Summary & Outlook

Market Outlook

- + House price stabilisation, coupled with lower interest rates and tax cuts, should provide support for improved economic conditions and consumer sentiment
- + Monetary policy expected to remain accommodative
- + Ongoing investment in infrastructure in Sydney and Melbourne will provide support for GPT's core markets and sectors

Group Outlook

- + The Office portfolio continues to benefit from high occupancy and fixed rental increases
- + The Logistics portfolio is expected to deliver strong growth in 2H as a result of acquisitions and development completions
- + In Retail, we expect the 2H segment contribution to increase on 1H, driven by a 6 month contribution from the Sunshine Plaza expansion and reduced downtime

2019 Guidance

Funds from Operations (FFO) is reported in the Segment Note disclosures which are included in the financial report of The GPT Group for the 6 months ended 30 June 2019. FFO is a financial measure that represents The GPT Group's underlying and recurring earnings from its operations. This is determined by adjusting statutory net profit after tax under Australian Accounting Standards for certain items which are non-cash, unrealised or capital in nature. FFO has been determined based on guidelines established by the Property Council of Australia. A reconciliation of FFO to Statutory Profit is included in this presentation. Key statistics for the Retail and Office divisions include GPT Group's weighted interest in the GPT Wholesale Shopping Centre Fund (GWSCF) and the GPT Wholesale Office Fund (GWOFF) respectively.
