TEMPO AUSTRALIA LTD

Tempo awarded subcontract on the Gorgon Project

- **Tempo Australia has been awarded a subcontract on the Chevron-operated Gorgon Project on Barrow Island, Western Australia;**
- **Tempo will provide construction, pre-commissioning and commissioning services.**

Mining and energy sector services company, Tempo Australia Limited, is pleased to announce it has been awarded a subcontract for the provision of temporary craft labour for construction, pre-commissioning and commissioning services to the Mechanical, Electrical and Instrumentation (ME&I) contractor on the Chevron-operated Gorgon Project on Barrow Island, Western Australia.

Tempo will provide skilled personnel to support the ME&I scope on a call-off basis and has the potential to create in excess of 100 new local jobs.

Tempo Chairman Carmelo Bontempo said:
"We are extremely pleased to secure this contract on the Gorgon Project. We see it as further testament to our ability to deliver high quality, cost effective services and solutions to leading mining and energy sector clients. We have built a strong reputation based on our people, performance, productivity and safety. We look forward to demonstrating these capabilities on Gorgon."

About Tempo

Tempo Australia Ltd (ASX: TPP) was established in 2011 to provide Structural Mechanical Piping (SMP) services to the mining, oil and gas sectors specialising in:

- construction (greenfield and brownfield);
- maintenance;
- sustaining capital works; and
- shutdowns.

Tempo works collaboratively with clients to execute projects safely and deliver them on time and on budget.

Chevron-operated Gorgon Project

The Gorgon Project is one of the world's largest natural gas projects and the largest single resource development in Australia's history. It is operated by Chevron Australia and is a joint venture between the Australian subsidiaries of Chevron (47.3 percent), ExxonMobil (25 percent), Shell (25 percent), Osaka Gas (1.25 percent), Tokyo Gas (1 percent) and Chubu Electric Power (0.417 percent).
