This Corporate Governance Statement is current as at 30 June 2019 and has been approved by the Board of the Company. The Corporate Governance Statement was adopted by the Board on 13 September 2019.

This Corporate Governance Statement discloses the extent to which the Company has, during the financial year ended 30 June 2019, followed the recommendations set by the ASX Corporate Governance Council in its publication *The ASX Corporate Governance Principles and Recommendations (3rd Edition)* (**Recommendations**).

The Recommendations are not mandatory, however the Recommendations that have not been followed for any part of the reporting period have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of the recommendation during that period.

The Company will adopt the Fourth Edition of the Council's Corporate Governance Principles and Recommendations which were released on 27 February 2019 of its financial year commencing 1 July 2020.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

In light of the Company's current stage of development, the Board considers that its current composition is appropriate. Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skills set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The Company's Corporate Governance Plan is available on the Company's website at www.gsml.com.au.

RECOMMENDATIONS (3 RD EDITION)	COMPLY	EXPLANATION
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 A listed entity should have and disclose a charter which sets out the respective roles and responsibilities of the Board, the Chair and management, and includes a description of those matters expressly reserved to the Board and those delegated to management.	YES	The Company has adopted a Board Charter that sets out the specific roles and responsibilities of the Board, the Chair and management and includes a description of those matters expressly reserved to the Board and those delegated to management. The Board Charter sets out the specific responsibilities of the Board, requirements as to the Board's composition, the roles and responsibilities of the Chairman and Company Secretary, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy. A copy of the Company's Board Charter, which is part of the Company's Corporate Governance Plan, is available on the Company's website.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a person, or putting forward to	YES	(a) The Company's Nomination Committee Charter (in the Company's Corporate Governance Plan) requires the Nomination Committee (or, in its absence, the Board) to ensure appropriate checks (including checks

security holders a candidate for election, as a Director; and (b) provide security holders with all material information relevant to a decision on whether or not to elect or re-elect a Director.		in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person, or putting forward to security holders a candidate for election or re-election as a Director. During the 2019 financial year there was no change to the composition of the Board of the Company. All Directors were re-elected to their respective positions at the Annual General Meeting held 2 November 2018. (b) Under the Nomination Committee Charter, (or, in its absence, the Board), all material information relevant to a decision on whether or not to elect or re-elect a Director must be provided to security holders in the Notice of Meeting containing the resolution to elect or re-elect a Director.
Recommendation 1.3 A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.	YES	The Company's Nomination Committee Charter requires the Nomination Committee (or, in its absence, the Board) to ensure that each Director and senior executive is a party to a written agreement with the Company which sets out the terms of that Director's or senior executive's appointment. Key details of the agreements are published in the Company's annual report. The Company has had written agreements with each of its Directors and senior executives for the past financial year. The respective executive and non-executive agreements set out the terms of their respective appointments, including but not limited to, duties and responsibilities, remuneration (and where appropriate, any termination provisions) and indemnity and insurance arrangements.
Recommendation 1.4 The Company Secretary of a listed entity should be accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.	YES	The Board Charter outlines the roles, responsibility and accountability of the Company Secretary. In accordance with this, the Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board. The Company Secretary attends all board and shareholder meetings and provides advice as required on governance matters.

