Resolution 2

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast on Resolution 2 by a person (and any associates of such a person) who may participate in the 10% Placement Facility and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of Shares, if this resolution is passed. At this point in time, there are no potential allottees to whom shares may be issued under this resolution.

However, the Company need not disregard a vote if:

- a) it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form; or

- a closely related party of such a KMP (including close family members and companies the KMP controls).

However, a person described above may cast a vote on Resolution 3 as a proxy if the vote is not cast on behalf of a person described above and either:

- the proxy appointment is in writing that specifies the way the proxy is to vote (e.g. for, against, abstain) on the resolution; or
- the vote is cast by the chair of the meeting and the appointment of the chair as proxy:
 - i. does not specify the way the proxy is to vote on the resolution; and
 - ii. expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

“Key management personnel” and “closely related party” have the same meaning as set out in the *Corporations Act 2001*.

Proxy Voting by Chairman

The Chairman of the Meeting will vote undirected proxies in favour of all items. EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the AGM to be held at Baker McKenzie, Level 19, 181 William Street, Melbourne, Vic 3000 at 11.00am (Melbourne time) on Tuesday 30 May 2017.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions at the AGM.

RESOLUTION 1: ELECTION OF DIRECTOR – MR DONALD BEARD

Mr Donald Beard was appointed as an Independent Non-Executive Director of the Company on 12 January 2016. In accordance with clause 13.4 of the Company's Constitution, Mr Beard retires and, being eligible, offers himself for election as a Director.

Mr Beard is a petroleum geologist and one of Australia's most successful energy company executives. He has over 45 years' experience in both the domestic and international oil and gas businesses, with 37 of those years holding senior management or Board positions. He has a First Class Honours Degree in Geology and Mineralogy and commenced his career at Union Oil Company of California, later becoming a VP of Exploration for the Diamond Shamrock Corporation. He then returned to Australia to become CEO and Managing Director of ASX listed Peko Oil (taken over by Santos), then was the Managing Director of Cultus Petroleum from 1990 – 1999 and more recently was Chairman of Molopo Energy from 2001-2011. At each of these ASX listed companies he was responsible for generating substantial shareholder value.

Mr Beard is the founder and a current Director of the private entity Aldena Pty Ltd.

The Directors, with Mr Beard abstaining, unanimously recommend that Shareholders vote in favour of this Resolution.

RESOLUTION 2: INCREASE IN CAPACITY TO ISSUE SECURITIES

ASX Listing Rule 7.1A enables small to mid-cap listed companies to seek shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue (**10% Placement Facility**) by way of placements over a 12 month period (**10% Placement Period**). This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1.

A company is eligible to seek shareholder approval for this additional placement capacity if it satisfies both of the following criteria at the date of the AGM:

- (a) has a market capitalisation of \$300 million or less; and
- (b) is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will also satisfy both these criteria at the date of the AGM.

Accordingly, Resolution 2 is seeking approval of ordinary shareholders by special resolution for issue of such number of equity securities as calculated under the formula in ASX Listing Rule 7.1A.2, at an issue price as permitted by ASX Listing Rule 7.1A.3 to such persons as the Board may determine and on the terms described in this Explanatory Statement, which forms a part of the Notice of Meeting.

At the date of this Notice, the Company has on issue 130,738,214 fully paid ordinary shares. If Resolution 2 is approved, the Company will have the capacity to issue:

- i) 19,610,732 equity securities under ASX Listing Rule 7.1; and
- ii) 13,073,821 equity securities under ASX Listing Rule 7.1A.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

The effect of Resolution 2 will be to allow the Directors to issue the equity securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The minimum price at which the equity securities will be issued will be no less than 75% of the volume weighted average market price for ordinary shares calculated over the 15 trading days on which trades are recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed; or
- (b) if the securities are not issued within 5 trading days of the date in paragraph (a), the date on which the securities are issued.

If Resolution 2 is approved by shareholders and the Company issues equity securities under the 10% Placement Facility, the existing ordinary shareholders face the risk of economic and voting dilution as a result of the issue of equity securities which are the subject of this resolution, to the extent that such equity securities are issued, including:

- (a) the market price for the equity securities may be significantly lower on the issue date than on the date on which this approval is being sought; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date, or the equity securities may be issued as part consideration for the acquisition of a new asset,

which may have any effect on the amount of funds raised by the issue of the equity securities.

The following table gives examples of the potential dilution of existing ordinary shareholders on the basis of the closing market price as at 7 April 2017 of the Company's ordinary shares and the current number of ordinary securities for Variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2.

