C. ITEMS FOR APPROVAL

Resolution 1. Election of Director – Corinna Keller

To consider and, if thought fit, pass the following as an ordinary resolution of the Company:

“That Corinna Keller, who retires in accordance with clause 10.3(b)(ii) of the Company’s Constitution and being eligible for election, is elected as a Director of the Company.”

Resolution 2. Remuneration Report

To consider and if thought fit, pass the following as a non-binding ordinary resolution of the Company:

“That the Company’s Remuneration Report for the financial year ended 30 June 2019, as set out in the Directors’ Report, is adopted.”

The Remuneration Report is contained in the 2019 Annual Report (available at <http://www.gtnetwork.com.au/investor-centre/?page=reports>). Please note that, in accordance with section 250R(3) of the *Corporations Act 2001* (Cth) (**Act**), the vote on this resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement

A vote on Resolution 2 must not be cast (in any capacity) by, or on behalf of, the following persons:

- a. a member of the Key Management Personnel (**KMP**) whose remuneration details are included in the 2019 Remuneration Report; or
- b. a closely related party of such a KMP (including close family members and companies the KMP controls).

However, a person described above may cast a vote on Resolution 2 as a proxy if the vote is not cast on behalf of a person described above and either:

- a. the proxy appointment is in writing that specifies the way the proxy is to vote (e.g. for, against, abstain) on the resolution; or
- b. the vote is cast by the chair of the Meeting and the appointment of the chair as proxy:
 - i. does not specify the way the proxy is to vote on the resolution; and
 - ii. expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

In accordance with section 250BD of the *Corporations Act 2001* (Cth), a vote must not be cast on Resolution 2 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting where the proxy appointment expressly authorises the Chairman of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

“Key management personnel” and “closely related party” have the same meaning as set out in the *Corporations Act 2001* (Cth).

Resolution 3. Issue of Options under the GTN Long Term Incentive Plan – William Yde

To consider and, if thought fit, to pass the following as an ordinary resolution of the Company:

“That, for the purposes of ASX Listing Rule 10.14 and for all other purposes, the Company approves the grant of up to 4,500,000 Options to acquire fully paid ordinary shares in the Company to William Yde under the GTN Long Term Incentive Plan on the terms described in the Explanatory Memorandum accompanying and forming part of this Notice of Meeting.”

Voting Exclusion Statement

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast in favour of Resolution 3 by or on behalf of:

- a. William Yde; or
- b. an associate of William Yde.

However, the Company need not disregard a vote cast on Resolution 3 if:

- a. it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form; or
- b. it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

The Non-Executive Directors are not eligible to participate in the GTN Long Term Incentive Plan. As a result, Non-Executive Directors will not be excluded from voting on Resolution 3.

In accordance with section 250BD of the Corporations Act 2001 (Cth), a vote must not be cast on Resolution 3 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting where the proxy appointment expressly authorises the Chairman of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

“Key management personnel” and “closely related party” have the same meaning as set out in the *Corporations Act 2001* (Cth).

BY ORDER OF THE BOARD

Anna Sandham
Company Secretary
8 October 2019

ENTITLEMENT TO ATTEND AND VOTE

In accordance with regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the Board has determined that persons who are registered holders of shares of the Company as at 7:00pm (Sydney time) on Tuesday, 12 November 2019 (being two days before date of Meeting) will be entitled to attend and vote at the AGM as a shareholder.

If more than one joint holder of shares is present at the AGM (whether personally, by proxy or by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

Appointment of Proxy

If you are a shareholder entitled to attend and vote, you may appoint an individual or a body corporate as a proxy. If a body corporate is appointed as a proxy, that body corporate must ensure that it appoints a corporate representative in accordance with section 250D of the Corporations Act 2001 (Cth) (the **Act**) to exercise its powers as proxy at the AGM.

A proxy need not be a shareholder of the Company.

A shareholder may appoint up to two proxies and specify the proportion or number of votes each proxy may exercise. If the shareholder does not specify the proportion or number of votes to be exercised, each proxy may exercise half of the shareholder's votes.

To be effective, the proxy must be received at the Share Registry of the Company no later than 10:00am (Sydney time) on Tuesday, 12 November 2019 (48 hours before AGM). Proxies must be received before that time by one of the following methods:

A proxy form and the original power of attorney (if any) under which the proxy form is signed (or a certified copy of that power of attorney or other authority) must be received by the Company no later than 10:00am (Sydney time) on Tuesday, 12 November 2019, being 48 hours before the AGM.

Corporate Representatives

A body corporate which is a shareholder, or which has been appointed as a proxy, is entitled to appoint any person to act as its representative at the AGM. The appointment of the representative must comply with the requirements under section 250D of the Act. The representative should bring to the AGM a properly executed letter or other document confirming its authority to act as the company's representative. A "Certificate of Appointment of Corporate Representative" form may be obtained from the Company's share registry or online at www.linkmarketservices.com.au.

IMPORTANT: If you appoint the Chairman of the Meeting as your proxy, or the Chairman becomes your proxy by default, and you do not direct your proxy how to vote on resolution 2 or resolution 3, then by submitting the proxy form you will be expressly authorising the Chairman to exercise your proxy on the relevant resolution, even though the resolutions are connected, directly or indirectly, with the remuneration of the KMP.

SHAREHOLDER QUESTIONS

Shareholders who are unable to attend the Meeting or who may prefer to register questions in advance are invited to do so. Please log onto www.linkmarketservices.com.au, select Voting then click 'Ask a Question'.

To allow time to collate questions and prepare answers, please submit any questions by 10:00am (Sydney time) on Thursday, 7 November 2019. Questions will be collated and, during the AGM, the Chairman will seek to address as many of the more frequently raised topics as possible. However, there may not be sufficient time available at the AGM to address all topics raised. Please note that individual responses will not be sent to shareholders.

Shareholders are encouraged to use the online voting facility that can be accessed on GTN's share registry's website at www.linkmarketservices.com.au to ensure the timely and cost effective receipt of your proxy; and
- a reply paid envelope for you to return the proxy form.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of shareholders of the Company (**Shareholders**) in relation to the business to be conducted at the Company's AGM to be held at 10:00am (Sydney time) on Thursday, 14 November 2019.

The purpose of this Explanatory Memorandum is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote upon the resolutions.

Subject to any abstentions noted below, the Directors unanimously recommend Shareholders vote in favour of all Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1 and 3 are ordinary resolutions, which require a simple majority of votes cast by Shareholders present and entitled to vote on the resolution.

Resolution 2, relating to the Remuneration Report, is advisory only and does not bind the Directors or the Company.

Resolution 1. Election of Director – Corinna Keller

Corinna Keller was appointed an independent Non-Executive Director of GTN effective 1 March 2019. Corinna is a member of the Company's Audit and Risk Committee and a member of the Nomination and Remuneration Committee.

Corinna is Vice President of Advertising Sales for the Americas for CNN International Commercial (a WarnerMedia company), which she joined in 2016. Corinna oversees the pan-regional ad sales business for CNN International, CNN en Español, CNN.com/international and CNNEspañol.com for Latin America and clients based in the U.S. and Canada who want to target international viewers.

From 1999 to 2015, Corinna was with Viacom in various roles, her last as Vice President, International Marketing Partnerships and Pan-Regional Ad Sales, running the pan-regional advertising business for Nickelodeon, MTV, Comedy Central, Paramount Channel and VH1, and a diverse digital portfolio. She held a number of senior positions with Viacom in both the U.S. and Mexico and managed client relationships with Fortune 500 companies across the U.S., Latin America, Europe and Asia.

Prior to Viacom, Corinna was in the pay television industry at Turner Broadcasting, where she assisted in distribution for the newly launched CNN en Español.

Corinna holds a BAS from Kalamazoo College and speaks English, Spanish, German and Portuguese.

The Directors, with Corinna Keller abstaining, unanimously recommend Shareholders vote in favour of this Resolution.

Resolution 2. Remuneration Report

Section 250R(2) of the Corporations Act 2001 (Cth) (the **Act**) requires that the section of the Directors' Report dealing with the remuneration of directors and key management personnel (**KMP**) of the Company (**Remuneration Report**) be put to the vote of shareholders for adoption by way of a non-binding vote.

Broadly, the Remuneration Report details the remuneration policy for the Company and:

- explains the structure of and rationale behind the Company's remuneration practices and the link between the remuneration of executives and the Company's performance;
- sets out remuneration details for each Director and for each executive with authority and responsibility for directing the affairs of the Company; and
- discusses the relationship between the policy and Company performance.

