CONTRACT AWARD – UPSTREAM PRODUCTION SOLUTIONS

GR Engineering Services Limited (ASX: GNG) (GR Engineering) is pleased to announce that its wholly owned subsidiary, Upstream Production Solutions Pty Limited (Upstream PS), has been awarded a new five year contract, with an option for a further two years, to provide Commissioning, Completions and Operations support services for Chevron Australia (Chevron).

Upstream PS' scope of services includes commissioning, ready for start-up, completions and execution of operations support activities and associated support at Chevron-operated natural gas facilities in Western Australia.

Any work to be performed under the Contract will be subject to Chevron direction and the approval of work orders for specific services.

Upstream PS CEO, Cameron Wills, stated:

"The industry experience we have gained over the past twenty five years combined with our health, safety, environmental and quality expertise and local content commitment, leave Upstream PS well placed to deliver outstanding results for our clients, our team and the local community."

GR Engineering's Managing Director, Geoff Jones, stated:

"Upstream PS is proud to have secured this contract. Upstream PS has a well established track record in the supply of safe and efficient operations and maintenance services in Australia."

Ends.
