GTG Licenses Thermo Fisher

Genetic Technologies Limited (ASX: GTG; NASDAQ GM: GENE) is pleased to report it has granted a license to the GTG non-coding patents to Thermo Fisher Scientific Inc, based in Waltham, Massachusetts, USA. Thermo Fisher is the parent company of Athena Diagnostics, Inc, a genetic testing laboratory based in Worcester, MA, with whom GTG has been in discussions for some time. Commercial terms of the license granted by GTG are covered by confidentiality and cannot be disclosed, but it can be reported that Thermo Fisher has made an up-front payment to GTG of US\$1.2M, with effect June 29th, 2007.

These licensing negotiations were led for GTG by its CEO, Dr. Mervyn Jacobson, who was actively supported by Mr. Michael DeSanctis, a partner in the Denver-based law firm of Hamilton, DeSanctis and Cha. This firm was recently appointed an additional licensing contractor to GTG in USA.
