Dear Ms. Oliveira,

REQUEST FOR VOLUNTARY SUSPENSION

We refer to the request for a trading halt that was released to the Market by Genetic Technologies Limited (the "Company" or "GTG") on Tuesday, 12 July 2011. In the request, the Company stated that the purpose of the trading halt was to "consider a proposed capital raising".

We advise that the Company is currently continuing its capital raising discussions and that these discussions are not yet finalised. As the discussions are incomplete, GTG is unable at this time to provide the Market with concluded information concerning the proposed capital raising.

Pursuant to ASX Listing Rule 17.2, the Company requests that the ASX grant the Company a voluntary suspension of trading of its securities as of the opening on Thursday, 14 July 2011 to allow it to conclude its discussions concerning a proposed capital raising.

The Company is not aware of any reason why the voluntary suspension of its shares should not be granted, nor any other information necessary to inform the Market about the voluntary suspension.

Yours sincerely,

GENETIC TECHNOLOGIES LIMITED
