unpaid Call), the forfeiture must be cancelled.

6.11 Transfer of forfeited Units and corresponding Attached Securities

- (a) The Manager may, on any sale of forfeited Units and, if Stapling applies, corresponding Attached Securities, receive the selling price for those Units and corresponding Attached Securities and effect a transfer of those Units and corresponding Attached Securities in the name of the Unit Holder whose Units and corresponding Attached Securities have been forfeited, in favour of the person to whom the Units and corresponding Attached Securities have been sold. The Unit Holder authorises the Manager to take these steps and appoints the Manager its attorney to do so. The Unit Holder indemnifies the Manager against any claim or liability the Manager may incur in doing so.
- (b) Upon effecting the transfer, the transferee must be registered as the holder of the Units and corresponding Attached Securities. The transferee's title to the Units and corresponding Attached Securities will not be affected by any irregularity or invalidity in connection with the forfeiture or sale of the Units and corresponding Attached Securities.

6.12 Liability notwithstanding forfeiture

A Unit Holder whose Units have been forfeited ceases to be a Unit Holder (in respect of the Units forfeited) from the date the Manager gives a notice under clause 6.7(b). Despite this, the Unit Holder remains liable to pay to the Manager all amounts unpaid specified in paragraph (a) and (b) of clause 6.15 which are referable to the forfeited Units. That liability ceases when the Manager is paid all such amounts under clause 6.15 or otherwise, and (if relevant) amounts under clause 6.16, in relation to the Units.

6.13 Lien

Subject to the Listing Rules, the Manager has a first and paramount lien upon every Unit and, if Stapling applies, corresponding Attached Securities for unpaid Calls and other moneys payable to the Manager by the Unit Holder in relation to a Unit and corresponding Attached Securities. That lien extends to all distributions and other money from time to time payable in relation to that Unit.

6.14 Sale of Units and corresponding Attached Securities to enforce lien

For the purpose of enforcing a lien, the Manager may sell the Units and corresponding Attached Securities subject to the lien, in the same manner, so far as is applicable, as if the Units and corresponding Attached Securities had been forfeited for non-payment of a Call.

6.15 Proceeds of sale

The net proceeds of any sale of forfeited Units or the sale of Units to enforce a lien (including all distributions and other money from time to time payable to the Unit Holder in relation to those Units) must be applied:

- (a) first, in paying all costs incurred in relation to the enforcing of the lien or the forfeiture (as the case may be) and the sale; and
- (b) second, in satisfying the amount of the unpaid Call and accrued Interest on the Call and any other moneys payable to the Manager.

The balance (if any) must be paid to the Unit Holder whose Units have been sold. If the net proceeds of any sale are insufficient to pay the amounts in paragraphs (a) and (b), then the Unit Holder remains liable for the difference between the net proceeds of sale and the sum of those amounts. The Manager is not liable to any former or current Holder of partly paid Units for any loss incurred in relation to the sale or disposal of the forfeited partly paid Units and Attached Securities.

6.16 Underwriting of Calls

- (a) If:
 - (i) the Manager has appointed an underwriter to underwrite the payment of a Call;
 - (ii) in discharging its obligations, the underwriter has purchased Units (or, where Stapling applies, Stapled Securities) (with the relevant Call credited as paid) (including at a public auction if the Manager has determined under clause 6.9) at a price which is more than the Market Price of a Unit (or Stapled Security) in respect of which the relevant Call has been paid (calculated as at the day of the purchase - the **Actual Market Price**); and
 - (iii) the Manager is liable to pay the underwriter in respect of each Unit (or Stapled Security) purchased in the circumstances contemplated by paragraph (ii) of this clause an amount equal to the difference between the Actual Market Price of a Unit (or Stapled Security) in respect of which the relevant Call has been paid and the price paid by the underwriter for the Unit (or Stapled Security) (if such price is higher than the Actual Market Price), up to a maximum of the amount of the relevant Call,

then the former Unit Holder whose Units (or Stapled Securities) have been forfeited and sold is liable to pay to the Manager, in respect of those forfeited Units (or Stapled Securities), and may be sued for:

- (iv) all money payable by the Manager to the underwriter as contemplated by paragraph (iii) of this clause;
- (v) interest; and
- (vi) all costs and expenses incurred by the Manager in procuring payment from the former Unit Holder.

- (b) The Manager must ensure that where it is liable to the underwriter as contemplated by paragraph (a)(iii) of this clause 6.16, the Manager's liability to the underwriter may be satisfied by the assignment of the Manager's rights of action under clause 6.16(a)(iv) against the former Unit Holder in full satisfaction of the Manager's liability to the underwriter.

The Unit Holders acknowledge that rights against each of them under clause 6.16(a)(iv) may be assigned in the manner contemplated by clause 6.16(b) and such assignment will not affect the ability of the Manager to recover the amounts referred to in paragraphs (a)(v) and (vi) of this clause 6.16.

6.17 Allocation of the proceeds of sale of Stapled Securities

While Stapling applies, a Unit (together with Attached Securities) forfeited under this clause 6 or sold to enforce a lien, may be sold as a Unit (together with Attached Securities) at a price equal to the fair value thereof as determined by the Manager (subject to the Corporations Law and any relevant ASIC Instrument) with the balance of the sale price of the Stapled Security being allocated between the Attached Securities in accordance with clauses 7.2 and 7.6.

7. Issue price

7.1 Issue Price while Units are not Officially Quoted

- (a) After the Commencement Date and while neither Units nor Stapled Securities are Officially Quoted, the Issue Price for any Unit will be equal to:

Net Fund Value + Transaction Costs

number of fully paid Units on Issue + Paid up Proportion

all calculated as at the last Valuation Time before the Manager received (or is taken to have received) the application for Units.

- (b) However, while neither Units nor Stapled Securities are Officially Quoted, the Manager may determine a different Issue Price in relation to some Units, a Class or all Units to the extent permitted by and in accordance with an ASIC Instrument. The following apply to the extent they reflect the requirements of a relevant ASIC Instrument. In the case of:
- (i) offers made at substantially the same time to only and all the then Unit Holders on a pro rata basis, the Issue Price must not be less than 50% of the Issue Price for the Units in that Class (calculated in accordance with clause 7.1(a)) on the Business Day preceding the date on which the intention to make the offer or issue is announced; and
 - (ii) a distribution reinvestment arrangement referred to in clause 13.7, the Issue Price must not be less than 50% of the Issue Price of a Unit (calculated in accordance with clause 7.1(a)) as at the date determined by the Manager under clause 13.7 for the reinvestment of entitlements to income.

- (c) If Units are Stapled, any offer of Units referred to in this clause must be accompanied by a contemporaneous and corresponding offer of Attached Securities by the Stapled Entity, which offer is capable of acceptance only if the recipient takes up an identical number of each category of Attached Securities to the number of Units taken up under this clause.

7.2 Issue Price while Units are Officially Quoted

- (a) Subject to clauses 7.2(b), 7.3, 7.4, 7.7, 7.8 and 7.9:
 - (i) while Units are Officially Quoted, the issue price for any Unit will be equal to the Market Price for the Units; and
 - (ii) if Stapling applies, while Stapled Securities are Officially Quoted, the issue price for any Stapled Security will be equal to the Market Price for that Stapled Security.
- (b) The Manager may determine a different Issue Price in relation to some Units, a Class or all Units to the extent permitted by and in accordance with an ASIC Instrument and the Listing Rules which in the case of:
 - (i) offers made at substantially the same time to only and all the then Unit Holders on a pro rata basis (whether or not the right to acquire those Units is renounceable), is not less than 50% of the Market Price for the Units in that Class or, if Stapling applies, the Issue Price of the Stapled Securities must not be less than 50% of the Market Price for the Securities, on the Business Day preceding the date on which the intention to make the offer or issue is announced on the ASX;
 - (ii) a distribution reinvestment arrangement referred to in clause 13.7 or 13.8, is at an Issue Price determined under clause 7.8; and
 - (iii) a placement, if Unit Holder approval or ratification of the issue is sought:
 - (A) the Members who hold interests in the same class approve the issue by a Placement Resolution;
 - (B) unless the Manager reasonably considers that the issue will not adversely affect the interests of Unit Holders in another class (if any) – Unit Holders in that other class approve the issue by a Placement Resolution; and
 - (C) any notice convening a meeting to vote on the issue contains particulars of the use to be made of the money raised by the issue.

