EXPLANATORY STATEMENT

PURPOSE OF INFORMATION

The purpose of this Explanatory Statement, which is included in and forms part of the Notice of Annual General Meeting (AGM) dated 19 October 2017, is to provide members with an explanation of the business of the meeting and of the resolutions to be proposed and considered at the AGM to be held on Friday 24 November 2017 commencing at 12:30pm at XTEK Head Office, 3 Faulding Street, Symonston, ACT 2609 and to assist members to determine how they wish to vote on each resolution.

FINANCIAL STATEMENTS AND REPORTS

Pursuant to the Corporations Act, the Directors of a public company are required to hold an Annual General Meeting and must table the financial statements and reports of the Company (including the Directors' Report and Auditor's Report) for the previous financial year before the members at that AGM.

Shareholders have been provided with all relevant information concerning the Company's financial statements, the Directors' Report and Auditor's Report in the Annual Report of the Company for the year ended 30 June 2017. A copy of the Annual Report has been forwarded to each Shareholder (other than those Shareholders who have previously notified the Company that they elect not to receive the Annual Report, whether in paper form or electronically). Any Shareholder who has made this election and now wishes to receive a paper or electronic copy of the Annual Report should contact the Company to arrange receipt. The Annual Report can also be viewed, printed and downloaded from the Company's website www.xtek.net. A copy of the financial statements, the Directors' Report and the Auditor's Report will be tabled at the AGM.

Shareholders should note that the sole purpose of tabling the financial statements and the reports of the Company at the AGM is to provide the Shareholders with the opportunity to be able to ask questions or discuss matters arising from the financial statements and/or the reports at the meeting. It is not the purpose of the meeting that the financial statements or the reports be accepted, rejected or modified in any way. Further, as it is not required by the Corporations Act, no resolution to adopt, receive or consider the Company's financial statements or the reports (other than the Remuneration Report) will be put to the Shareholders at the meeting.

Members will be given a reasonable opportunity at the meeting to ask questions and make comments on the financial statements and the reports. The Company's Auditor will also be available to receive questions and comments from Shareholders about the preparation and content of the financial statements and the Auditor's Report and the conduct of the audit generally.

Further, any Shareholder entitled to cast a vote at the AGM may submit written questions to the Auditor if:

The question is relevant to:

- the content of the Auditor's Report to be considered at the AGM; or
- the conduct of the audit of the 2017 financial report to be considered at the AGM.

The Shareholder gives the question to the Company no later than 5 business days before the day on which the AGM is to be held, and the Company will then pass the question on to the auditor. At the AGM, the Company will allow a reasonable opportunity for the auditor to answer written questions submitted to the auditor.

REMUNERATION REPORT (Resolution 1)

The Directors' Report for the year ended 30 June 2017 contains a Remuneration Report section of the Annual Report, which may accompany this Notice but, in any event, is available on the Company's website www.xtek.net. This report sets out the policy for remuneration of the Directors and Key Management Personnel for the Company.

Section 250R (2) of the Corporations Act requires that a resolution be put to the Shareholders of listed companies at their AGM, that the Remuneration Report be adopted. Pursuant to Section 250R (3) of the Corporations Act expressly provides that the vote is advisory only and does not bind the Directors or the Company. At the 2016 AGM, the Company's Remuneration Report for the year ended 30 June 2016 did not receive a 'no' vote of 25% or more from Shareholders.

Shareholders attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1
The Chairman intends to vote all undirected proxies in favour of Resolution 1.

In accordance with Clause 6.1 (g) Mr. Slavich has agreed to retire at the 2017 AGM. He is eligible for re-election and is seeking re-appointment as a Director.

RATIFICATION OF ISSUE OF NEW SECURITIES (Resolution 3)

Pursuant to ASX Listing Rule 7.4, the Company is seeking shareholder ratification of the issue of new securities in order to give it maximum flexibility to issue new securities in the forthcoming 12 months. By doing so, the Company is able to refresh its ability under ASX Listing Rule 7.1, to issue up to the maximum limit of 15% of its issued capital in any 12 month period without shareholder approval.

In order to obtain approval of Resolution 3, the Company is required to provide certain information in accordance with ASX Listing Rule 7.5. This information is set out below:

- Number of new securities issued under ASX Listing Rule 7.1 in the past 12 months – 4,420,864 new securities were issued during the period 3-5 July 2017 by placements to sophisticated investors.
- Issue price – \$0.46 per security.
- Terms of the new securities – Each new security will rank equally, from the date of issue, with all XTEK's other issued fully paid ordinary shares.
- Name of Recipients – Existing security holders and sophisticated investors.
- Use of funds – to raise working capital; primarily for development and commercialisation of XTclave™ and XTatlas™ technologies.

