## Olympus Resources Limited and its Controlled Entities

### Directors' Report

The Directors present their report together with the financial report of Olympus Resources Limited ("the Company") and the consolidated financial report of the consolidated entity, being the Company and its controlled entities, for the year ended 31 December 2003 and the auditor's report thereon.

#### Directors

The Directors of the Company at any time during or since the end of the financial year are:

Mr Gabriel M Lorentz

Chairman.

Bachelor of Law

Director of four other public companies.

Director since 1969 - appointed Chairman 1980.

Mr David Lorentz

Property Manager

Director since 1998.

Mr Barry J Molloy

Public Accountant.

Director since 1981.

In accordance with the Company's articles of association, Mr D. Lorentz retires from the Board of Directors and being eligible offers himself for re-election.

#### Directors' meetings

The number of directors' meetings and number of meetings attended by each of the directors of the Company during the financial year are:

| Directors' meetings | No. of Meetings |          |
|---------------------|-----------------|----------|
|                     | Held            | Attended |
| GM Lorentz          | 2               | 2        |

## Olympus Resources Limited and its Controlled Entities

### Directors' Report (Continued)

#### Principal activities & likely developments

The principal activities of the consolidated entity during the course of the financial year were share trading and investing, and holding an unsecured loan with Kimberley Securities Limited, a company involved with property development.

The consolidated entity has invested in, and has loaned moneys to and is entitled to a 25% interest in an Indonesian company having licences for wireless access to the internet and other telecommunications in Indonesia. Subsequent to balance date the Indonesian Company has entered into an agreement whereby it will be paid US\$1,100,000 over the next six months which will allow it to repay most of its debts including loans from Olympus Resources Limited while retaining its telecommunications licences. The Indonesian company is also having talks with other Indonesian entities in respect of a VOIP licence in Indonesia. The consolidated entity is pursuing this Indonesia opportunity with other potential projects in VOIP telephony in Asia. If the above incentives come to fruition it will require the company to raise substantial funds for these projects.

#### Consolidated result

The consolidated result for the year attributable to the shareholders of Olympus Resources Limited was:

|                             | 2003            | 2002             |
|-----------------------------|-----------------|------------------|
|                             | \$              | \$               |
| Net (loss) after income tax | <u>(67,964)</u> | <u>(315,629)</u> |

The Consolidated result has been arrived at after making a provision of \$308,362 for its Indonesian investment. The Directors still believe that there is substantial possibilities for the Company's overseas projects which may be worth many times the amounts these are carried in the books, but took the prudent alternative to make provisions for the investment. Without this provision the Company would have made a profit of \$240,398.

#### Review of operations

During the year the consolidated entity advanced funds in the form of secured and unsecured loans to a company involved in property and development and pursued its activities in telecommunication.

#### Environmental regulation

The Company's operations are not subject to any particular or significant environmental regulations under either Commonwealth or State Legislation. The Company has not incurred any liability under environmental regulations.

#### Dividends

No dividend was declared or paid during the year.

#### State of affairs

In the opinion of the Directors there were no significant changes in the state of affairs of the consolidated entity that occurred during the financial year under review.

## Olympus Resources Limited and its Controlled Entities

### Directors' Report (Continued)

#### Events subsequent to balance date

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the Directors of the Company, to affect significantly the operations of the consolidated entity, the results of those operations, or the state of affairs of the consolidated entity, in future financial years.

#### Directors' Interests and Benefits

The relevant interest of each Director in the ordinary share capital of the Company as notified by the directors to the Australian Stock Exchange in accordance with S205G(1) of the Corporations Act 2001, as at the date of this report is as follows:

| Ordinary shares | Held<br>Directly | Held<br>Indirectly |
|-----------------|------------------|--------------------|
| G M Lorentz     | 18,000           | 4,680,837          |
| B J Molloy      | 750              | 47,250             |

#### Directors' Emoluments

The Directors are responsible for setting the remuneration policy. The policy is to ensure remuneration properly reflects the relevant person's duties and responsibilities.

Details of the nature and amount of each major element of the emoluments of each Director of the Company and the consolidated entity are:

| Director   | Base<br>emolument<br>\$ | Superannuation<br>contributions<br>\$ | Total<br>\$ |
|------------|-------------------------|---------------------------------------|-------------|
| GM Lorentz | 10,000                  | -                                     | 10,000      |
| BJ Molloy  | 5,000                   | -                                     | 5,000       |
| D Lorentz  | 5,000                   | -                                     | 5,000       |

There are no executives of the Company.

#### Indemnification and Insurance of Officers and Auditors

The Company has not during or since the financial year in respect of any person who is or has been an officer or auditor of the Company or of a related body corporate, indemnified or made any relevant agreement for indemnifying against a liability incurred as an officer or auditor, including costs and expenses in successfully defending legal proceedings.