RECOMMENDATIONS (3 RD EDITION)	COMPLY	EXPLANATION
Recommendation 1.5 A listed entity should: (a) have a diversity policy which includes requirements for the Board or a relevant committee of the Board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them; (b) disclose that policy or a summary of it; and (c) disclose as at the end of each reporting period: (i) the measurable objectives for achieving gender diversity set by the Board in accordance with the entity's diversity policy and its progress towards achieving them; and (ii) either: (A) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in the Workplace Gender Equality Act.	PARTIALLY	(a) The Company has adopted a Diversity Policy which provides a framework for the Company to establish and achieve measurable diversity objectives, including in respect of gender diversity. The Diversity Policy requires the Board to set measurable gender diversity objectives and to assess annually both the objectives (if any) and the Company's progress in achieving them. (b) The Diversity Policy is available, as part of the Corporate Governance Plan, on the Company's website. (c) (i) The Board did not set measurable gender diversity objectives for the past financial year, because: - The Board did not appoint any new Directors or senior executives due to the board refresh which occurred in April 2018 and given the limited nature of the Company's proposed activities at the time. Two new directors were appointed during the 2018 period and it is the Board's view that the existing Directors and senior executives have sufficient skill and experience to carry out the Company's plans; and - if it became necessary to appoint any new Directors or senior executives, the Board consider the application of a measurable gender diversity objective requiring a specified proportion of women on the Board and in senior executive roles will, given the small size of the Company and the Board, unduly limit the Company from applying the Diversity Policy as a whole and the Company's policy of appointing based on skills and merit; and (ii) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes) for the past

It may do so with the aid of an independent advisor. The process for this is set out in the Company's Corporate Governance Plan, which is available on the Company's website. The Company's Remuneration Committee (or, in its absence, the Board) is responsible for evaluating the remuneration of the Company's senior executives on an annual basis. (b) The Company did not have a Nomination Committee for the past financial year as the Board did not consider the Company would benefit from its establishment. In accordance with the Company's Board Charter, the Board carries out the duties that would ordinarily be carried out by the Nomination Committee under the Nomination Committee Charter, including the following processes to address succession issues and to ensure the Board has the appropriate balance of skills, experience, independence and knowledge of the entity to enable it to discharge its duties and responsibilities effectively: (i) Devoting time at least annually to discuss Board succession issues and updating the Company's Board skills matrix; and (ii) All Board members being involved in the Company's nomination process, to the maximum extent permitted under the Corporations Act and ASX Listing Rules

described in Box 2.3 of the ASX Corporate Governance Principles and Recommendation (3rd Edition), but the Board is of the opinion that it does not compromise the independence of the Director, the nature of the interest, position, association or relationship in question and an explanation of why the Board is of that opinion; and (c) the length of service of each Director		(b) The 2 Directors considered by the Board to be independent Directors have a holding (albeit not a substantial holding) in the Company. The Board did not have an independent Chair because the size and scope of the Company's operations does not justify having more than the minimum number of directors, presently 1 executive director and 2 non-executive directors. Given Mr Terpu's relevant experience in the exploration and mining industry his appointment as Executive Chairman is in the best interests of the Company and its shareholders. Kathleen Bozanic, an independent non-executive director, undertakes the role of deputy chair in any situation where the chair is conflicted.
Recommendation 2.6 A listed entity should have a program for inducting new Directors and providing appropriate professional development opportunities for continuing Directors to develop and maintain the skills and knowledge needed to perform their role as a Director effectively.	YES	In accordance with the Company's Board Charter, the Nominations Committee (or, in its absence, the Board) is responsible for the approval and review of induction and continuing professional development programs and procedures for Directors to ensure that they can effectively discharge their responsibilities. The Company Secretary is responsible for facilitating inductions and professional development.

Diversity policy

The recommendations of the Corporate Governance Council relating to reporting require a Board to set measurable objectives for achieving diversity within the organisation, and to report against them on an annual basis. The Company did not set any specific measurable objectives in the financial year. The Company has not at this time implemented specific measurable objectives regarding the proportion of females to be employed within the organisation or implement requirements for a proportion of female candidates for employment and Board positions. The Board considers that the setting of quantitative gender based measurable targets is not necessarily consistent with the merit and ability based policies currently implemented by the Company.

The Board will consider the future implementation of gender based diversity measurable objectives when more appropriate to the size and nature of the Company's operations.

In accordance with the diversity policy, the Board provides the following information pertaining to the proportion of women employees across the organisation for the past financial year:

	ACTUAL	
	NUMBER	PERCENTAGE OF TOTAL NUMBER OF PERSONS IN
Number of women employees in the whole organisation	1	50%

The Board considers that the Company has only one Senior Executive being Mr Mark Petricevic, the Company Secretary and Chief Financial Officer.