Shareholders can view the full Remuneration Report in the 2019 Annual Report which is available on GTN's website at <http://www.gtnetwork.com.au/investor-centre/?page=reports>.

Following consideration of the Remuneration Report, the Chairman of the Meeting will give shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. A resolution that the Remuneration Report be adopted will then be put to the vote. The vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into account in setting remuneration policy for future years.

The Directors abstain, in the interests of good governance, from making a recommendation in relation to this Resolution.

Resolution 3. Issue of Options under the GTN Long Term Incentive Plan – William Yde

This resolution deals with the proposed grant of options (**Options**) to acquire fully paid ordinary shares in the Company (**Shares**) to Mr William Yde, the Company's Managing Director, under the GTN Long-Term Incentive Plan (**Plan**). The Company has agreed, subject to obtaining shareholder approval, to grant up to 4,500,000 Options to Mr William Yde under the terms and conditions of the Plan. This award represents Mr Yde's long term incentive remuneration for the period 1 July 2018 to 30 June 2019.

The ASX Listing Rules (**Listing Rules**) and the Corporations Act 2001 (Cth) set out a number of regulatory requirements which must be satisfied before securities can be issued to a director. These are summarised below:

ASX Listing Rule 10.14

Listing Rule 10.14 requires the approval of ordinary shareholders to issue securities under an employee incentive scheme to a Director of the Company. Accordingly, the approval of shareholders for the grant of the Options to Mr Yde is required.

If shareholder approval is given under Listing Rule 10.14, shareholder approval is not required under Listing Rule 7.1. Therefore, the issue to Mr Yde of the Options, and the issue of Shares on vesting of the Options, will not be included in the 15% calculation for the purposes of Listing Rule 7.1.

Purpose of the Plan

The Company has established the Plan to appropriately motivate, retain and reward employees over the long term by allowing executives to build up an equity ownership aligning their interest with that of the Shareholders. The Plan provides eligible participants with an opportunity to acquire an ownership interest in GTN and gain an economic exposure to the value of GTN shares.

Other members of senior management, selected by the Board, have been granted Options under the Plan on similar terms to Mr Yde.

Calculation of the proposed number of Options

The Board intends that the value of the grant of Options to Mr Yde will be approximately \$US552,513 (converted to an Australian dollar equivalent using the spot foreign exchange rate on the date of grant). To determine the value of each Option at the time of grant, the Board uses a fair value calculation (applying the Black Scholes option valuation method), which takes into account what the grant may be worth over the life of the options. When applying the Black Scholes option valuation, the Board may make certain assumptions it deems fair and reasonable.

It is proposed that Mr Yde be granted up to 4,500,000 Options. The actual Option grant to Mr. Yde may be less than the 4,500,000 Options set forth herein based upon the calculation set forth above on the date of the AGM, and is therefore subject to exchange rate and share price volatility. The Options will be granted to Mr Yde for nil financial consideration as they form part of his remuneration.

The exercise price of the Options will be calculated using the Company's closing price on the day of shareholder approval. If Resolution 3 is passed, the Options will be granted to Mr Yde on or about 15 November 2019.

Those Directors who do not have an interest in the outcome of the relevant resolution, recommend that shareholders vote in favour of this resolution for the reasons set out below:

1. the Directors consider that it is important for the Company to be able to attract and retain experienced executive directors and that the proposed grant of Options to Mr Yde is appropriate taking into account his level of experience and contribution to the Company;
2. the Directors consider that the proposed number of Options to be granted to Mr Yde is appropriate to:
 - i. motivate him to pursue the long term growth and success of the Company (within an appropriate control framework);
 - ii. align his interests with the interests of the Company's shareholders; and
 - iii. ensure a clear correlation between performance and remuneration, in accordance with the Company's remuneration policy; and
3. the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th edition) note that equity-based remuneration can be an effective form of remuneration for executives.

Details about the proposed grant of Options to Mr Yde

As described further below, the Board intends to grant Mr Yde up to 4,500,000 Options. The Options will vest on the vesting dates to the extent that the Board determines that the vesting conditions are satisfied. The exercise price of the Options will be calculated using the Company's closing price on the day of the AGM.

The grant to Mr Yde has been designed to drive executive performance and align shareholder interests over the long term.

Vesting Conditions

The Options are divided into two tranches as follows:

1. 1/3 of Mr Yde's Options will vest on the second anniversary of the grant date provided that Mr Yde remains employed by the Company on that date, expected to be on or about 15 November 2021; and
2. 2/3 of Mr Yde's Options will vest on the third anniversary of the grant date provided that Mr Yde remains employed by the Company on that date, expected to be on or about 15 November 2022.