Voting Exclusion Statement – A voting exclusion statement is set out in the Notice of Meeting.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.
The Chairman intends to vote all undirected proxies in favour of Resolution 3.

ADDITIONAL PLACEMENT CAPACITY (Resolution 4)

Pursuant to ASX Listing Rule 7.1A, the Company is seeking shareholder approval by a special resolution for an additional placement capacity of up to 10% of the Company's capital, in order to give it maximum flexibility for the issue of new securities in the forthcoming 12 months (should that need arise).

In order to obtain approval of Resolution 4, the Company is required to provide certain information in accordance with ASX Listing Rule 7.3A. This information is set out below in the Disclosure Statement.

Disclosure Statement

- Minimum issue price – The new securities, if issued, will be issued at a price that is not less than 75% of the volume weighted average price of Company securities calculated over the 15 trading days recorded immediately prior to the date of issue. Each new security issued will rank equally, from the date of issue, with all XTEK's other issued fully paid ordinary shares.

- Risk of economic and voting dilution – If Resolution 4 is approved by Shareholders and the Company issues new securities under the 10% additional placement facility, existing shareholders may be subject to both economic and voting power dilution. There is a risk that:
 - the market price of the Company's securities may be significantly lower on the date of the issue of the new securities than at the date of the AGM;
 - the new securities may be issued at a price that is at a discount to that of the market price for the Company's securities on the issue date for the new securities; and
 - the new securities may be issued as part of consideration for the acquisition of a new asset, in which case, no funds will be raised by the issue of the new securities.

The Potential Dilution Table below shows the potential dilution of existing shareholders for issues made under ASX Listing Rule 7.1A only, on the basis of the market price of the Company's securities on 16th October 2017 and based on the number of ordinary securities on issue as of the date of this Notice.

Potential Dilution Table

Variable "A" in ASX Listing Rule 7.1A.2		Dilution		
		\$0.24 Issue Price 50% decrease in Issue Price	\$0.48 Issue Price 16 October 2017)	\$0.96 Issue Price 100% increase in Issue Price

	Funds Raised	\$946,271	\$1,892,543	\$3,785,087
50% increase in current variable "A" 59,141,995 shares	10% Voting Dilution	5,914,199 shares	5,914,199 shares	5,914,199 shares
	Funds Raised	\$1,419,407	\$2,838,815	\$5,677,631
100% increase in current variable "A" 78,855,994 shares	10% Voting Dilution	7,885,599 shares	7,885,599 shares	7,885,599 shares
	Funds Raised	\$1,892,543	\$3,785,087	\$7,570,175

Note: The Table gives theoretical examples of the Variable "A" as per ASX Listing Rule 7.1A.2 based on the assumption that the Company issues the maximum allowable new securities available under the 10% Placement Facility. Additionally, the Table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements made under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

- Date by which securities may be issued – The Company will only allot and issue the new securities during the 10% Placement Period which will expire on 23 November 2018. Any approval for Resolution 4 as granted by Shareholders for the issues of new securities, will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (significant change in nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking).
- Purposes for which the new securities may be issued – The Company may issue the new securities under the following circumstances:
 - Cash consideration – to raise working capital; primarily for innovation and commercialisation of XTclave™ and XTatlas™ technologies and for merger and acquisition purposes; and
 - Non-cash consideration – for the non-cash acquisition of new assets and investments. The Company will provide a valuation of any non-cash consideration pursuant to ASX Listing Rule 7.1A.3.
- Allocation policy – The Company's allocation policy for any issues made under the approval will be dependent on the prevailing market conditions at the time of any proposed issues made pursuant to the 10% Placement Facility. As at the date of this Notice, the Company has no specific plans to issue new securities pursuant to ASX Listing Rule 7.1A and therefore it is not known who (if any) may participate in a potential (if any) issue of new securities under ASX Listing Rule 7.1A. Any such issue would be to existing security holders and or sophisticated investors as determined by the Board of Directors. All issues will be limited as per the issue formula defined in ASX Listing Rule 7.1A.2 (A x D) – E.
- Previous approval – The Company obtained previous approval under ASX Listing Rule 7.1A from Shareholders at the 2016 AGM held on 25 November 2016.
- Securities issued since last AGM – The Company has issued a total of 9,955,568 new securities since the last AGM, representing 33.78% of the total number of securities on issue at the commencement of that 12 months period. The following issues of new securities have been made since the last AGM:
