Dear Ms Ellis,

Gentrack Group Limited (GTK) – Price Enquiry

We write with respect to the continuous disclosure obligations set out in the Listing Rules (**Rules**). Listing Rule 3.1.1 (**the rule**) is set out in the Schedule attached to this letter. In summary, this rule requires issuers to promptly and without delay disclose any Material Information to the market through NZX's market announcement platform (**MAP**). The rule provides limited exceptions to this obligation. Material Information does not need to be disclosed where a reasonable person would not expect the information to be disclosed *and* where the information is confidential, and its confidentiality is maintained and where one of five safe harbours applies.

The price of GTK is up just over 10% on the day as I write.

Given this increase in the price, please advise NZ RegCo whether GTK continues to comply with Listing Rule 3.1.1.

We would appreciate it if you could provide NZ RegCo with an answer to the above question (email: surveillance@nzregco.com) before 9:00 am Monday, 31 March 2025.

Please provide your response to this letter in "PDF" format, and note that it will be published in full to the market.

Kind Regards,

Phil Solarz
Head of Surveillance

and which is of a reasonably specific nature whether or not Rule 3.1.2 applies.