The Company has not paid, or agreed to pay, a premium in respect of a contract insuring against a liability incurred by an officer or auditor.

## **Olympus Resources Limited and its Controlled Entities Corporate Governance Statements**

Set out below are the main Corporate Governance practices that were in place throughout the financial year:

### ***Board of Directors***

The Board of Directors is composed of two executive directors and one non-executive director.

### ***Audit Committee***

Being a small Company with only three directors, the Company does not have an audit committee. All audit related matters are dealt with directly through the Board. External auditors have full access to the Board throughout the year. The Board is committed to corporate governance.

The responsibility of the Board ordinarily includes:

- reviewing internal controls and recommending enhancements in respect of the company's financial affairs;
- monitoring compliance with the Corporations Act 2001, Stock Exchange listing rules, matters outstanding with auditors, Australian Tax Office, Australian Securities and Investments Commission, Australian Stock Exchange and financial institutions;
- monitoring environmental, legal and safety requirements;
- reviewing external audit reports and ensuring the annual audit and half-year review are conducted in an effective manner.

The Board is able to obtain independent professional advice and to secure the attendance of external advisers with relevant experience and expertise if it considers this necessary within the scope of its activities. The cost of such advice is borne by the Company.

The Company's auditor, KPMG, was appointed in 1970. The current audit engagement partner, has worked on the Company's audit for 4 years.

### ***Membership of the Board***

The responsibility for reviewing the composition, criteria for membership and performance of the Board of Directors has been taken by all members of the Board. Compensation of any Board member requires the agreement and approval of all members of the Board.

### ***Remuneration of Directors***

The amount of Directors' remuneration, including the value of benefits, received during the year is shown in notes 16 and 19 to the financial statements. The broad remuneration policy is to ensure the remuneration properly reflects the relevant person's duties and responsibilities.

### ***Director dealings in Company shares***

The Constitution permits directors to acquire shares in the Company.

### ***Independent professional advice***

Each director has the right of access to all relevant company information and to the Company's executives and, subject to prior consultation with the chairman, may seek independent professional advice at the consolidated entity's expense. A copy of advice received by the director is made available to all other members of the board.

### ***Ethical standards***

All directors are expected to act with the utmost integrity and objectivity, striving at all times to enhance the reputation and performance of the consolidated entity.

## **Independent audit report to members of Olympus Resources Limited**

### ***Scope***

#### ***The financial report and directors' responsibility***

The financial report comprises the statements of financial position, statements of financial performance, statements of cash flows, accompanying notes to the financial statements, and the directors' declaration for both Olympus Resources Limited (the "Company") and the Consolidated Entity, for the year ended 31 December 2003. The Consolidated Entity comprises both the Company and the entities it controlled during that year.

The directors of the Company are responsible for the preparation and true and fair presentation of the financial report in accordance with the *Corporations Act 2001*. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

#### ***Audit approach***

We conducted an independent audit in order to express an opinion to the members of the Company. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Corporations Act 2001*, Australian Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Company's and the Consolidated Entity's financial position, and of their performance as represented by the results of their operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

### ***Independence***

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the *Corporations Act 2001*.

***Audit opinion***

In our opinion, the financial report of Olympus Resources Limited and its controlled entities is in accordance with:

- a) the *Corporations Act 2001*, including:
  - i. giving a true and fair view of the Company's and Consolidated Entity's financial position as at 31 December 2003 and of their performance for the financial year ended on that date; and
  - ii. complying with Accounting Standards in Australia and the Corporations Regulations 2001; and
- b) other mandatory professional reporting requirements in Australia.

## Olympus Resources Limited

### Directors' Declaration

In the opinion of the Directors of Olympus Resources Limited ("the Company"):

- a) The financial statements and notes, set out on pages 9 to 28 are in accordance with the Corporations Act 2001, including:
  - (i) giving a true and fair view of the financial position of the Company and consolidated entity as at 31 December 2003 and of their performance, as represented by the results of their operations and their cash flows, for the year ended on that date; and,
  - (ii) complying with Accounting Standards in Australia and the Corporations Regulations 2001; and
- b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

## **Olympus Resources Limited and its Controlled Entities**

### **Notes to the Financial Statements For the year ended 31 December 2003**

#### **1. Statement of significant accounting policies**

The significant policies which have been adopted in the preparation of this financial report are:

##### **(a) Basis of preparation**

The financial report is a general purpose financial report which has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001. The Company has adopted relevant new and revised accounting standards and pronouncements with no material impact.

It has been prepared on the basis of historical costs and except where stated, does not take into account changing money values or current valuations of non-current assets.

These accounting policies have been consistently applied by each entity in the consolidated entity and are consistent with those of the previous year.

##### **(b) Reclassification of financial information**

Where necessary, comparative information has been reclassified to achieve consistency in disclosure with current financial year amounts and other disclosures.