For the purposes of this clause 7.2(b)(iii), **Placement Resolution** means a special resolution where:

- (A) votes are only cast in respect of interests (the **Eligible Interests**):
 - (1) that are held by a Unit Holder who will not (or did not) acquire any of the interests that are to be (or were) issued; or

- (2) that are held by a Unit Holder for the benefit of another person who will not (or did not) obtain any beneficial ownership of any of the interests that are to be (or were) issued; and
 - (B) the value of the Eligible Interests held by the Unit Holders who vote represents at least 25% of the total value of Eligible Interests.
- (c) If Units are Stapled, any offer of Units referred to in this clause must be accompanied by a contemporaneous and corresponding offer of Attached Securities by the Stapled Entity, which offer is capable of acceptance only if the recipient takes up an identical number of each category of Attached Securities to the number of Units taken up under this clause.

7.3 Issue of Units to acquire an Asset

While the Units are Officially Quoted and if Stapling applies, while Stapled Securities are Officially Quoted the Units or Stapled Securities issued are consideration (in whole or in part) for the acquisition of an Asset, the Issue Price shall be the Market Price calculated on the day which is 1 Business Day prior to the day on which the Manager publicly announces the proposed transaction under which there will be an issue of the Units or if Stapling applies, Stapled Securities (or if there is no such announcement, 1 Business Day prior to the date of the agreement under which there will be an issue of the Units). Where Units are Stapled, any issue of Units must be accompanied by an issue of an equal number of Stapled Securities. However, the Manager may determine a different Issue Price in relation to some Units, a Class or all Units to the extent permitted by and in accordance with an ASIC Instrument and the Listing Rules.

7.4 Issue Price while Stapling applies

Subject to clauses 7.2(b), 7.3, 7.7 and 7.9, while the Units are Officially Quoted and Stapling applies, the Manager may issue Units at an Issue Price equal to:

- (a) the Market Price of the Security minus the issue price of the Attached Securities; or
- (b) the amount the Manager determines in accordance with clause 7.6.

7.5 Satisfaction of Issue Price

The Issue Price may be satisfied by payment of Cash or by transfer to the Manager of other Property acceptable to the Manager (or by a combination of both). If the Manager accepts Property other than Cash, it may determine that some or all of the costs associated with the valuation or transfer of the Property are payable or reimbursable out of the Trust Fund or by the applicant Unit Holder.

7.6 Determination of Issue Price where Stapling applies

- (a) Where:
 - (i) Stapling applies:
 - (ii) as a consequence, a Unit is to be issued, sold, withdrawn or bought back as part of a Stapled Security; and

- (iii) this Constitution contains a provision for the calculation or determination of the Issue Price for the Stapled Security but not for the Unit,

the Manager must, in accordance with the next paragraph, determine what part of the Issue Price of a Stapled Security is to represent the Issue Price of a Unit for the purposes of this Constitution.

- (b) The Issue Price for a Stapled Security will be allocated between the Issue Price of the Unit and the issue prices for the Attached Securities on the basis of fair value as agreed between the Manager and the Stapled Entities or, failing agreement, determined by an independent accountant based on fair market value as determined by the accountant having regard to the respective net asset backing of each of the Unit and the Attached Securities immediately prior to the issue, sale, cancellation or buy back of the Stapled Security and any other factors which the accountant believes should be taken into account. However, where the Stapled Security is being issued pursuant to the exercise of one or more Options and the terms of the Option or Options specify the issue price of the Unit, the issue price of the Unit and each of the Attached Securities must be determined in accordance with any relevant provisions of the terms of the Option or Options.

7.7 RePS

- (a) If Units (but not the Attached Securities) are issued consequent upon a Conversion of RePS the Issue Price for the Units is to be determined as follows according to the circumstances in which Conversion applies:
 - (i) if the applicant, being the person who held the RePS immediately prior to the time of Conversion, is to receive in accordance with the RePS Terms of Issue the Minimum Conversion Number as defined in the RePS Terms of Issue the Issue Price is the sum of \$100 divided by the Minimum Conversion Number. Until otherwise determined by an amendment to this Constitution the Minimum Conversion Number is to be subject to adjustment in accordance with clauses 3.10 3.11 and 3.13 of the RePS Terms of Issue; or
 - (ii) if the applicant, being the person who held the RePS immediately prior to the time of Conversion, is to receive in accordance with the RePS Terms of Issue more than the Minimum Conversion Number of Units (as adjusted in accordance with the RePS Terms of Issue) the Issue Price is to be the sum of \$100 divided by the number of Units to be issued to the applicant on Conversion in accordance with the RePS Terms of Issue.
- (b) Where Stapling applies, the Issue Price for the Stapled Securities will be determined applying clause 7.7(a) as if the references to Units in that clause were to Stapled Securities and the Issue Price for the Units will be determined by the Manager under clause 7.6 based on the Issue Price of the Stapled Securities.

7.8 Reinvestment

If reinvestment applies, while the Stapled Securities are Officially Quoted, the aggregate of the Issue Price for each Stapled Security upon reinvestment of distributions (if any) is the average of the daily volume weighted average price of all sales of Stapled Securities recorded on ASX for each of the first 10 ASX Trading Days following the ASX Trading Day after the record date in respect of the relevant distribution (unless the Manager believes that this calculation does not provide a fair reflection of the market price of the Stapled Securities during this period in which event there shall be substituted for the amount so calculated the market price of the Stapled Security as determined by an expert independent of the Manager whose identity and instructions will be determined by the Manager) less such discount, if any, not exceeding 10% as the Manager may determine. The allocation of the issue price for a Stapled Security between the Issue Price for each Unit and the application price for the Attached Securities is to be determined in accordance with clause 7.4 or 7.6. If Stapling does not or ceases to apply the Issue Price for each Unit is to be calculated in the manner above but based on the sale price of a Unit.

7.9 Issue of Stapled Securities on exercise of executive share options

While Stapling applies and a Stapled Entity is required to issue Stapled Securities under an executive option plan, the Manager may at the request of the Stapled Entity issue Units to persons directed by the Stapled Entity and to whom the Stapled Entity issues Attached Securities at an Issue Price which is equal to 77% of the Issue Price for the Stapled Securities.

8. Withdrawal of units

8.1 Withdrawal request while Trust is Liquid and buy-back

While the Trust is Liquid, any Unit Holder may request that some or all of their Units be withdrawn. Each request must:

- (a) satisfy the form and content requirements prescribed by the Manager; and
- (b) be delivered to the Manager at its registered office (or other place nominated by the Manager).

Upon making such a request, the Unit Holder will have no right to deal with the Units (unless and until the request is denied by the Manager).

8.2 Action following request

Within a reasonable time of receiving a withdrawal request under clause 8.1, the Manager must consider that request and, in the Manager's absolute discretion:

- (a) deny the request (and notify the Unit Holder accordingly); or
- (b) effect the withdrawal by causing the number (or value) of Units held by the Unit Holder referred to in the withdrawal notice to be withdrawn at the applicable Withdrawal Price out of the Trust Fund; or

- (c) to the extent permitted by the Corporations Law, purchase (in a capacity other than as trustee of the Trust) or arrange for another person to purchase the number (or value) of Units held by the Unit Holder referred to in the withdrawal notice; or
- (d) partially effect the withdrawal in the manner described in paragraph (b) and partially purchase (or arrange for Units to be purchased) in the manner described in paragraph (c)).

8.3 Suspension of withdrawal request right

Unless the Manager determines otherwise, the right to make a withdrawal request under clause 8.1 is suspended while the Units are Officially Quoted.

8.4 Withdrawal while Trust is not Liquid

- (a) While the Trust is not Liquid the Manager may make a Withdrawal Offer. A Unit Holder may withdraw from the Trust in accordance with the terms of any current Withdrawal Offer. Otherwise, a Unit Holder has no right to request that some or all of the Unit Holder's Units be withdrawn.
- (b) A Withdrawal Offer must contain the information required by the Corporations Law and the Listing Rules. To the extent permitted by the Corporations Law and the Listing Rules, a Withdrawal Offer may include an offer by the Manager (in a capacity other than as trustee of the Trust) or a nominee to purchase Units.