The table also shows:

- two examples where Variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro rata entitlement issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

No. of Shares on Issue (Variable A)	Dilution			
	Issue price (per Share)	\$0.055 50% decrease in Issue Price	\$0.11 Issue Price	\$0.22 100% increase in Issue Price
130,738,214 (Current)	10% voting dilution	13,073,821	13,073,821	13,073,821
	Funds raised	\$719,060	\$1,438,120	\$2,876,240
196,107,321 (50% increase)	10% voting dilution	19,610,732	19,610,732	19,610,732
	Funds raised	\$1,078,590	\$2,157,180	\$4,314,361
261,476,428 (100% increase)	10% voting dilution	26,147,642	26,147,642	26,147,642
	Funds raised	\$1,438,120	\$2,876,240	\$5,752,481

The table has been prepared on the following assumptions:

- (i) Resolution 2 is approved.
- (ii) The Company issues the maximum number of ordinary shares available under the 10% Placement Facility.
- (iii) No Options or Management Options (including any options issued under the 10% Placement Facility) are exercised into ordinary shares before the date of the issue of the equity securities under ASX Listing Rule 7.1A.
- (iv) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (v) The table does not show an example of dilution that may be caused to a particular shareholder by reason of placements under the 10% Placement Facility, based on that shareholder's holding at the date of the meeting.
- (vi) The table shows only the effect of an issue of equity securities under ASX Listing Rule 7.1A, not under the Company's 15% placement capacity available under ASX Listing Rule 7.1.
- (vii) The issue of equity securities under the 10% Placement Facility consists only of Shares.
- (viii) the issue price is \$0.11 being the closing price of the shares on ASX on 7 April 2017.

If any of the ordinary shares being approved by this resolution are issued, they will be issued within 12 months of the date the AGM i.e. by 30 May 2018 and the approval being sought by this resolution will cease to be valid if ordinary shareholders approve a transaction under ASX Listing Rules 11.1.2 or 11.2 prior to 30 May 2018.

The Company may seek to issue the equity securities for the following purposes:

- i) cash consideration. In such circumstances, the Company intends to use the funds raised towards working capital or acquisition of new assets or projects including expenses associated with such acquisition or identification, evaluation and, if warranted, the acquisition of working interests in new projects; the exploration cost of new projects; and the maintenance and, if warranted, further exploration of existing projects; and
- ii) non-cash consideration for the acquisition of new assets and projects. In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of any equity securities that may be issued (subject to shareholder approval of Resolution 2) have not been determined as at the date of this Notice, but may include existing shareholders as well as new shareholders who are not related parties or associates of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- i) the methods of raising funds that are available to the Company (including but not limited to, rights issue or other issues in which existing shareholders can participate), while balancing interest from potential allottees with the interests of existing shareholders;
- ii) the effect of the issue of the equity securities on the control of the Company; allocation will be subject to takeover thresholds;
- iii) the financial situation and solvency of the Company and its projected need for working capital at any given time; and
- iv) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new assets or projects, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new assets or projects.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon the issue of any equity securities.

The Company has previously obtained shareholder approval under ASX Listing Rule 7.1A at its 2015 Annual General Meeting held on 18 May 2016.

In the twelve months preceding the date of the 2017 AGM, the Company has issued a total of 30,000,000 equity securities, which represent 6.87% of the total number of equity securities on issue at the commencement of that 12 month period (being 18 May 2016).

A Voting Exclusion Statement is set out in the Notice of Meeting.

At the date of the Notice, the proposed allottees of any securities which may be issued in accordance with this resolution are not as yet known or identified. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of the securities which may be issued in accordance with this resolution), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

Resolution 2 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by shareholders entitled to vote on Resolution 2 must be in favour of the resolution.

The Directors unanimously recommend that Shareholders vote in favour of this Resolution.

RESOLUTION 3: REMUNERATION REPORT

Section 250R(2) of the Corporations Act requires that the section of the Directors' Report dealing with the remuneration of director and key management personnel (**Remuneration Report**) be put to the vote of shareholders for adoption by way of a non-binding vote.

The Remuneration Report details the remuneration policy for the Company and:

- reports the remuneration arrangements for Company Executives and Non-Executive Directors (Indago Personnel);
- explains Board policies in relation to the nature and value of remuneration paid to Indago Personnel; and
- discusses the relationship between the policy and Company performance.

The Remuneration Report is available within the Directors' Report in the Company's 2016 Annual Report (which has been made available on the Indago website, under "Announcements and Reports" and then "Annual Reports"). The Chairman will give Shareholders a reasonable opportunity to ask questions about or make comments on the Report.

Resolution 3 is an advisory resolution only (as stipulated by Section 250R(3) of the Corporations Act) and does not bind the Directors or the Company.

A voting exclusion statement is set out in the Notice of Meeting.

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this Resolution.