The Options will vest and be exercisable on the date that the employment condition is achieved. If the employment condition is not achieved, all of the Options in that tranche will lapse. The vesting of the Options is not subject to any performance hurdles. Whilst option grants without performance hurdles are uncommon in Australia, they are common practice in the US. As Mr Yde is the Company's Managing Director and is based in the US, it is appropriate that the vesting conditions are those employment conditions as set out above.

Additional terms of the Options:

1. Options do not carry any voting rights or right to dividend prior to vesting.
2. The Company's obligation to allocate Shares on vesting of the Options may be satisfied by issuing new shares, procuring the transfer to, or procuring the setting aside for the participant the number of shares in respect of which Options have vested. The Board can also exercise its discretion to make a cash payment (an amount equivalent to the value of the Options that have vested) to a participant in lieu of an allocation of Shares.
3. In the event there is any corporate action by, or capital reconstruction in relation to the Company (including but not limited to return of capital), adjustments may be made to the number of Options and/or the number of Shares each participant is entitled to upon vesting in accordance with the Listing Rules or in a manner which the Board considers appropriate.

4. In the event of cessation of employment, unvested Options will lapse.
5. Under the Plan Rules, any dealing in respect of an Option is prohibited, unless the Board determines otherwise or the dealing is required by law. Mr Yde will be free to deal with the Shares allocated on exercise of the Options (following payment of the exercise price), subject to the requirements of GTN's securities trading policy.

Allocation of Shares following Vesting

If the employment condition for each tranche of Options is satisfied, the relevant Options will vest. Upon vesting, Mr Yde will generally obtain the right to acquire the Shares represented by the Options upon payment of the exercise price on each Option and then will be allocated the relevant number of Shares on a one-for-one basis, being one Share for each Option that vests. Options may be satisfied in either Shares or an equivalent value cash payment may be made in lieu of an allocation of Shares (calculated in accordance with the Plan Rules) as determined appropriate by the Board. Any Shares allocated to Mr Yde may be acquired on-market or issued by the Company. It is the Board's current intention that any Shares allocated to Mr Yde on the vesting of Options will be issued by the Company.

Technical Information for the purpose of the ASX Listing Rules

Pursuant to the requirements of ASX Listing Rule 10.15, the following information is provided with regard to Resolution 3:

1. Mr William Yde is the Managing Director of the Company.
2. Mr Yde will be granted up to 4,500,000 Options and the Options may convert to Shares on a one-for-one basis subject to the achievement of the vesting conditions.
3. As described above, the vesting conditions are as follows:
 - Up to 1,500,000 options (being 1/3 of the maximum proposed grant) will vest if Mr Yde remains employed by the Company on the second anniversary of the grant date, expected to be on or about 15 November 2021;
 - Up to 3,000,000 options (being 2/3 of the maximum proposed grant) will vest if Mr Yde remains employed by the Company on the third anniversary of the grant date, expected to be on or about 15 November 2022.

This would mean that Mr Yde would be eligible to receive up to a maximum of 4,500,000 Shares in respect of both tranches of Options if the employment conditions are met.
4. The Options will be granted for nil financial consideration.
5. The exercise price for each Option will be the closing price of a Share on the day of the AGM;
6. For the purposes of ASX Listing Rule 10.15.4, Mr Yde has previously been granted the following options under the Plan:
 - 354,865 options over Shares exercisable @ \$2.15 on or after 9 November 2020 subject to vesting conditions; and
 - 709,729 options over Shares exercisable @ \$2.15 on or after 9 November 2021 subject to vesting conditions.
7. Of the Company's Directors, only Mr Yde (the sole Executive Director) is eligible to participate in the Plan. Non-Executive Directors are not eligible to participate.
8. The Options will be granted subject to the terms and conditions of the Plan.
9. A Voting Exclusion Statement is set out under Resolution 3 in the Notice of Meeting.
10. There is no loan attaching to the offer of the Options.
11. The Company is expected to issue the Options shortly after the AGM, but in any event, no later than 12 months after the meeting.
12. If approval is given for the issue of the Options under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

The Directors, with Mr William Yde abstaining, unanimously recommend Shareholders vote in favour of this Resolution 3.
