| <p>3 Principal terms of the +securities (eg, if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion)</p> | <ol style="list-style-type: none"> 1. Each option entitles the holder, on exercise, to one fully paid ordinary share in the Company. 2. The exercise price is \$0.30 per option and the expiry date for the options will be 5pm (WST) on 30 June 2012. 3. Shares issued on exercise of options will rank equally with other fully paid ordinary shares of the Company. 4. An option may only be exercised after that option has vested, after any conditions associated with the exercise of the option are satisfied and before its expiry date. The Board may determine the vesting period (if any). On the grant of an option the Board may, in its absolute discretion, impose other conditions on the exercise of an option. 5. An option will lapse upon the expiry date. 6. If the Company enters into a scheme of arrangement, a takeover bid is made for the Company's Shares, or a party acquires a sufficient interest in the Company to enable them to replace the Board (or the Board forms the view that one of those events is likely to occur), then the Board may declare an option to be free of any conditions of exercise. Options which are so declared may be exercised at any time on or before they lapse. 7. Options may not be transferred other than to a nominee of the holder. Quotations of options on ASX will not be sought. However, the Company will apply to ASX for official quotation of Shares issued on the exercise of options. 8. There are no participating rights or entitlements inherent in the options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the options. However, the Company will ensure that the record date for determining entitlements to any such issue will be at least 10 ASX Business Days after the issue is announced. 9. In the event of any reconstruction (including a consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the expiry of any options, the number of options to which each option holder is entitled or the exercise price of his or her options or both or any other terms will be reconstructed in a manner determined by the Board which complies with the provisions of the ASX Listing Rules. 10. The option does not have any rights to a change in the exercise price of the option or a change to the underlying securities over which the option can be exercised. |