8.5 Minimum holding

If the Manager has established a minimum number of Units for which an application can be made then the Manager may treat a withdrawal request (including acceptance of a Withdrawal Offer), which if accepted, would lead a Unit Holder to hold fewer Units than that minimum number, as a request for the withdrawal of all that Unit Holder's Units. If there is more than 1 Class, this clause only applies to Units in the same Class. If the Units are Stapled, a deemed withdrawal request will be taken to be given if an equivalent number of each category of Attached Securities are able to be cancelled or transferred.

8.6 Sums arising

The Manager may deduct from the proceeds of withdrawal of Units any money due to the Manager in relation to the Unit Holder.

8.7 Transfer of Assets

Rather than pay Cash to effect a withdrawal (or pay a distribution) in whole or in part the Manager may transfer Assets to a Unit Holder (or the Unit Holder's nominee). The Manager must satisfy itself that the Asset Value (with any Cash paid) will equal the total amount of Cash otherwise payable. The Manager may do this on the basis of a valuation of the Assets obtained within 1 month of the withdrawal date.

8.8 Liquid or not Liquid

The Manager will determine whether or not the Trust is Liquid. Such a determination is binding on Holders and no Holder will challenge it.

8.9 On-market buy back

While Units are Officially Quoted, the Manager may, subject to the Corporations Law and the Listing Rules, purchase Units or Options (whether forming part of Stapled Securities or otherwise) on the ASX and may cause those Units or Options to be withdrawn.

8.10 Cancellation or buy-back while Stapling applies

While Units are Officially Quoted, the Manager may, subject to and in accordance with the Corporations Law (including any modifications of it) and any requirements under the Listing Rules, purchase or cause to be purchased Units, or where Stapling applies, Stapled Securities and cause the Units, or Units which in part comprise those Stapled Securities, to be cancelled. No Withdrawal Price is payable to the Holder upon cancellation of the Units. Where the Units comprise part of Stapled Securities the Manager may only buy back and cancel the Units if the Attached Securities are also the subject of contemporaneous buy-back and cancellation by the respective Stapled Entities. Where Units are purchased as part of a Stapled Security pursuant to buy-back arrangement, the Manager must determine, in a manner similar to that provided in clause 7.6, what proportion of the price paid for the Stapled Securities is to be paid from the Assets of the Trust.

8.11 Stapling

While Stapling applies, the Manager may not cause a Unit to be cancelled or purchased unless:

- (a) in the case of a cancellation, the Attached Securities are cancelled by the Stapled Entity or the Attached Securities are Unstapled from the Unit to be cancelled; or
- (b) in the case of a purchase, the Attached Securities are purchased at the same time as the Unit, by the same person.

9. Withdrawal price

The Withdrawal Price for any Unit will be equal to:

$$\frac{\text{Net Fund Value} - \text{Transaction Costs}}{\text{number of Units on Issue}}$$

While the Trust is Liquid, each of these variables will be calculated as at the next Valuation Time after the Manager received (or is taken to have received) the withdrawal request. If the Trust is not Liquid, then each such variable will be calculated as at the day the relevant Withdrawal Offer closes. The Manager may adjust any variable where the calculation is in respect of a particular Class.

10. Transfer of Units and Options

10.1 Uncertificated System

- (a) Units or Options may be transferred in any manner permitted by the CHESS System. The Manager may require before registration of any such transfer that

there be provided to the Manager any documents which the rules of the uncertificated system require or permit the Manager to require be provided to it to authorise registration.

- (b) This clause prevails over any other provision of this Constitution that may be inconsistent with it but it does not permit the Manager to refuse to register a proper ASTC regulated transfer.

10.2 Transferability of Units

- (a) Subject to this Constitution, a Unit or Option may be transferred by instrument in writing, in any form authorised by Law or in any other form that the Manager approves.
- (b) A transferor of Units or Options remains the holder of the Units or Options (as the case may be) transferred until the transfer is registered.

10.3 Registration of transfers

- (a) Where Units or Options are transferred other than by a proper ASTC regulated transfer, the following documents must be lodged for registration at the registered office of the Manager or the location of the Register:
 - (i) the instrument of transfer;
 - (ii) the certificate (if any) for the Units or Options; and
 - (iii) any other information that the Manager may require to establish the transferor's right to transfer the Units or Options.
- (b) On compliance with paragraph (a), the Manager will, subject to the powers of the Manager to refuse registration, register the transferee as a Holder.
- (c) The Manager may waive compliance with paragraph (a)(ii) of this clause on receipt of satisfactory evidence of loss or destruction of the certificate.

10.4 Restricted securities

- (a) The Manager must refuse to acknowledge, deal with, accept or register any sale, assignment or transfer of any restricted securities on issue which is or might be in breach of the Listing Rules or any escrow agreement entered into by the Manager under the Listing Rules in relation to the restricted securities.
- (b) During a breach of the Listing Rules relating to restricted securities, or a breach of a Restriction Agreement, the holder of the restricted securities is not entitled to any distribution or voting rights in respect of the restricted securities.

10.5 Suspension of transfers

To the extent (if at all) permitted by the CHESS System, the registration of transfers of Units or Options may be suspended at any time and for any period as the Manager may decide. However, the aggregate of those periods must not exceed 30 days in any calendar year.

**10.6 Manager may request holding lock or refuse to register a transfer**

Where permitted to do so by the Corporations Law, the Listing Rules or the ASTC Settlement Rules, the Manager may:

- (a) request any applicable CS Facility Operator to apply a holding lock to prevent a transfer of Units from being registered on the ASTC subregister; or
- (b) refuse to register a transfer of Units to which paragraph (a) does not apply.

10.7 Manager must request holding lock or refuse to register transfer

The Manager must:

- (a) request any applicable CS Facility Operator to apply a holding lock to prevent a transfer of Units from being registered on the ASTC subregister; or
- (b) refuse to register any transfer of Units to which paragraph (a) does not apply, if:
 - (i) the Listing rules require the Trust to do so;
 - (ii) clause 10.4 requires the Manager not to register the transfer; or
 - (iii) the transfer is in breach of the Listing Rules or a Restriction Agreement.

10.8 Notice of non-registration

- (a) If in the exercise of its rights and obligations under clause 10.6 and 10.7 the Manager requests a holding lock to prevent a transfer of Units or declines to register any transfer of Units or Options, the Manager must within 5 Business Days after the transfer was lodged with the Manager (or registrar), give to the person who lodged the transfer written notice of, and the reasons for, the decision to decline registration. Failure to give such notice does not invalidate the decision of the Manager.
- (b) Paragraph (a) does not apply to a holding lock (if any) applied in relation to the implementation of Stapling to all Units on issue on the Proposal Record Date (as defined in clause 39.1).

10.9 Stapling

While Stapling applies and subject to the Corporations Law and the Listing Rules if the Listing Rules apply:

- (a) the Manager must not register any transfer of Units unless it is a single transfer of Stapled Securities and any provision of clauses 10.1 to 10.8 inclusive of this Constitution referring to a transfer of Units will be deemed to be a reference to such a transfer;
- (b) a reference in clauses 10.1 to 10.8 inclusive of this Constitution to a Unit will be deemed to be a reference to a Stapled Security; and
- (c) a transfer of a Unit which is not a single transfer of Stapled Securities or is not accompanied by a transfer or a copy of a transfer of the relevant Attached Securities will be taken to authorise the Manager as agent for the transferor to

effect in accordance with this Constitution and the constitutions of the Stapled Entities a transfer of the Stapled Securities to the same transferee.

11. Transmission of Units and Options

11.1 Entitlement to Units on death

- (a) If a Holder dies:
 - (i) the survivor or survivors, where the Holder was a joint holder; and
 - (ii) the legal personal representatives of the deceased, where the Holder was a sole holder,will be the only persons recognised by the Manager as having any title to the Holder's interest in the Units or Options (as the case may be).
- (b) The Manager may require evidence of a Holder's death as it thinks fit.
- (c) This clause does not release the estate of a deceased joint Holder from any liability in respect of a Unit or Option that had been jointly held by the Holder with other persons.