##### **(c) Principles of consolidation**

###### ***Controlled entities***

The consolidated financial statements of the economic entity include the financial statements of the company, being the parent entity, and its controlled entities ("the consolidated entity").

Balances and the effects of transactions between controlled entities included in the consolidated financial statements have been eliminated.

###### ***Associates***

Associates are those entities over which the consolidated entity exercised significant influence and which are not intended for sale in the near future.

In the consolidated financial statements, investments in associates are accounted for using equity accounting principles. The consolidated entity's equity accounted share of the associates' net profit or loss is recognised in the consolidated statement of financial performance from the date significant influence commences until the date significant influence ceases. Other movements in reserves are recognised directly in consolidated reserves.

## Olympus Resources Limited and its Controlled Entities

### Notes to the Financial Statements For the year ended 31 December 2003

#### 1. Statement of significant accounting policies (continued)

##### (d) Revenue recognition

###### *Interest income*

Interest income is recognised as it accrues.

###### *Dividends*

- Revenue from dividends and distributions from controlled entities is recognised by the parent entity when they are declared by the controlled entities.
- Revenue from dividends from other investments is recognised when received.

###### *Sale of investments*

The gross proceeds of sales of shares are recognised at the date control passes when an unconditional contract of sale is signed. The net gain or loss on disposal is calculated as the difference between the carrying amount of the shares at the time of disposal at the net proceeds on disposal.

##### (e) Taxation

###### *Income tax*

The Company adopts the income statement liability method of tax-effect accounting.

Income tax expense is calculated on operating profit adjusted for permanent differences between taxable and accounting income. The tax effect of timing differences which arise from items being brought to account in different periods for income tax and accounting purposes, is carried forward as a future income tax benefit or a provision for deferred income tax.

Future income tax benefits arising from timing differences are not brought to account unless realisation of the asset is assured beyond reasonable doubt. Future income tax benefits which include tax losses are only brought to account when their realisation is virtually certain. The tax effect of capital losses is not recorded unless realisation is virtually certain.

##### (f) Investments

###### *Controlled entities*

Investments in controlled entities are carried in the Company's financial statements at the lower of cost and recoverable amount.

###### *Associates*

In the Company's financial statements investments in unlisted shares of associates are carried at the lower of cost and recoverable amount.

###### *Other entities*

Investments in other entities are carried at the lower of cost and recoverable amount. Recoverable amount for listed corporations is fair value, being quoted market prices at reporting date. Shares in listed entities are held for trading purposes and are considered current assets.

## **Olympus Resources Limited and its Controlled Entities**

### **Notes to the Financial Statements For the year ended 31 December 2003 (Continued)**

#### **1. Statement of significant accounting policies (continued)**

##### **(g) Loans to controlled entities**

Loans to controlled entities are carried in the Company's financial statements at the lower of cost and recoverable amount.

##### **(h) Payables**

Liabilities are recognised for amounts to be paid in the future for goods and services received whether or not billed to the Company or consolidated entity.

##### **(i) Goods and Services tax**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of any item of the expense.

The net amount of GST receivable from, or payable to, the ATO is included as a current asset or liability in the balance sheet.

Receivables and payables are stated with the amount of GST included.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

##### **(j) Receivables**

The collectability of debts is assessed at balance date and specific provision is made for any doubtful accounts.

##### **(k) Foreign currency**

Foreign currency transactions are translated to Australian currency at the rates of exchange ruling at the dates of the transactions. Amounts receivable and payable in foreign currencies at balance date are translated at the rates of exchange ruling on that date.

The assets and liabilities of foreign operations, including controlled entities and associates that are integrated are translated using the temporal method. Monetary assets and liabilities are translated into Australian currency at rates of exchange current at balance date, while non-monetary items and revenue and expense items are translated at exchange rates current when the transactions occurred. Exchange differences arising on translation are brought to account in the statement of financial performance.

#### (b) Credit risk

Credit risk represents the loss that would be recognised if counter parties failed to perform as a contractor. The credit risk on financial assets, excluding investments, of the consolidated entity which have been recognised on the statement of financial position, is the carrying amount net of any provision for diminution in value.

#### (c) Net fair values of financial assets and liabilities

Listed shares included in "Investments" are traded in an organised financial market. The net fair value of marketable shares are determined by valuing them at the current listed market bid price, adjusted for transaction costs necessary to realise the asset or settle the liability. Investments in listed shares are carried at amounts which approximate fair value.

### **14. Additional financial instrument disclosure (continued)**

#### **(c) *Net fair values of financial assets and liabilities (continued)***

The net fair value of investment in unlisted shares in other corporations is determined by reference to the underlying net assets and an assessment of future maintainable earnings and cash flows of the respective corporations.

The carrying amounts of cash, other debtors, unsecured loans and payables approximate net fair value.
