

ASX ANNOUNCEMENT - CHANGE OF NAME

31 October 2017

Further to the 25 October 2017 announcement that shareholders at the Company's Annual General Meeting had approved the change of the Company's name, the Company is pleased to advise that the change of name to Carpentaria Resources Limited has been registered by the Australian Securities and Investments Commission.

All other contact details remain the same.

The Board and management believe that the name change reflects the Company's evolution from an explorer to a developer, with a focus on generating mineral wealth from our flagship Hawsons Iron Project, the world's leading undeveloped high-quality iron ore project located near Broken Hill, NSW.