11.2 Registration of persons entitled

- (a) Subject to the Bankruptcy Act 1966 and to the production of any information that is properly required by the Manager, a person becoming entitled to a Unit or Option in consequence of the death or bankruptcy (or other legal disability) of a Holder may elect to:
 - (i) be registered personally as a Holder; or
 - (ii) have another person registered as the Holder.
- (b) All the limitations, restrictions and provisions of this Constitution relating to:
 - (i) the right to transfer;
 - (ii) the registration of the transfer of; and
 - (iii) the issue of certificates for,Units or Options apply to any relevant transfer as if the death or bankruptcy or legal disability of the Unit Holder had not occurred and the notice or transfer were a transfer signed by that Holder.

11.3 Distributions and other rights

- (a) If a Holder dies or suffers a legal disability, the Holder's legal personal representative or the trustee of the Holder's estate (as the case may be) is, on the production of all information as is properly required by the Manager, entitled to the same distributions, entitlements and other advantages and to the same rights (whether in relation to meetings of the Trust or to voting or otherwise) as the Holder would have been entitled to if the Holder had not died or suffered a legal disability.

- (b) Where two or more persons are jointly entitled to any Unit or Option as a result of the death of a Holder, they will, for the purposes of this Constitution, be taken to be joint holders of the Unit or Option (as the case may be).

12. Net accounting income

12.1 Net Accounting Income

The Manager will determine (or cause to be determined) the **Net Accounting Income** for each Financial Year:

- (a) by determining the income of the Trust for the Financial Year in accordance with applicable Australian Accounting Standards;
- (b) by applying against the income of the Trust for that Financial Year:
 - (i) the Expenses, provisions and reserve transfers referred to in clause 12.2, subject to any other prudent adjustments in accordance with applicable Australian Accounting Standards; and
 - (ii) any Net Accounting Loss (as defined below in this clause) carried forward from a preceding Financial Year; and
- (c) adjusting the amount calculated under paragraph (a) by such other amounts or contingencies necessary including:
 - (i) amortisation;
 - (ii) changes to accounting policies;
 - (iii) any realised or unrealised gains or losses; and
 - (iv) reversing the amount of any increment or decrement of a capital Asset or the effect of marking to market any derivative contracts to be brought to income account required by Australian Accounting Standards,

in order that the Net Accounting Income for the period may fairly represent the amount of income of the Trust available for distribution by the Trust for that Financial Year. Where the amount is negative it will be the **Net Accounting Loss** for that Financial Year.

12.2 Expenses and provisions of the Trust

For each Financial Year:

- (a) the Expenses of the Trust will be determined in accordance with applicable Australian Accounting Standards; and
- (b) provisions or other transfers to or from reserves may be made in relation to such items as the Manager considers appropriate in accordance with applicable Australian Accounting Standards.

12.3 Net Income

The Manager will determine (or cause to be determined) the **Net Income** for each Financial Year in accordance with section 95(1) of the Income Tax Assessment Act 1936.

13. Distributions

13.1 Distributable Income

- (a) Unless otherwise determined by the Manager pursuant to clause 13.1(b) **Distributable Income** of the Trust for each Financial Year is the Net Accounting Income for that Financial Year.
- (b) The Manager may determine that the Distributable Income for a Financial Year will be:
 - (i) the Net Income (if it exceeds the Net Accounting Income) for that Financial Year; or
 - (ii) some other amount not less than the Net Accounting Income for that Financial Year.

13.2 Present entitlement

Unless otherwise agreed by the Manager and subject to the rights, restrictions and obligations attaching to any particular Unit or Class, the Unit Holders on the Register on the last day of the Financial Year will be presently entitled to the Distributable Income of the Trust (less any part of the Distributable Income which has previously been distributed in that Financial Year as permitted by this clause 13) in the proportion specified in clause 13.3(c).

13.3 Distribution of Distributable Income

- (a) The Manager may determine to make an interim distribution out of Net Accounting Income accruing during any Interim Distribution Period (**an Interim Distribution**). An Interim Distribution cannot exceed, but can be less than, the amount of the Net Accounting Income which has accrued during the relevant Interim Distribution Period. The Manager must within 90 days of the last day of the Interim Distribution Period pay the Interim Distribution to the Unit Holders on the Register at the end of the last day of the Interim Distribution Period.
- (b) Within 90 days of the end of the Financial Year, the Manager must pay to the Unit Holders on the Register at the end of the last day of that Financial Year an amount equal to the Distributable Income of the Trust for the Financial Year less any amounts previously distributed during that Financial Year under paragraph (a)
- (c) Subject to the rights, obligations and restrictions attaching to any particular Unit or Class, a Unit Holder on the Register at the end of the last day of the Financial Year or Interim Distribution Period, is presently entitled to that proportion of the Distributable Income for the purpose of paragraph (b) or Interim Distribution for the purpose of paragraph (a) (as the case may be) as is equal to the number of Units

held by that Unit Holder on that date divided by the number of Units on Issue on that date.

13.4 Capital distributions

The Manager may distribute capital of the Trust to the Unit Holders. Subject to the rights, obligations and restrictions attaching to any particular Unit or Class, a Unit Holder is entitled to that proportion of the capital to be distributed as is equal to the number of Units held by that Unit Holder on a date determined by the Manager divided by the number of Units on the Register on that date. A distribution may be in Cash or of Assets or by way of bonus Units. While Stapling applies, the Manager may not make a distribution by way of bonus Units, unless at the same time Unit Holders are also issued with a corresponding number of each category of Attached Securities which when issued are then Stapled to the bonus Units issued.

13.5 Grossed up Tax amounts

Subject to any rights, obligations and restrictions attaching to any particular Unit or Class, the grossed up amount under the Tax Act in relation to Tax credits or franking rebates is taken to be distributed to Unit Holders in proportion to the Distributable Income for a Financial Year or an Interim Distribution, as the case may be, which is referable to a dividend or other income to which they are presently entitled.

13.6 Excess distribution

If at the end of a Financial Year, the auditor of the Trust determines that the amount distributed as Distributable Income under this clause 13 of the Trust exceeds the aggregate of the Net Accounting Income for such Financial Year, the excess will be taken to be a distribution of capital.

13.7 Reinvestment

Subject to clause 13.8, a Unit Holder may, if the Manager approves, elect to reinvest some or all of any distribution by acquiring Units in the Trust. In those cases, the Manager is treated as having received an application to reinvest distributions on the first Business Day after the distribution is paid at an Issue Price determined in accordance with clause 7. The procedure for reinvestment of distributions is to be determined by the Manager and notified to Unit Holders from time to time.

13.8 Reinvestment while Stapling applies

While Stapling applies:

- (a) no reinvestment may occur unless, contemporaneously with the reinvestment in additional Units, the Unit Holder subscribes for or purchases an additional number of Attached Securities which, when issued or acquired are then Stapled to the additional Units;
- (b) the Manager may make provision for, and make payment of, the subscription and purchase price for such Attached Securities out of the distribution or income (as applicable) which is otherwise available for reinvestment;

- (c) if the amount to be reinvested in additional Stapled Securities results in a fraction of a Stapled Security, the money representing the fraction may be paid to the Unit Holder or held for future reinvestment in the Trust and the Stapled Entity in such proportions as the Manager and the Stapled Entity may determine;
- (d) whenever under this Constitution or by Law money is held on behalf of a Unit Holder, for future reinvestment, the money so held may be aggregated and on each occasion on which the aggregated amount equals the Issue Price of a Unit, the amount will be applied to purchase a new Unit for issue to the Unit Holder; and
- (e) a new Unit may not be so purchased until the reinvested money is sufficient for and is applied to a subscription for or purchase of Attached Securities which are then Stapled to the Unit.

13.9 Unit Holder's rights

For the removal of doubt and despite anything in this clause 13:

- (a) the rights of a Unit Holder under this clause 13 are subject to the rights, obligations and restrictions attaching to the Units which they hold; and
- (b) for the purposes of distribution entitlements, Units which are partly paid will be treated as that proportion of a whole Unit as the amount paid up bears to the total Issue Price for that Unit, rounded to the nearest 2 decimal places, or will be treated in such other manner as the Manager determines.

13.10 Perpetuities

The Manager cannot issue any units after the 80th anniversary from the day before the Trust commenced if that issue would cause a contravention of the rule against perpetuities or any other rule of law or equity. The preceding sentence prevails over all other provisions of this Constitution.

14. Powers of trustee

14.1 Powers

The Manager has all the powers:

- (a) in respect of the Trust Fund that it is possible under the Law to confer on a trustee;
- (b) as though it were the absolute owner of the Assets and acting in its personal capacity; and
- (c) necessary for fulfilling its obligations under this Constitution.

