Market Announcement Gowing Bros. Limited Website and The Gowings Guide

As part of the ongoing commitment by Gowing Bros. Limited to improved and transparent communication with shareholders, investors and the market generally, the Company has launched a website with the address www.gowingbros.com and has published an information booklet called "The Gowings Guide".

Significant parts of the website are still under construction but the Company has taken the opportunity to post both its Annual Report for the year ended 31 July, 2003 and its "The Gowings Guide" on the 'Publications' page of the site.

The website is expected to be fully operational shortly.

The Gowings Guide will better inform shareholders and investors about the investment and wealth management activities of the company. It includes information about past and current performance of the company, its investment philosophy, asset portfolio, Board of Directors and management and its intended future direction.
