**General Meeting**

Further to the Company's announcement of 29 August 2008 the Company confirms that the Federal Court yesterday reserved its decision in relation to an application by Portman Limited seeking a declaration that certain proxies lodged by Portman Limited were valid and should be taken into account in determining the final results of the poll taken at the extraordinary general meeting.

Pending judgment the Court ordered that the Company not declare the result of or act on any resolution put at the meeting. The Court indicated that it expects to deliver its decision in the next couple of days.

Counsel for Portman Limited acknowledged that including the disputed proxies would not change the outcome of the poll in relation to any of the resolutions.

The final results of the poll will be announced as soon as possible after the Federal Court has delivered its final ruling.