For example, the Manager's powers include the following:

- (i) to purchase Property and sell Assets for cash or other consideration;
- (ii) to develop and otherwise deal with any Assets (in particular, Land);
- (iii) to borrow or obtain financial accommodation (for example, for the purposes of paragraphs (i) and (ii));

- (iv) to create Security Interests over the Trust Fund or any Asset (for example, for the purposes of paragraphs (iii) and (v));
- (v) to guarantee liabilities of any person or provide indemnities in respect of such liabilities;
- (vi) to make any kind of Investment (including entering into Derivative Transactions);
- (vii) to fetter future discretions, such as by the granting of options; and
- (viii) to enter into any arrangement or agreement with underwriters in relation to the Trust;
- (ix) to invest Assets in cash and cash equivalents, interests, securities, or other instruments issued by the Stapled Company or any other Stapled Entity; and
- (x) to make loans or provide any other financial accommodation to the Stapled Company or any other Stapled Entity.

14.2 Delegation

- (a) The Manager may appoint delegates or agents (including Custodians or underwriters) to perform any act or exercise any power of the Manager (including a power to in turn appoint its own agent or delegate).
- (b) An agent or delegate may be an associate or employee of the Manager.
- (c) An appointment may be joint.
- (d) Subject to section 601FB of the Corporations Law, the Manager will not be liable for the acts or omissions of any delegate so long as reasonable care is taken in selecting the delegate. The Manager may include provisions to protect and assist those dealing with the delegate as the Manager thinks fit.

14.3 Limitation of Liabilities

Despite clause 14.1, for so long as:

- (a) the Units are Officially Quoted; and
- (b) the Listing Rules require,

the Manager must ensure that the Liabilities of the Trust do not exceed 60% of the Asset Value.

14.4 Advisers

Without limiting clause 14.1, the Manager may engage Advisers to assist it with its duties and functions under this Constitution. An Adviser may be an associate of the Manager.

14.5 Examples of powers

Without limiting any provision of this clause 14, Schedule 1 sets out further examples of the Manager's powers.

**14.6 Rights in relation to Stapling**

Despite any other provision of this Constitution, or any rule of Law or equity to the contrary, in exercising any power or discretion conferred on it, the Manager may, subject to the Corporations Law, while Stapling applies, have regard to the interests of the Unit Holders and the members of the Stapled Entities as a whole and not only the interests of the Unit Holders alone.

15. Value of the trust fund

15.1 Valuation of an Asset

Subject to clause 15.2 the Manager may cause an Asset to be valued at any time using the valuation method in Schedule 2.

15.2 Valuation if required

The Manager must cause an Asset to be valued if required by ASIC or under the Corporations Law and the valuation must be undertaken in accordance with those requirements.

15.3 Determination of Net Fund Value

The Manager may determine the Net Fund Value at any time in its discretion, including more than once on each day.

16. Title to assets

16.1 How held

Subject to clauses 16.2 and 16.3, all Assets will be held in the name of the Manager.

16.2 Other Custodian

If the Manager considers it necessary or desirable, the Assets (or any Asset) may be held by a custodian or nominee nominated by the Manager and acting as agent for the Manager.

16.3 Holding of Assets

The Custodian of a particular Asset must hold that Asset either:

- (a) directly in its name; or
- (b) to the extent permitted by the Law of an ASIC Instrument, indirectly by means of any asset title transfer or holding system approved by the Manager.

17. The register

17.1 Keeping registers

The Manager must establish and keep a register of Unit Holders, and a register of Option Holders. If Stapling applies the Manager may establish and keep a single Register for the Stapled Securities.

17.2 Information in registers

To the extent applicable, the registers must be kept in accordance with, and contain the information required by the Corporations Law. Otherwise, the Manager may decide what information is included in the registers. If the Corporations Law applies, the Manager has the powers conferred under the Corporations Law in relation to the register.

17.3 Changes

Every Unit Holder must promptly notify the Manager of any change of name or address and the Manager must alter the relevant register accordingly.

18. Limitation of liability

18.1 General

Subject to the Corporations Law, the Manager is not liable for any loss or damage to any person (including any Unit Holder) arising out of any matter unless, in respect of that matter, it acted both:

- (a) otherwise than in accordance with this Constitution; and
- (b) without a belief held in good faith that it was acting in accordance with this Constitution.

In any case, to the extent permitted by Law, the liability of the Manager in relation to the Trust is limited to the Assets, from which the Manager is entitled to be, and is in fact, indemnified.

18.2 Specific

In particular, subject to the Corporations Law, the Manager is not liable for any loss or damage to any person arising out of any matter where, in respect of that matter:

19.2 Indemnity continuing

Such right of indemnity in respect of a matter (an ***Indemnified Matter***) shall not be lost or impaired by reason of a separate matter (whether before or after the Indemnified Matter) in breach of trust or in breach of this Constitution. Also, the right of indemnity continues to be available after the Manager retires or is removed as trustee.

Until such an address has been supplied by sending the notice or other communication to an address most recently provided by the Unit Holder.

25.4 Signature on notice

The signature to any notice or other communication by the Manager may be written, printed, stamped or produced electronically and the signature may be that of the Manager or of any director or secretary of the Manager.

- (b) the date on which the Trust is terminated in accordance with another provision of this Constitution or by operation of Law.

26.2 Corporations Law

The Manager may terminate the Trust when permitted to do so, and must terminate it when required to do so, by the Corporations Law.

27. Procedure on termination

27.1 Notice of termination

Within a reasonable time before, or as soon as practicable after, termination of the Trust the Manager shall give to each Unit Holder notice of the termination and of its intention to distribute the Trust Fund.

27.2 Realisation of Trust Fund

Subject to clauses 27.3 and 27.5, as soon as practicable after the giving of the notice under clause 27.1 the Manager must sell or realise the Assets in such manner as the Manager considers appropriate.

27.3 Final distribution

- (i) all Liabilities of the Trust;
 - (ii) any unpaid fees payable (or to be payable) to the Manager;
 - (iii) the Expenses of termination.

This clause does not limit clause 27.6.

27.4 Transfer of Assets

Despite clause 27.3, the Manager may transfer Assets to any Unit Holder holding Units having a value in excess of \$10,000, in satisfaction of that Unit Holder's entitlement in the Trust Fund. The value of the Assets transferred will be calculated at market value, as determined by the Manager, and the Expenses incurred in transferring the Assets will be borne by the Unit Holder or Unit Holders.

27.5 Postponement of realisation

The Manager may postpone the sale or realisation of any Asset for as long as the Manager thinks it is desirable to do so in the interests of Unit Holders. The Manager will not be responsible for any loss attributable to the postponement.

27.6 Retention of property

The Manager may retain for as long as it thinks fit sufficient Assets as, in its opinion, may be required to meet any outgoings or liabilities (actual or contingent) in respect of the Trust Fund. If any Asset retained is ultimately found not to be required, then it shall be distributed to the Unit Holders in accordance with this clause.

27.7 Continuation of powers

The powers, duties and rights of the Manager (including the rights to remuneration and to any indemnities under this Constitution or the Law) continue following termination to the extent to which they are not inconsistent with this clause 27.

27.8 Audit

27.9 Notice to Stapled Entities

On or before commencement of the realisation of the Trust, in accordance with this clause 27, the Manager must give the Stapled Entities notice that the Trust is to be terminated or wound up. If any of the Stapled Entities are terminated or wound up under the provisions of their constitutions or by law, then the provisions of this constitution relating to Stapling will cease to apply in respect of that Stapled Entity.

28. Fees

28.1 Base fee

- (a) The Manager's entitlement to fees for managing the Trust and its subtrusts is calculated on a monthly basis as a percentage per annum of the Assets of the Trust in accordance with the following scale:
- | | |
|--|-----------------|
| First \$700 million of the gross assets | 0.50% per annum |
| Excess above \$700 million of gross assets | 0.45% per annum |
- (b) The fee under this clause 28.1 is payable to the Manager within 21 days of the end of the month in which it is calculated (or such later time as the Manager determines).
- (c) The gross assets under this clause 28.1 will be determined by the Manager based on the gross assets of the Trust and its subtrusts (disregarding Liabilities), but where the Manager takes into account the assets of a subtrust, it will disregard the investment value of the units held for the Trust in the subtrust in determining the gross Assets of the Trust.

