Change to Distribution Announcement Dates

The GPT Group (GPT) today announced it will be changing the date for the announcement of its distribution payments to take effect for the distribution payment for the six months ended 31 December 2013. The change will result in the record date for each distribution being the last trading day of the period to which the distribution payment relates and is consistent with GPT's peer group.

As a result of this change, GPT will announce its estimated half year distribution for the period ending 31 December 2013 on 18 December 2013. Similarly, GPT will announce its estimated half year distribution for the period ending 30 June 2014 on 19 June 2014.

A summary of the key dates for the upcoming distributions for the next 12 months is provided below:

Payment Period	Announcement	Ex Date	Record Date	Payment Date
Six Months to 31 December 2013	18 December 2013	23 December 2013	31 December 2013	Mid March 2014
Six Months to 30 June 2014	19 June 2014	24 June 2014	30 June 2014	Mid September 2014