28.2 Trustee fee

The Manager is entitled to a fee, as trustee of the Trust, payable monthly based on the Fund Value calculated as of the last day of the previous month as follows:

- (a) 0.10% per annum of the Fund Value which is equal to or less than \$100 million; plus
- (b) 0.075% per annum of the Fund Value which exceeds \$100 million but is equal to or less than \$200 million; plus
- (c) 0.05% per annum of the Fund Value which exceeds \$200 million.

28.2A Manager's Performance Units

The Manager, in addition to its remuneration under clause 28.1 and 28.2, will be entitled to have a certain number of Units issued to it in respect of each Half Year if the performance of the Trust for the Half Year exceeds a stated benchmark. The formula for determining the number of Units (if any) to be issued to the Manager in respect of a Half Year is set out below. If the TR (as defined below) for the Trust for a Half Year is negative, the Performance Units (if any) to which the Manager would have been entitled will not be issued to the Manager until the end of the first succeeding Half Year in which the TR is positive:

Number of Performance Units to be issued to the Manager
$$\frac{(PF + EPF)}{Pc}$$

where:

PF (Tier 1 Performance Fee) = $NPc \times Mco \times 5\%$, but equals zero if NPc is not greater than zero;

EPF (Tier 2 Performance Fee) = $(NP_c - EP_b) \times MCo \times 15\%$ but equals zero if NP_c is not greater than EP_b ;

NP_c = TR-BM;

NP_o (Opening Net Performance) + NP_c of prior Half Year except in the first Half Year when $NP_o = 0$;

TR (Trust Return expressed as a percentage) =
$$\frac{(T_c - T_o)}{T_o}$$

where

T_c = Trust Index at the close of the Half Year; and

T_o = Opening Trust Index being the Trust Index at close of the prior Half Year of if $NP_o < 0$ then T_o = the Trust Index used as the opening Trust Index (T_o) for the previous period;

BM (Benchmark Return expressed as a percentage) =
$$\frac{(B_c - B_o)}{B_o}$$

where

B_c = Benchmark Index at the end of the Half Year; and

B_o = Opening Benchmark Index being the Benchmark Index at close of the prior Half Year or if $NP_o < 0$ the B_o = the Benchmark Index used as the opening Benchmark Index (B_o) for the previous period;

MCo (Market capitalisation) = $P_o \times U_o$

where

P_o = the weighted average trading price of all Units traded on the ASX during the ten ASX Trading Days from and including the date upon which the Units trade ex the distribution entitlement for the period ending on the last day of the prior Half Year; and

U_o = Units on issue at the close of the last day of the prior Half Year;

EP_b (Tier 2 Performance Benchmark) = 2% nominal per annum out-performance for the Half Year; and

P_c = the greater of the weighted trading price of all Units traded on the ASX during the ten ASX Trading Days from and including the date upon which the Units trade ex the distribution entitlement for the relevant Half Year and the Net Tangible Asset Backing per Unit at the end of the Half Year.

If a Trigger Event occurs within a Half Year, the Manager is entitled to payment in cash in lieu of Units with the amount of the cash payment to be calculated in accordance with clause 28.2B.

If and when Performance Units are issued to the Manager in respect of a Half Year where the Trust Index is below its historical Half Year end high achieved since the new fee structure was implemented on the Merger Date, the Manager may not sell or otherwise dispose of the Performance units until a time after the Trust Index equals or exceeds that

prior peak and until the time the Manager is entitled to sell the Performance Units all distributions in respect of those Performance Units must, if a distribution reinvestment plan then applies, be reinvested pursuant to the distribution reinvestment plan and the Units received pursuant to the reinvestment will be subject to the same restriction on sale or disposal. The restriction on sale or disposal will cease if a Trigger Event occurs.

28.2B Payment in lieu of Performance units

If a Trigger Event occurs, the Manager is entitled to be paid in addition to the Base Fee a cash payment calculated as follows in lieu of Performance Units which might otherwise have been issued to the Manager in respect of the Half Year in which the Trigger Event occurs, such payment to be made to the entity which was the Manager on the day upon which the Trigger Event occurred notwithstanding that the entity may have ceased to be the Manager or that the Trust has terminated:

- (a) the cash payment is to be equal to the Performance Fees calculated in accordance with clause 28.2A as if the end of the Half Year was the date of the occurrence of the Trigger Event but in determining the Trust Index at the close of the period there is to be substituted for the market price of the Units:
 - (i) in the case of a takeover bid, the mid-point of the value range for the Units contained in the independent expert's report (if any) prepared for the Unit Holders or for the target's statement or, if there is no independent expert's report, the price per Unit which would be payable for compulsory acquisition (including in the case of on-cash consideration the market value of that non-cash component on the date of the Trigger Event);
 - (ii) in the case of a scheme of arrangement, the mid-point of the value range for the Units contained in the independent expert's report (if any) prepared for the Unit Holders in relation to the scheme of arrangement or if there is no independent expert's report, the fair value of the consideration per Unit as determined by an independent accountant appointed by the Manager;
 - (iii) in the case of delisting, the weighted average market price of the Units traded on the ASX during the 10 ASX Trading Days prior to the Date of Delisting; or
 - (iv) in the case of termination of the Trust, the amount per Unit to be received by the Unit Holders after accruing the amount payable to the Manager for Performance Fees;
- (b) the cash payment is payable as soon as it can be calculated. If there has been any accrual of the Performance Fee from any prior Half Year whether due to the Trust Return (TR) being negative although exceeding the Benchmark Return (BM) or otherwise, the amount accrued shall be paid in cash rather than Units on the date of occurrence of the Trigger Event.

28.2C Payment in lieu of Performance Units

If due to restrictions imposed by the Listing Rules or otherwise, the Manager may not have Performance Units issued to it in respect of any Half Year, the Manager shall be entitled to a cash payment in lieu of Performance Units equal to the sum calculated as

PF + EPF (as defined in clause 28.2A)

in respect of that Half Year. This payment will become payable as at the end of the Half Year.

28.3 Initial fee

The Manager may receive and retain from each application for Units an initial fee not exceeding 5% of the application moneys.

28.4 Waiver and suspension of fees

- (a) The Manager may waive or postpone the receipt of any fee (or any part of a fee) or charge a lesser fee than it is entitled to receive under this Constitution.
- (b) The operation of clauses 28.1, 28.2, 28.2A, 28.2B, 28.2C and 28.3 will be suspended while Stapling applies.

28.5 Expenses

All Expenses reasonably and properly incurred by the Manager in connection with the Trust (including:

- (a) in connection with the establishment of the Trust and the first Prospectus;
- (b) custodial fees and Expenses charged by a custodian of the Assets of the Trust; and
- (c) fees and Expenses charged to the Manager by related bodies corporate of the Manager or any Stapled Entity for services provided to the Manager in connection with the Trust, including funds management services, property services and development management services),

or in performing its obligations under this Constitution are payable or can be reimbursed out of the Trust Fund. The Amounts payable under this sub-clause are in addition to fees payable under this clause and rights to indemnification or reimbursement conferred under this Constitution or by law.

28.6 Waiver of Expenses

The Manager may waive or postpone reimbursement of any or all Expenses under clause 28.5.

28.7 GST

The fees payable to the Manager under this Constitution do not include any amount referable to GST. If the Manager is or becomes liable to pay GST in respect of any supply under or in connection with this Constitution, then in addition to any fee or other consideration payable to the Manager in respect of the supply, the Manager is entitled to be paid an additional amount on account of GST. The additional amount is to be calculated by multiplying the fee, amount or consideration for the part of the supply which is a taxable supply for GST purposes by the prevailing rate of GST, and the Manager shall be entitled to be reimbursed or indemnified for such amount of GST out of the Trust Fund.

29. Unit Holders

29.1 Unit Holder bound

Each person who becomes registered as a Unit Holder or, where Stapling applies, a holder of Stapled Securities, shall be taken to have agreed to be bound by this Constitution (as amended from time to time).

29.2 Liability

Subject to this Constitution and to the extent permitted by Law, no Unit Holder will be personally liable for any obligation of, or liability incurred by, the Manager.

30. Other activities and obligations of the Manager

30.1 Other activities

Subject to the Law, nothing in this Constitution restricts the Manager (in its personal capacity or in any capacity other than as trustee and responsible entity of the Trust) or its associates from:

- (a) dealing with itself (as trustee and responsible entity of the Trust), the Stapled Company or any other Stapled Entity;
- (b) engaging an associate of itself, the Stapled Company or any other Stapled Entity to provide services to, the Manager (as trustee and responsible entity of the Trust), the Stapled Company or any other Stapled Entity;
- (c) being interested in any contract, transaction, or matter with itself (as trustee and responsible entity of the Trust), the Stapled Company, any other Stapled Entity or with any Unit Holder; or
- (d) acting in the same or similar capacity in relation to any other trust or managed investment scheme,

and in each such case the Manager (or any associate) may retain for its own benefit all profits or benefits derived from that activity.

30.2 Other obligations

All obligations of the Manager which might otherwise be implied by Law are expressly excluded to the extent permitted by Law.

31. Payments

31.1 Money payable

Money payable by the Manager to a Unit Holder may be paid in any manner the Manager decides.

31.2 Cancel cheques

The Manager may cancel cheques issued by the Manager that are not presented within 6 months. Subject to Law, when such a cheque was drawn in favour of a Unit Holder, the money is to be reinvested in Units or Stapled Securities (as applicable) at the Issue Price prevailing at the next Valuation Time after the day the cheque is cancelled.

31.3 Joint Unit Holders

A payment to any one of joint Unit Holders will discharge the Manager for the payment.

31.4 Deductions for Tax

The Manager may deduct from any amount payable to a Unit Holder (or received from a Unit Holder) any amount of Tax (or an estimate of it) which the Manager reasonably believes it must or should deduct, in respect of that Unit Holder.

32. Complaints

32.1 Procedure

If a Unit Holder submits to the Manager a complaint in relation to the Trust or its operation, the Manager must:

- (a) **(acknowledge complaint)** acknowledge in writing receipt of the complaint as soon as practicable and in any event within 14 days from receipt;
- (b) **(consider complaint)** consider the complaint in accordance with clause 32.2;
- (c) **(communicate)** communicate in writing to the complainant the determination and the reasons for that determination of either the compliance committee or the Manager (as the case may be) in relation to the complaint as soon as practicable and in any event not more than 45 days after the Manager received the complaint; and
- (d) **(further avenues)** if the complainant is dissatisfied with the outcome of the determination:
 - (i) refer the complainant to (and provide reasonable details of) an independent external dispute resolution body of which the Manager is a member; and
 - (ii) provide general guidance (without any obligation to provide legal advice) on further avenues available to the complainant.
- (e) **(inspection of documents)** if the complainant so requests, provide the complainant with an opportunity to inspect the material referred to in clause 32.2(d).

32.2 Consideration of complaint

In considering a complaint, the Manager will take into account such of the following factors as are relevant to that complaint:

- (a) the alleged breach of the Corporations Law, this Constitution or breach of trust;
- (b) legal advice (if any) it has received in relation to that alleged breach;
- (c) the supporting material provided by the Unit Holder in relation to the alleged breach;
- (d) any material held by the Manager in relation to the alleged breach; and
- (e) any other relevant information.

32.3 Referral of Complaint

The Manager must consider a complaint by referring it to either:

- (a) the Manager's compliance committee; or
- (b) if the compliance committee considers the complaint to be of a material nature, the board of directors of the Manager.

33. Listing rules

While the Units are Officially Quoted, the following applies:

- (a) Notwithstanding anything contained in this Constitution, if the Listing Rules prohibit an act being done, the act shall not be done.
- (b) Nothing contained in this Constitution prevents an act being done that the Listing Rules require to be done.
- (c) If the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be).
- (d) If the Listing Rules require this Constitution to contain a provision and it does not contain such a provision, this Constitution is deemed to contain that provision.
- (e) If the Listing Rules require this Constitution not to contain a provision and it contains such a provision, this Constitution is deemed not to contain that provision.
- (f) If any provision of this Constitution is or becomes inconsistent with the Listing Rules, this Constitution is deemed not to contain that provision to the extent of the inconsistency.

In accordance with ASIC Class Order 98/1808 or its equivalent and for so long as it applies to the Trust, a change in the text of this constitution because of the operation of this clause 33 is not a modification of the constitution for the purposes of subsections 601GC(1) and (2) of the Corporations Law.

34. ASIC instruments

If the Corporations Law or a condition of any relief from the provisions of the Corporations Law granted by an ASIC Instrument requires that this Constitution contain certain provisions, then those provisions are taken to be incorporated into this Constitution at all times at which they are required to be included and prevail over any other provisions of this Constitution to the extent of any inconsistency. However, if the relief is granted by class

order (rather than specifically in relation to the Trust) then the ASIC Instrument (and the provisions it requires) will only be taken to be incorporated if the Manager declares in writing that this is the case. Clause 22.1 does not apply to provisions taken by this clause 34 to be incorporated in the Constitution.

35. Stapling

35.1 Power to Staple

The Manager may, subject to this clause 35, the Corporations Law and, if the Units are Officially Quoted, the Listing Rules, cause the Stapling of the Attached Securities to the Units.

35.2 Paramountcy of Stapling provisions

Subject to clauses 22, 33, 34 and 39, the provisions of this Constitution relating to Stapling prevail over all other provisions of this Constitution including any that are expressed to prevail over others, except where this would result in a breach of the Corporations Law, the Listing Rules (if the Listing Rules apply) or any other Law.

35.3 Maintenance of Listing and consistency with constitutions of the Stapled Entity

The Manager must use every reasonable endeavour to procure that if the Stapled Securities are and continue to be Officially Quoted as one joint security, that the Units are dealt with under this Constitution in a manner consistent with the provisions relating to the Attached Securities in the constitutions of the Stapled Entities.

35.4 Stapling – general intention

While Stapling applies, the Units are intended to be Stapled to the Attached Securities in the ratio of one Unit to one of each category of Attached Securities. The intention is that, so far as the Law permits, a Unit and a Stapled Share which are Stapled together shall collectively be treated as one security.

The Manager and the Unit Holders must neither do any act, matter or thing nor refrain from doing any act, matter or thing if to do so or refrain from doing so (as the case may be) would result directly or indirectly in any Unit no longer being a component of a Stapled Security. In particular:

- (a) the Manager must not offer a Unit for subscription or sale (including by way of offering Options) unless an offer is made at the same time and to the same person for the corresponding Attached Securities for issue or sale;
- (b) any offer of a Unit for subscription or sale (including by way of offering Options) must require the offeree to subscribe for or buy the corresponding Attached Securities;
- (c) a Unit Holder must not sell a Unit to any person unless the corresponding Attached Securities are also sold to the same person at the same time;
- (d) the Manager must not issue or sell a Unit to any person unless the corresponding Attached Securities are also issued or sold to the same person at the same time;

- (e) the Manager must not consolidate, sub-divide, cancel, buy back or otherwise reorganise any Units unless at the same time there is a corresponding consolidation, subdivision, cancellation, buy-back or other reorganisation of all Attached Securities;
- (f) the Manager must not forfeit a Unit Holder's Unit unless the Attached Securities are also forfeited; and
- (g) the Manager must not register the transmission or transfer of Units unless a corresponding number of each category of Attached Securities is also transmitted or transferred (as the case may be).

35.5 Commencement of Stapling provisions

The provisions of this Constitution relating to Stapling commence on the date the Manager in its absolute discretion determines.

35.6 Cessation of Stapling Provisions

- (a) Subject to the Corporations Law and the Listing Rules:
 - (i) the Manager in its absolute discretion may determine that the Stapling Provisions should cease to operate and seek any approval of the Stapled Security Holders required for the Units and Attached Securities to be Unstapled; and
 - (ii) the Stapling Provisions will cease to operate if the Stapled Security Holders approve the cessation by a Special Resolution and each Stapled Entity also causes the cessation of the provisions in their respective constitutions relating to Stapling.
- (b) The provisions in this Constitution relating to Stapling continue until:
 - (i) clause 27.9 or clause 35.6(a)(ii) applies; or
 - (ii) Stapling becomes unlawful or prohibited by the Listing Rules.
- (c) The date on which Units and Attached Securities are Unstapled will be the date determined by the Manager in co-operation with the Stapled Entities.
- (d) On and from date of Unstapling, each Unit ceases to be Stapled to the corresponding Attached Securities and the Manager must do all things reasonably necessary to procure that each Unit is Unstapled.
- (e) If the Manager determines to Unstaple the Stapled Securities pursuant to this clause 35.6, this does not prevent the Manager from subsequently determining that the Stapling provisions should recommence.

35.7 Variation of Stapling provisions

The consent of the Stapled Entities must be obtained to any amendment to this Constitution which:

- (a) directly affects the terms on which Units are Stapled; or

- (b) removes any restriction on the transfer of a Stapled Unit if that restriction also exists for the Attached Securities unless that restriction is simultaneously removed for all Attached Securities.

36. Small holdings

36.1 Application of this clause

This clause 36 applies while the Units or Stapled Securities are Officially Quoted.

36.2 Manager's right to sell Small Holdings

Subject to the provisions of this clause 36, the Manager may in its discretion from time to time sell any Units held by a Unit Holder that is a Small Holder or New Small Holder without request by the Small Holder or New Small Holder.

36.3 Divestment Notice

If the Manager determines that a Unit Holder is a Small Holder or a New Small Holder the Manager may give the Unit Holder a Divestment Notice to notify the Unit Holder:

- (a) that the Unit Holder is a Small Holder or a New Small Holder, the number of Units making up and the Market Value of the Small Holding or New Small Holding and the date on which the Market Value was determined;
- (b) that the Manager intends to sell the Relevant Units in accordance with this clause after the end of the Relevant Period specified in the Divestment Notice;
- (c) if the Unit Holder is a Small Holder, that the Unit Holder may at any time before the end of the Relevant Period notify the Manager in writing that the Unit Holder desires to retain the Relevant Units and that, if the Unit Holder does so, the Manager will not be entitled to sell the Relevant Units under that Divestment Notice;
- (d) after the end of the Relevant Period the Manager may for the purpose of selling the Relevant Units that are in a CS Facility holding initiate a holding adjustment to move those Units from that CS Facility holding to an Issuer Sponsored Holding or certificated holding.

If the ASTC Settlement Rules apply to the Relevant Units, the Divestment Notice must comply with those rules.

36.4 Relevant Period

For a Divestment Notice given to a Small Holder, the Relevant Period must be at least six weeks from the date the Divestment Notice was given. For a Divestment Notice given to a New Small Holder, the Relevant Period must be at least seven days from the date the Divestment Notice was given.

36.5 Manager can sell Relevant Units

At the end of the Relevant Period the Manager is entitled to sell on-market or in any other way determined by the Manager:

- (a) the Relevant Units of a Unit Holder who is a Small Holder, unless that Unit Holder has notified the Manager in writing before the end of the Relevant Period that the Unit Holder desires to retain the Relevant Units in which event the Manager must not sell those Relevant Units under that Divestment Notice; and
- (b) the Relevant Units of a Unit Holder who is a New Small Holder.

36.6 No obligation to sell

The Manager is not bound to sell any Relevant Units which it is entitled to sell under this clause 36 but unless the Relevant Units are sold within 10 weeks after the end of the Relevant Period the Manager's right to sell the Relevant Units under the Divestment Notice relating to those Units lapses and it must notify the Unit Holder to whom the Divestment Notice was given accordingly.

36.7 Manager as Unit Holder's attorney

To effect the sale and transfer by the Manager of Relevant Units of a Unit Holder, the Unit Holder appoints the Manager and each of its directors and secretary jointly and severally as the Unit Holder's attorney in the Unit Holder's name and on the Unit Holder's behalf to do all acts and things which the Manager considers necessary or appropriate to effect the sale or transfer of the Relevant Units and, in particular:

- (a) to initiate a holding adjustment to move the Relevant Units from a CS Facility holding to an Issuer Sponsored Holding or a certificated holding; and
- (b) to execute on behalf of the Unit Holder all deeds, instruments or other documents necessary to transfer the Relevant Units and to deliver any such deeds, instruments or other documents to the purchaser.

36.8 Conclusive evidence

A statement in writing by or on behalf of the Manager under this clause 36 is binding on and conclusive against (in the absence of manifest error) a Unit Holder. In particular, a statement that the Relevant Units specified in the statement have been sold in accordance with this clause 36 is conclusive against all persons claiming to be entitled to the Relevant Units and discharges the purchaser from all liability in respect of the Relevant Units.

36.9 Registering the purchaser

The Manager must register the purchaser of Relevant Units as the holder of the Relevant Units transferred to the purchaser under this clause. The purchaser is not bound to see to the application of any money paid as consideration. The title of the purchaser to the Relevant Units transferred to the purchaser is not affected by any irregularity or invalidity in connection with the actions of the Manager under this clause 36.

36.10 Payment of proceeds

Subject to clause 36.11, where:

- (a) Relevant Units of a Unit Holder are sold by the Manager on behalf of the Unit Holder under this clause; and

- (b) the certificate for the Relevant Units (unless the Manager is satisfied that the certificate has been lost or destroyed or the Relevant Units are uncertificated securities) has been received by the Manager,

the Manager must, within 60 days of the completion of the sale, send the proceeds of sale to the Unit Holder entitled to those proceeds by sending a cheque payable to the Unit Holder through the post to the address of the Unit Holder shown in the Register, or in the case of joint holders, to the address shown in the Register as the address of the Unit Holder whose name first appears in the Register. Payment of any money under this clause is at the risk of the Unit Holder to whom it is sent.

36.11 Costs

In the case of a sale of the Relevant Units of a New Small Holder in accordance with this clause 36, the Manager is entitled to deduct and retain from the proceeds of sale, the costs of the sale as determined by the Manager. In the case of a sale of the Relevant Units of a Small Holder, the Manager or a purchaser must bear the costs of sale of the Relevant Units. The costs of sale include all stamp duty, brokerage and government taxes and charges (except for tax on income or capital against of the Unit Holder) payable by the Manager in connection with the sale and transfer of the Relevant Units.

36.12 Remedy limited to damages

The remedy of a Unit Holder to whom this clause applies, in respect of the sale of the Relevant Units of that Unit Holder, is expressly limited to a right of action in damages against the Manager to the exclusion of any other right, remedy or relief against any other person. The Manager is only liable if it has failed to comply with the requirements of this clause 36 and its liability is limited to the value of the Relevant Units at the time of sale.

36.13 Distributions and voting suspended

Unless the Manager determines otherwise, where a Divestment Notice is given to a New Small Holder in accordance with this clause 36, the rights to receive payment of distributions and to vote attached to the Relevant Units of that Unit Holder are suspended until the Relevant Units are transferred to a new holder or that Unit Holder ceases to be a New Small Holder. Any distributions that would, but for this clause 36.12, have been paid to that Unit Holder must be held by the manager and paid to that Unit Holder within 60 days after the earlier of the date the Relevant Units of that Unit Holder are transferred and the date that the Relevant Units of that Unit Holder cease to be subject to a Divestment Notice.

36.14 12 month limit

If it is a requirement of the Listing Rules, the Manager must not give a Small Holder more than one Divestment Notice in any 12 month period (except as contemplated by clause 36.15).

36.15 Effect of takeover bid

From the date of the announcement of a takeover bid for the Units until the close of the offers made under the takeover bid, the Manager's powers under this clause to sell Relevant Units of a Unit Holder cease. After the close of the offers under the takeover bid,

the manager may give a Divestment Notice to a Unit Holder who is a Small Holder or a New Small Holder, despite clause 36.14 and the fact that it may be less than 12 months since the Manager gave a Divestment Notice to that Unit Holder.

36.16 While Stapling applies

While Stapling applies:

- (a) the references to Units and Relevant Units in this clause 36 will apply to the Stapled Securities held by the Unit Holder; and
- (b) no sale under this clause 36 may occur unless, at the same time as Units are sold, an identical number of Attached Securities are also sold.

37. Governing law

This Constitution is governed by the Laws of the State of New South Wales. The Manager and the Unit Holders submit to the non-exclusive jurisdiction of courts exercising jurisdiction there.

38. Severability

If any provision of this Constitution is held or found to be void, invalid or otherwise unenforceable then so much of it as is necessary to render it valid and enforceable is deemed to be severed but the remainder of this Constitution remains in full force and effect.
